Sociology A Global Perspective 6ed:

Foundational sociology: Sociological thinkers, perspectives and imagination Sikha Nayak, 2022-07-29 The book offers a deep dive into the range of societal issues ranging from government and gender identity to inequalities globalisation and even the Disneyfication of today's world The book is an academic type and provides self guide to final year BA students as well as for civil services and other competitive examinations The book covers fundamental aspects perspectives and outlook to sociology readers may find it very helpful in understanding the fundamentals of sociology **Sociology** Joan Ferrante-Wallace, 2006 *Undergraduate Research in the Sciences* Sandra Laursen, Anne-Barrie Hunter, Elaine Seymour, Heather Thiry, Ginger Melton, 2010-06-15 Undergraduate research enhances the learning experience of students in science technology engineering and mathematics Undergraduate Research in the Sciences offers a groundbreaking and practical research based book on the topic This comprehensive resource addresses how undergraduate research benefits undergraduate participants including those populations that are underrepresented in the sciences compares its benefits with other types of educational activities and experiences and assesses its long term value to students and faculty as both a scholarly and educational endeavor In laying out the processes by which these benefits are achieved this important book can assist faculty and program directors with practical guidance for design and evaluation of both new and existing undergraduate research programs Praise for Undergraduate Research in the Sciences This meticulous definitive study of the effects of working with a faculty member on research as an undergraduate confirms the overall value of the experience by taking us deep into the minds and actions of participants both faculty and students As a result we now have many more compelling reasons to get more students involved with research mentors and ways to optimize the benefits for all parties George D Kuh Chancellor's Professor and director Indiana University Center for Postsecondary Research This timely book offers a unique comprehensive analysis of undergraduate research in the sciences based on the voices of college students and faculty mentors who have participated in these voyages of discovery As our nation struggles to train more scientists this book will be a valuable resource for designing undergraduate research experiences that can build our country's capacity for discovery and innovation Arthur B Ellis Vice Chancellor for Research University of California San Diego The text is written in a lucid and engaging style and will be a valuable guide to policymakers academic administrators and faculty members who want to find ways to engage undergraduates in the real work of investigation Judith A Ramaley president Winona State University This book is a must read for anyone who directs undergraduates in research It presents an impressive and rigorous body of work that brings fresh insights into the field of undergraduate research The next generation of scientists will benefit greatly from the findings and recommendations Jo Handelsman Howard Hughes Medical Institute Professor Yale University **Sociology: A Global Perspective** Joan Ferrante, 2014-01-01 SOCIOLOGY A GLOBAL PERSPECTIVE Ninth Edition introduces readers to the concepts and theories of sociology demonstrates how those concepts and theories can be

used to think about the most significant and pressing global issues of our day and uses powerful visual images to illustrate their impact on individuals local communities and society Important Notice Media content referenced within the product description or the product text may not be available in the ebook version **Sociology** Joan Ferrante-Wallace,1992 This was the first introductory text to use a truly comparative global approach to teach sociological concepts and ideas Some texts claim to be global by including global boxes however the entire Ferrante text is written from this perspective Ferrante uses an in depth examination of life in other countries to help students understand sociological concepts while also providing comparison to the United States By integrating throughout each chapter the connections to American society this text gives students a broader understanding of sociological concepts global interdependence and societal differences as well as similarities **Think Sociology** John Carl,Sarah Baker,Brady Robards,John Scott,Wendy Hillman,Geoffrey Lawrence,2011-08-16 THINK Currency THINK Issues THINK Relevancy THINK Sociology With an engaging visual design and just 15 chapters THINK Sociology is the Australian Sociology text your students will want to read This text thinks their thoughts speaks their language grapples with the current day problems they face and grounds sociology in real world experiences THINK Sociology is informed with the latest research and the most contemporary examples allowing you to bring current events directly into your unit with little additional work **Sociology: A Global Perspective, Enhanced** Joan Ferrante,2010-01-01 SOCIOLOGY A GLOBAL PERSPECTIVE Enhanced Seventh Edition is a brief introduction to sociology paperback text that uses sociological concepts and theories to analyze the most compelling and significant issues of our day which happen to be global Issues covered include the proposed and exiting border fences that separate Mexico from the United States the disparities between the world s richest and poorest countries the century long Palestinian Israeli conflict McDonaldization and the planet s dependence on fossil fuels This approach demonstrates sociology s analytical power for thinking about personal local national but especially global issues and events The enhanced seventh edition has been substantially updated to reflect the current global economic crisis Important Notice Media content referenced within the product description or the product text may not be available in the ebook version *The Palgrave Handbook of Global Perspectives on Emotional Labor in Public Service* Mary E. Guy,Sharon H. Mastracci,Seung-Bum Yang,2019-09-03 The Palgrave Handbook of Global Perspectives on Emotional Labor in Public Service challenges traditional public administration theory and its disavowal of the emotive component to public service delivery Providing a comprehensive and comparative overview of the current research in this previously understudied area this handbook situates emotional labor within public service and establishes emotional labor within individual organizational cultural and situational scenarios With chapters spanning twelve different countries across six continents this handbook provides groundbreaking survey research that probes the daily work experience of public servants paying special attention to the relational aspect of public service delivery It ultimately seeks to revise the current public service paradigm and will be an invaluable resource to researchers public

managers and international public service organizations as the first of its kind for the public administration market

Sociology Alok Kumar Kashyap,2012 **Police Practices in Global Perspective** John A. Eterno,Dilip K. Das,2010 In an ever changing complex world law enforcement must readily adapt to fight criminals terrorists In this work Eterno and Das bring experts from all over the globe to explain policing in a way that only they can do These experts are well versed in law enforcement methods and operations in their respective countries Nearly every part of the globe is represented in a cornucopia of nations Australia Brazil China India Nigeria Russia and the United States Many of the contributors are world renowned scholars with practical policing experience Each chapter brings a unique viewpoint explaining the country s police from the perspective of that country s culture The focus of the book is on transnational crime and terrorism however each chapter provides a basic understanding of policing in that nation Additionally a chapter on current legal practices throughout the world develops a global understanding of the difficulties faced by law enforcement To combat crime and terrorism on a global scale requires an understanding of other nations their cultures their laws their viewpoints This book written by indigenous authors provides unique insights into the countries being examined The wide range of countries combined with native experts make this book a necessary first step toward properly handling international crime and terrorism
