

SOCIOLOGICAL WONDERMENT

The Puzzles of Social Life

Paul Higgins

"In the best tradition of C. Wright Mills, this provocative and accessible book challenges students to question the nature of their taken-for-granted realities and to assume a sociological perspective. I know of no other book that so grips its audience with its engaging text, interactive writing style, and trenchant questions."

PETER ADLER, University of Denver

Sociological Wonderment The Puzzles Of Social Life:

Sociological Wonderment Paul Higgins,1994 **Sociological Wonderment** Roxbury Staff,1997-06-01 *The Riddles of Human Society* Conrad L. Kanagy,Donald B. Kraybill,1999-01-27 This textbook uses the riddles metaphor to introduce social analysis and to communicate the critical questioning aspects of sociology which are at the heart of its tradition The book teaches the student how to be aware of the social riddles around them and how to solve those riddles using sociological analysis Case studies in depth social analysis illustrations and discussion questions make it the perfect book for active learning **Thinking About Deviance** Paul Higgins,Mitch Mackinem,2008-06-27 Thinking About Deviance second edition explores how people participate in and produce the phenomena of deviance Through nineteen brief and provocative chapters such as Is Deviance Harmful or Helpful Once Deviant Always Deviant and Do You Get the Time Because You Did the Crime the book examines how everyone is involved in the many facets of deviance While a small portion of deviance may seem to be exotic done by people on the fringe of society deviance is an integral part of society and of conventional people s lives By using everyday instances of deviance familiar to college students such as shoplifting academic cheating underage drinking and smoking and examples from the media the book engages readers and enables them to develop more general thinking about deviance Through an interactive style in which the readers are asked questions and presented with hypothetical and actual situations for their thoughts the book creates a conversation with the readers It encourages readers to think about and question deviance including their participation in and their assumptions about it in ways they are unlikely to have done before *Drug Court* Mitchell B. Mackinem,Paul Higgins,2008 Drug Court Constructing the Moral Identity of Drug Offenders offers a richly detailed field research investigation of how drug court professionals work to help drug offenders become drug free and law abiding The book explores the less public and revealing world of drug court professionals as they judge and manage drug offenders Drug courts are the latest approach in America and in other countries for handling problem drug users More than 1 200 drug courts exist throughout the United States and its territories These courts developed out of the shifting emphasis on punishment and treatment of problem drug users Based on more than five years of field research in three drug courts in a southeastern state in the U S in two of which the senior author was the drug court administrator Drug Court explores how a team of drug court professionals transform drug offenders into drug court clients Judges administrators drug counselors lawyers and others compose the drug court team These drug court professionals face the challenge of deciding whether drug offenders are primarily criminals who have little if any desire to kick their habit or whether they are drug abusers who will work to abstain from using drugs Some of the questions answered in this book are Are the drug offenders appropriate clients for drug courts Are the drug court clients participating adequately within the drug court program Have the drug court clients performed successfully in the program to graduate Through their evaluation interpretation monitoring sanctioning and more drug court professionals judge the moral worth of drug offenders

as they treat and manage the offenders through drug court Drug Court will be of interest to a diverse audience including the areas of criminal justice law legal studies drug treatment counseling and sociology **American Book Publishing Record**,1995 *Sociological Abstracts* Leo P. Chall,1995 Subject Guide to Books in Print ,1991 *Forthcoming Books* Rose Army,1994-04 Paperbound Books in Print 1995 Reed Reference Publishing,R5ference Reed,1995-12

Sociological Wonderment The Puzzles Of Social Life Introduction

In the digital age, access to information has become easier than ever before. The ability to download Sociological Wonderment The Puzzles Of Social Life has revolutionized the way we consume written content. Whether you are a student looking for course material, an avid reader searching for your next favorite book, or a professional seeking research papers, the option to download Sociological Wonderment The Puzzles Of Social Life has opened up a world of possibilities. Downloading Sociological Wonderment The Puzzles Of Social Life provides numerous advantages over physical copies of books and documents. Firstly, it is incredibly convenient. Gone are the days of carrying around heavy textbooks or bulky folders filled with papers. With the click of a button, you can gain immediate access to valuable resources on any device. This convenience allows for efficient studying, researching, and reading on the go. Moreover, the cost-effective nature of downloading Sociological Wonderment The Puzzles Of Social Life has democratized knowledge. Traditional books and academic journals can be expensive, making it difficult for individuals with limited financial resources to access information. By offering free PDF downloads, publishers and authors are enabling a wider audience to benefit from their work. This inclusivity promotes equal opportunities for learning and personal growth. There are numerous websites and platforms where individuals can download Sociological Wonderment The Puzzles Of Social Life. These websites range from academic databases offering research papers and journals to online libraries with an expansive collection of books from various genres. Many authors and publishers also upload their work to specific websites, granting readers access to their content without any charge. These platforms not only provide access to existing literature but also serve as an excellent platform for undiscovered authors to share their work with the world. However, it is essential to be cautious while downloading Sociological Wonderment The Puzzles Of Social Life. Some websites may offer pirated or illegally obtained copies of copyrighted material. Engaging in such activities not only violates copyright laws but also undermines the efforts of authors, publishers, and researchers. To ensure ethical downloading, it is advisable to utilize reputable websites that prioritize the legal distribution of content. When downloading Sociological Wonderment The Puzzles Of Social Life, users should also consider the potential security risks associated with online platforms. Malicious actors may exploit vulnerabilities in unprotected websites to distribute malware or steal personal information. To protect themselves, individuals should ensure their devices have reliable antivirus software installed and validate the legitimacy of the websites they are downloading from. In conclusion, the ability to download Sociological Wonderment The Puzzles Of Social Life has transformed the way we access information. With the convenience, cost-effectiveness, and accessibility it offers, free PDF downloads have become a popular choice for students, researchers, and book lovers worldwide. However, it is crucial to engage in ethical downloading practices and prioritize personal security when utilizing online platforms. By doing so, individuals can make the most of the vast array of free PDF resources available and embark on a journey of continuous learning and intellectual growth.
