Derek Robbins

Sociologie Allemande Contemporaine:

La Sociologie Allemande Contemporaine Raymond Aron, 1950 French Post-War Social Theory Derek

Robbins, 2011-11-09 Derek Robbins has shown once again that he is one of the few Anglophone scholars with an exceptionally profound and impressively comprehensive knowledge of the history of modern European social thought. This book is a must for anybody interested in twentieth century French social theory. The coverage is wide ranging; the information provided is authoritative; complex ideas are presented in an accessible language; key controversies are explained in an eloquent and thought provoking fashion; and perhaps most importantly, seemingly abstract tensions between intellectual positions are put into historical context. Dr Simon Susen, City University London. Detailed, timely and original, this book explores the trans-cultural transmission of social theory. Derek Robbins presents us with a chronological commentary on the intellectual production of five French social thinkers: Aron, Althusser, Foucault, Lyotard, Bourdieu, and on the English reception of their texts. The book sets up a Bourdieusian investigation of the habitus of the five thinkers and comparatively of the national sub-fields of intellectual discourse. Enables an inter-active generation of enquiry based on the primacy of individual experience. Challenges the social sciences to abandon their grand narratives and to advance the cause of social democratic inclusion. Reconciles the legacies of the work of Bourdieu and Lyotard in order to advance practically a socio-analytic recognition of dissensus or difference. By representing modern classics of French social thought in socio-political context, this in-depth study encourages all social researchers to reflect on their use of social theories in their practice. **The Colonial Origins of**

Modern Social Thought George Steinmetz, 2025-02-25 A new history of French social thought that connects postwar sociology to colonialism and empire. In this provocative and original retelling of the history of French social thought, George Steinmetz places the history and development of modern French sociology in the context of the French empire after World War II. Connecting the rise of all the social sciences with efforts by France and other imperial powers to consolidate control over their crisis-ridden colonies, Steinmetz argues that colonial research represented a crucial core of the nascent academic discipline of sociology, especially between the late 1930s and the 1960s. Sociologists who became favored partners of colonial governments were asked to apply their expertise to such social problems as detribalization, urbanization, poverty, and labor migration. This colonial orientation permeated all the major subfields of sociological research, Steinmetz contends, and is at the center of the work of four influential scholars: Raymond Aron, Jacques Berque, Georges Balandier, and Pierre Bourdieu. In retelling this history, Steinmetz develops and deploys a new methodological approach that combines attention to broadly contextual factors, dynamics within the intellectual development of the social sciences and sociology in particular, and close readings of sociological texts. He moves gradually toward the postwar sociologists of colonialism and their writings, beginning with the most macroscopic contexts which included the postwar reoccupation of the French empire and the turn to developmentalist policies and the resulting demand for new forms of social scientific expertise. After exploring the colonial

engagement of researchers in sociology and neighboring fields before and after 1945 he turns to detailed examinations of the work of Aron who created a sociology of empires Berque the leading historical sociologist of North Africa Balandier the founder of French Africanist sociology and Bourdieu whose renowned theoretical concepts were forged in war torn late colonial Algeria *Dictionnaire des relations culturelles franco-allemandes depuis 1945* Nicole Colin, Corine Defrance, Ulrich Pfeil, Joachim Umlauf, 2023-01-13 La seule synthèse actuelle des relations culturelles franco-allemandes saisies dans leur profondeur historique et dans leur contexte social et politique

A Philosophical History of German Sociology Frédéric Vandenberghe, 2008-09-25 A Philosophical History of German Sociology presents a systematic reconstruction of critical theory from the founding fathers of sociology Marx Simmel Weber via Lukács to the Frankfurt School Horkheimer Adorno Habermas Through an in depth analysis of the theories of alienation rationalisation and reification it investigates the metatheoretical presuppositions of a critical theory of the present that not only highlights the reality of domination but is also able to highlight the possibilities of emancipation Although not written as a textbook its clear and cogent introduction to some of the main theories of sociology make this book a valuable resource for undergraduates and postgraduates alike The following in depth investigation of theories of alienation and reification offer essential material for any critique of the dehumanizing tendencies of today's global world Recently translated into English from the original French for the first time this text showcases Vandenberghe's mastery of the German French and English schools of sociology study The result is an important and challenging text that is essential reading for sociology students of all levels Frédéric Vandenberghe is a Sociology professor and researcher at IUPERJ Instituto Universitário de Pesquisas do Rio de Janeiro Rio de Janeiro Brazil His writings on a broad range of sociological topics have been published as books and articles around the world

Politics and History Ron Christenson, 2017-09-04 Raymond Aron French scholar journalist philosopher sociologist and historian is internationally recognized as one of the great thinkers in the modern social sciences bringing to contemporary history the insights of both philosophy and social science This edition focuses on Aron's lifelong attempt to bridge the gap between knowledge and action and to understand the dialectical relationship between history and politics It is an indispensable introduction to one of the most important thinkers of our century This volume also contains an introduction by Aron which presents an autobiographical account of his confrontation with many of the most important ideas of this century Miriam Bernheim Conant provides perceptive commentary as well as a chronology of Aron's career and works

A Politics of Understanding Reed M. Davis, 2009-12-01 Frequently hailed as one of the greatest defenders of democratic liberalism in postwar Europe French philosopher sociologist and political commentator Raymond Aron 1905-1983 left behind a staggering amount of published work on a remarkably wide range of topics both scholarly and popular In A Politics of Understanding Reed M Davis assesses the originality and consistency of Aron's body of work drawing a connection between Aron's philosophy of history and three of his abiding interests the nature of industrial society international relations theory and

strategic theory Davis begins with a brief biography of Aron known for his skepticism toward political ideologies in the post World War II era and as an intellectual opponent of Jean Paul Sartre After spending three years in Germany in the early 1930s Aron a Jew returned to France in 1933 When war broke out he fought for a year in the French army and after the fall of France escaped to London where he edited the newspaper of the Free French La France Libre He returned to Paris after the war and remained there for the rest of his life working as a professor and journalist He wrote an influential political column for Le Figaro for thirty years and authored many books including *The Opium of the Intellectuals* 1935 *The Algerian Tragedy* 1957 and *Peace and War* 1962 From World War II onward Davis shows Aron sought to construct a science of human action that had as its goal charting the way of human progress in light of two fundamental realities industrialization and the existence of nuclear weapons Throughout his long career he continually asked himself whether human life was becoming better as it became more technologically rationalized and more scientifically advanced In his close analysis of Aron s thought Davis carefully describes how Aron fused Max Weber s neo Kantianism with Edmund Husserl s phenomenology to create an original theory of historical knowledge The central theoretical impulse in all of Aron s works Davis explains is that of reconciling freedom and necessity The ways in which Aron attempted to reconcile these two polarities in his earliest writings had a direct bearing on the manner in which he sought to reconcile realism and idealism in his international thought By attempting to bring reason and necessity into the same loose orbit Aron tried to construct a theoretical approach to international relations and statecraft that could hold the middle ground between realism and idealism Many scholars have simply abandoned efforts to understand the more philosophical dimensions of Aron s thinking because of its technical difficulty With *A Politics of Understanding* Davis provides a concise and clearly written explanation of the basic concepts at work in Aron s philosophy and ties them directly to his later thinking especially concerning international relations *The Public Intellectual* Jerry Weinberger, Arthur M. Melzer, M. Richard Zinman, 2004-09-01 Whether intellectuals are counter cultural escapists corrupting the young or secular prophets leading us to prosperity they are a fixture of modern political life In *The Public Intellectual Between Philosophy and Politics* Arthur M Melzer Jerry Weinberger and M Richard Zinman bring together a wide variety of noted scholars to discuss the characteristics nature and role of public thinkers By looking at scholarly life in the West this work explores the relationship between thought and action ideas and events reason and history

Cultural Relativism and International Politics Derek Robbins, 2014-12-11 The political and academic worlds are fractured by two competing discourses the universalism of human rights and cultural relativism This fracture is represented by the deep separation of cultural analysis and theories of international politics Derek Robbins in a brilliant interrogation of European thinkers from Montesquieu to Pierre Bourdieu seeks to replace cultural relativism with cultural relationism as a step towards reconciling Enlightenment universalism and anthropological insistence on cultural difference Inter alia he reflects on the tensions between political and social science and takes up the challenge from Raymond Aron to construct a

sociology of international relations A dazzling achievement Bryan S Turner The Graduate Center CUNY Through historical studies of some of the work of Montesquieu Comte Durkheim Boas Morgenthau Aron and Bourdieu Derek Robbins examines the changing and competing conceptualisations of the political and the social in the Western European intellectual tradition He suggests that we are now experiencing a new dissociation of sensibility in which political thought and its consequences in action have become divorced from social and cultural experience Developing further the ideas of Bourdieu which he has presented in books and articles over the last twenty years Robbins argues that we need to integrate the recognition of cultural difference with the practice of international politics by accepting that the field of international political discourse is a social construct which is contingent on encounters between diverse cultures Everything is relative Comte and everything is social Bourdieu not least international politics

Thinking Politically Raymond Aron, 2020-03-12 Thinking Politically brings together a series of remarkable interviews with Raymond Aron that form a political history of our time Ranging over an entire lifetime from his youthful experience with the rise of Nazi totalitarianism in Berlin to the d nouement of the cold war Aron mediates on the threats to liberty and reason in the bloody twentieth century Originally published as The Committed Observer this volume provides one of the fullest accounts available of the dramatic events of the short century which began with the pistol shot in Sarajevo in 1914 and ended with the collapse of the ideological monsters whose deadly nature Aron had ruthlessly exposed for a half century In addition to the interviews published in the original edition Thinking Politically incorporates three interviews never before published in book form This supplemental material clarifies Aron s role as a voice of prudential reason in an unreasonable age and allows unparalleled access to the principal influences on Aron s thought The volume concludes with Democratic States and Totalitarian States an address by Aron to the French Philosophical Society as well as the accompanying debate with Jacques Maritain Victor Basch and other intellectuals Thinking Politically serves as an ideal gateway into Aron s reflections and offers a superb single volume introduction to the major events and conflicts of the twentieth century It will be a welcome addition to the libraries of political theorists historians sociologists philosophers and citizens wishing to understand the political and intellectual currents of the age

Sociologie Allemande Contemporaine Introduction

Sociologie Allemande Contemporaine Offers over 60,000 free eBooks, including many classics that are in the public domain. Open Library: Provides access to over 1 million free eBooks, including classic literature and contemporary works. Sociologie Allemande Contemporaine Offers a vast collection of books, some of which are available for free as PDF downloads, particularly older books in the public domain. Sociologie Allemande Contemporaine : This website hosts a vast collection of scientific articles, books, and textbooks. While it operates in a legal gray area due to copyright issues, its a popular resource for finding various publications. Internet Archive for Sociologie Allemande Contemporaine : Has an extensive collection of digital content, including books, articles, videos, and more. It has a massive library of free downloadable books. Free-eBooks Sociologie Allemande Contemporaine Offers a diverse range of free eBooks across various genres. Sociologie Allemande Contemporaine Focuses mainly on educational books, textbooks, and business books. It offers free PDF downloads for educational purposes. Sociologie Allemande Contemporaine Provides a large selection of free eBooks in different genres, which are available for download in various formats, including PDF. Finding specific Sociologie Allemande Contemporaine, especially related to Sociologie Allemande Contemporaine, might be challenging as theyre often artistic creations rather than practical blueprints. However, you can explore the following steps to search for or create your own Online Searches: Look for websites, forums, or blogs dedicated to Sociologie Allemande Contemporaine, Sometimes enthusiasts share their designs or concepts in PDF format. Books and Magazines Some Sociologie Allemande Contemporaine books or magazines might include. Look for these in online stores or libraries. Remember that while Sociologie Allemande Contemporaine, sharing copyrighted material without permission is not legal. Always ensure youre either creating your own or obtaining them from legitimate sources that allow sharing and downloading. Library Check if your local library offers eBook lending services. Many libraries have digital catalogs where you can borrow Sociologie Allemande Contemporaine eBooks for free, including popular titles. Online Retailers: Websites like Amazon, Google Books, or Apple Books often sell eBooks. Sometimes, authors or publishers offer promotions or free periods for certain books. Authors Website Occasionally, authors provide excerpts or short

stories for free on their websites. While this might not be the Sociologie Allemande Contemporaine full book, it can give you a taste of the authors writing style. Subscription Services Platforms like Kindle Unlimited or Scribd offer subscription-based access to a wide range of Sociologie Allemande Contemporaine eBooks, including some popular titles.

FAQs About Sociologie Allemande Contemporaine Books

What is a Sociologie Allemande Contemporaine PDF? A PDF (Portable Document Format) is a file format developed by Adobe that preserves the layout and formatting of a document, regardless of the software, hardware, or operating system used to view or print it. **How do I create a Sociologie Allemande Contemporaine PDF?** There are several ways to create a PDF: Use software like Adobe Acrobat, Microsoft Word, or Google Docs, which often have built-in PDF creation tools. Print to PDF: Many applications and operating systems have a "Print to PDF" option that allows you to save a document as a PDF file instead of printing it on paper. Online converters: There are various online tools that can convert different file types to PDF. **How do I edit a Sociologie Allemande Contemporaine PDF?** Editing a PDF can be done with software like Adobe Acrobat, which allows direct editing of text, images, and other elements within the PDF. Some free tools, like PDFescape or Smallpdf, also offer basic editing capabilities. **How do I convert a Sociologie Allemande Contemporaine PDF to another file format?** There are multiple ways to convert a PDF to another format: Use online converters like Smallpdf, Zamzar, or Adobe Acrobats export feature to convert PDFs to formats like Word, Excel, JPEG, etc. Software like Adobe Acrobat, Microsoft Word, or other PDF editors may have options to export or save PDFs in different formats. **How do I password-protect a Sociologie Allemande Contemporaine PDF?** Most PDF editing software allows you to add password protection. In Adobe Acrobat, for instance, you can go to "File" -> "Properties" -> "Security" to set a password to restrict access or editing capabilities. Are there any free alternatives to Adobe Acrobat for working with PDFs? Yes, there are many free alternatives for working with PDFs, such as: LibreOffice: Offers PDF editing features. PDFsam: Allows splitting, merging, and editing PDFs. Foxit Reader: Provides basic PDF viewing and editing capabilities. How do I compress a PDF file? You can use online tools like Smallpdf, ILovePDF, or desktop software like Adobe Acrobat to compress PDF files without significant quality loss. Compression reduces the file size, making it easier to share and download. Can I fill out forms in a PDF file? Yes, most PDF viewers/editors like Adobe Acrobat, Preview (on Mac), or various online tools allow you to fill out forms in PDF files by selecting text fields and entering information. Are there any restrictions when working with PDFs? Some PDFs might have restrictions set by their creator, such as password protection, editing restrictions, or print restrictions. Breaking these restrictions might require specific software or tools, which may or may not be legal depending on the circumstances and local laws.
