Cold War Strategist Linda McFarland, 2001-08-30 This study of Cold War politics explores the attitudes of William Stuart Symington a consummate Cold Warrior and Democratic senator from Missouri The book focuses on his transition from being an avid supporter of the military and the CIA to his dovish position on the Vietnam War as he questioned all foreign commitments as well as military and CIA budgets His ideas influenced presidential administrations ranging from Truman s to Nixon s He exposed covert activity associated with the Vietnam War and worked to restore the constitutional balance between the executive and legislative branches of the government Symington held several appointive positions within the Truman administration where he was instrumental in the unification of the armed services he served as the first Secretary of the Air Force a post responsible for the conduct of the Berlin Blockade As a senator he was a strong voice for the military and he openly criticized President Eisenhower for his defense policies and meager budgets A vociferous advocate of the big bomber and ICBMs he helped establish the missile gap myth providing the Democratic Party with a key issue in the 1960 presidential race This well documented study highlights the importance of and the interplay among significant personalities

circumstances and public policy at a key point in our nation's history **Liberty and Justice for All?** Kathleen G. Donohue, 2012 A wide ranging exploration of the culture of American politics in the early decades of the Cold War

Politics of Conscience Patricia Ward Wallace, 1995-09-26 Margaret Chase Smith was the most influential woman in the history of American politics Her goal was to be a United States senator not a woman senator and she succeeded by overcoming gender not by championing it Smith began her political career as Maine's daughter and demonstrated nationally the New England virtues of honesty hard work frugality and reticence She became America's heroine when she courageously confronted Senator Joe McCarthy at the height of his power with her Declaration of Conscience speech In her statement she championed the American right to criticize to hold unpopular beliefs and to practice free speech Associating herself with the politics of conscience Smith won three more terms in the Senate and sat on the powerful Armed Services Appropriations Space Government Operations and Intelligence committees Altogether she was in Congress 32 years and by the time her career ended she had established an enduring prototype for female and minority politicians This biography of Margaret Chase Smith is the first historical treatment of Smith to use her voluminous private papers as well as extensive interviews with Smith and her colleagues in Congress As Maine's daughter Smith was frugal hard working reticent and caustic At age thirty two she married in scandal state politician Clyde Smith with whom she had been involved since she was sixteen and who was twenty one years her senior Smith came to Washington when Clyde was elected to Congress and against his wishes she became his secretary When Clyde died in office in 1940 Smith played the widow's game and successfully ran for his seat In the House during World War II Smith sat on the powerful Naval Affairs Committee and tutored by committee counsel Bill Lewis developed a national constituency the military which in turn allowed her to better serve Maine's interests Lewis directed Smith's first Senate campaign in 1948 when she won an upset victory by an astonishing margin Overnight she became the darling of the Republican party the heroine of women everywhere and the only woman in the United States Senate Immediately she became embroiled with Joseph McCarthy and courageously confronted him with her Declaration of Conscience speech four years before a Senate majority censored him Associating herself with politics of conscience Smith was elected to three more terms and sat on the powerful Armed services Appropriations Space Government Operations and Intelligence committees America's heroine was a political icon by the time she was defeated in 1972 at the age of seventy four *The 20th Century Go-N* Frank N. Magill, 2014-03-05 Each volume of the Dictionary of World Biography contains 250 entries on the lives of the individuals who shaped their times and left their mark on world history This is not a who's who Instead each entry provides an in depth essay on the life and career of the individual concerned Essays commence with a quick reference section that provides basic facts on the individual's life and achievements The extended biography places the life and works of the individual within an historical context and the summary at the end of each essay provides a synopsis of the individual's place in history All entries conclude with a fully annotated bibliography Revolutionary Sparks Margaret

A. Blanchard, 1992-05-07 The governmental pledge to the American people is found in the First Amendment Congress shall make no law abridging the freedom of speech or of the press Written more than two hundred years ago these words now protect a wide range of expressive activity A broad gauged discussion of freedom of expression in America this book begins by studying the period after the Civil War and Reconstruction when new and unsettling ideas appeared with great regularity on the American scene So many of these ideas were floating around during this period that the nation s leaders often joined forces to repress aberrant notions In response to such suppression individuals seeking to better their lives through the expression of new ideas began to demand their rights to speak write and associate together to advance their points of view Blanchard traces this contest for control through the Watergate scandal of the 1970s and the Reagan and early Bush administrations Blanchard presents a lively discussion of freedom of speech ranging from questions of national security to those of public morality from loyalty during times of national stress to the right to preach on a public street corner Including examinations of controversies involving the press the national government the Supreme Court and civil liberties and civil rights concerns Revolutionary Sparks presents a strong case for the right of Americans to speak their minds and to have access to knowledge necessary for informed self government

The Confidante Christopher C. Gorham, 2023-02-21 Perfect for readers of A Woman of No Importance Three Ordinary Girls and Eleanor A Life comes the first ever biography of Anna Marie Rosenberg the Hungarian Jewish immigrant who became FDR s closest advisor during World War II and according to Life the most important official woman in the world a woman of many firsts whose story forgotten for too long is extraordinary inspiring and uniquely American Her life ran parallel to the front lines of history yet her influence on 20th century America from the New Deal to the Cold War and beyond has never before been told A Goodreads Choice Awards Nominee What The Confidante provides with cinematic color and encyclopedic clarity is a resurrection THE WALL STREET JOURNAL As Franklin Delano Roosevelt s special envoy to Europe in World War II she went where the president couldn t go She was among the first Allied women to enter a liberated concentration camp and stood in the Eagle s Nest Hitler s mountain retreat days after its capture She guided the direction of the G I Bill of Rights and the Manhattan Project Though Anna Rosenberg emerged from modest immigrant beginnings equipped with only a high school education she was the real power behind national policies critical to America winning the war and prospering afterward Astonishingly her story remains largely forgotten With a disarming mix of charm and Tammany hewn toughness Rosenberg began her career in public relations in 1920s Manhattan She became friends with Eleanor Roosevelt who recommended Anna to her husband who was then running for Governor of New York As FDR s unofficial adviser Rosenberg soon wielded enormous influence no less potent for being subtle Roosevelt dubbed her my Mrs Fix It Her extraordinary career continued after his death By 1950 she was tapped to become the assistant secretary of defense the highest position ever held by a woman in the US military prompting Senator Joe McCarthy to wage an unsuccessful smear campaign against her In 1962 she organized John F

Kennedy's infamous birthday gala sitting beside him while Marilyn Monroe sang. Until the end of her life, Rosenberg fought tirelessly for causes from racial integration to women's equality to national health care. More than the story of one remarkable woman, *The Confidante* explores who gets to be at the forefront of history and why. Though she was not quite a hidden figure, Rosenberg's position as the power behind combined with her status as an immigrant and a Jewish woman served to diminish her importance. In this inspiring, impeccably researched and revelatory book, Christopher C. Gorham at last affords Anna Rosenberg the recognition she so richly deserves. Far and away the most important woman in the American government and perhaps the most important official female in the world. *LIFE* magazine, 1952
