

The Politics Of The Equal Rights Amendment Conflict And The Decision Process

Marjorie J. Spruill

The Politics Of The Equal Rights Amendment Conflict And The Decision Process:

The Politics of the Equal Rights Amendment Janet K. Boles, 1979 **The Politics of the Equal Rights Amendment** Janet K. Boles, 1979 Sex, Gender, and the Politics of ERA Donald G. Mathews, Jane S. De Hart, 1992-04-30 Sex Gender and the Politics of ERA is the most profound and sensitive discussion to date of the way in which women responded to feminism Drawing on extensive research and interviews Mathews and De Hart explore the fate of the ERA in North Carolina one of the three states targeted by both sides as essential to ratification to reveal the dynamics that stunned supporters across America The authors insightfully link public discourse and private feelings placing arguments used throughout the nation in the personal contexts of women who pleaded their cases for and against equality Beginning with a study of woman suffrage the book shows how issues of sex gender race and power remained potent weapons on the ERA battlefield The ideas of such vocal opponents as Phyllis Schlafly and Senator Sam Ervin set the perfect stage for mothers to confess their terror at the violation of their daughters in a post ERA world while the prospect of losing ratification to this terror impelled supporters to shed the white gloves of genteel lobbying for the combat boots of political in fighting In the end the efforts of ERA supporters could neither outweigh the symbolic actions of its opponents nor weaken the resistance of those same legislators to further federal guarantees of equality Ultimately opponents succeeded in making equality for women seem dangerous In thus explaining the ERA controversy the authors brilliantly illuminate the many meanings of feminism for the American people

The Oxford Companion to American Politics David Coates, 2012-07-12 Provides students and scholars with a valuable reference source in the field of American Politics The Companion will equip readers with a deep understanding of the complex interaction between governmental institutions and processes and the wider American economy and society that they govern **The Crosswinds of Freedom, 1932-1988** James MacGregor Burns, 2012-04-10 A Pulitzer Prize winner s

immensely readable history of the United States from FDR s election to the final days of the Cold War Publishers Weekly The Crosswinds of Freedom is an articulate and incisive examination of the United States during its rise to become the world s sole superpower Here is a young democracy transformed by the Great Depression the Second World War the Cold War the rapid pace of technological change and the distinct visions of nine presidents Spanning fifty six years and touching on many corners of the nation s complex cultural tapestry Burns s work is a remarkable look at the forces that gave rise to the American Century **What If the American Political System Were Different?** Herbert M. Levine, 2015-02-24 First

Published in 2015 This unique book is an ideal supplement for an introductory American politics course Each chapter consider a basic aspect of the American political system or historical tradition and speculates as to the consequences were that aspect fundamentally different Engagingly written by political scientists historians and a legal solicitor the book is non ideological throughout and invites reflection and discussion Each chapter will encourage readers to think critically about the American political system elate the relationships between different political structures and policy outcomes and in general

consider American politics in an exciting new way Feminist Activism in the Supreme Court Christopher P. Manfredi, 2004 Since 1980 the Canadian women's movement has been an active participant in constitutional politics and Charter litigation This book through its focus on the Women's Legal Education and Action Fund LEAF presents a compelling examination of how Canadian feminists became key actors in developing the constitutional doctrine of equality and how they mobilized that doctrine to support the movement's policy agenda The case of LEAF an organization that has as its goal the use of Charter litigation to influence legal rules and public policy provides rich ground for Christopher Manfredi's keen analysis of legal mobilization In a multitude of areas such as abortion pornography sexual assault family law and gay and lesbian rights LEAF has intervened before the Supreme Court to bring its understanding of equality to bear on legal policy development This study offers a deft examination of LEAF's arguments and seeks to understand how they affected the Court's consideration of the issues Perhaps most important it also contemplates the long term effects of the mobilization and considers the social impact of the legal doctrine that has emerged from LEAF cases A major contribution to law and society studies Feminist Activism in the Supreme Court is unparalleled in its analysis of legal mobilization as an effective strategy for social movements It will be widely read and welcomed by legal scholars political scientists lawyers feminists and activists

Strange Bedfellows Alison Lefkowitz, 2018-03-21 The impact of law and politics on efforts to redefine family and marriage without relying on traditional gender norms In the inaugural issue of Ms Magazine the feminist activist Judy Syfers proclaimed that she would like a wife offering a wry critique of the state of marriage in modern America After all she observed a wife could provide Syfers with free childcare and housecleaning services as well as wages from a job Outside the pages of Ms divorced men's rights activist Charles Metz opened his own manifesto on marriage reform with a triumphant recognition that noise is swelling from hundreds of thousands of divorced male victims In the 1960s and 70s a broad array of Americans identified marriage as a problem and according to Alison Lefkowitz the subsequent changes to marriage law at the state and federal levels constituted a social and legal revolution The law had long imposed breadwinner and homemaker roles on husbands and wives respectively In the 1960s state legislatures heeded the calls of divorced men and feminist activists but their reforms such as no fault divorce generally benefitted husbands more than wives Meanwhile radical feminists welfare rights activists gay liberationists and immigrant spouses fought for a much broader agenda such as the extension of gender neutral financial obligations to all families or the separation of benefits from family relationships entirely But a host of conservatives stymied this broader revolution Therefore even the modest victories that feminists won eluded less prosperous Americans marriage rights were available to those who could afford them Examining the effects of law and politics on the intimate space of the home *Strange Bedfellows* recounts how the marriage revolution at once instituted formal legal equality while also creating new forms of political and economic inequality that historians like most Americans have yet to fully understand **The Gender Communication Connection** Teri Kwal Gamble, Michael W. Gamble, 2014-12-18 The

authors explore the many ways that gender and communication intersect and affect each other Every chapter encourages a consideration of how gender attitudes and practices past and current influence personal notions of what it means not only to be female and male but feminine and masculine The second edition of this student friendly and accessible text is filled with contemporary examples activities and exercises to help students put theoretical concepts into practice *Officer, Nurse, Woman* Kara Dixon Vuic, 2010-01-01 Winner 2010 Lavinia L Dock Award American Association for the History of Nursing An American Journal of Nursing Book of the Year in History and Public Policy I never got a chance to be a girl Kate O Hare Palmer lamented thirty four years after her tour as an army nurse in Vietnam Although proud of having served she felt that the war she never understood had robbed her of her innocence and forced her to grow up too quickly As depicted in a photograph taken late in her tour long hours in the operating room exhausted her both physically and mentally Her tired eyes and gaunt face reflected the weariness she felt after treating countless patients some dying some maimed all like her forever changed Still she learned to work harder and faster than she thought she could to trust her nursing skills and to live independently She developed a way to balance the dangers and benefits of being a woman in the army and in the war Only fourteen months long her tour in Vietnam profoundly affected her life and her beliefs Such vivid personal accounts abound in historian Kara Dixon Vuic s compelling look at the experiences of army nurses in the Vietnam War Drawing on more than 100 interviews Vuic allows the nurses to tell their own captivating stories from their reasons for joining the military to the physical and emotional demands of a horrific war and postwar debates about how to commemorate their service Vuic also explores the gender issues that arose when a male dominated army actively recruited and employed the services of 5 000 nurses in the midst of a growing feminist movement and a changing nursing profession Women drawn to the army s patriotic promise faced disturbing realities in the virtually all male hospitals of South Vietnam Men who joined the nurse corps ran headlong into the army s belief that women should nurse and men should fight Officer Nurse Woman brings to light the nearly forgotten contributions of brave nurses who risked their lives to bring medical care to soldiers during a terrible and divisive war **Women of the New Right** Rebecca Klatch, 2010-09-13 The first coherent picture of who joins such movements as the New Right and how they think **Designing Families** John Scanlon, 2000 Designing Families is a thought provoking examination of the challenges facing the nuclear family as it enters the new millenium John Scanlon sets the issue of change in families in an historical and cross cultural perspective tracing the development of the family from the Agricultural Age to the Information Age Phyllis Schlafly and Grassroots Conservatism Donald T. Critchlow, 2008-01-15 Based on access to Schlafly s papers and sixty other archival collections offers a look at the private life and public convictions of the arch conservative and determined opponent of the Equal Rights Amendment gay rights and reproductive freedom *The New Encyclopedia of Southern Culture* Nancy Bercaw, Ted Ownby, 2014-02-01 This volume of The New Encyclopedia of Southern Culture reflects the dramatic increase in research on the topic of gender over the past thirty years revealing that

even the most familiar subjects take on new significance when viewed through the lens of gender The wide range of entries explores how people have experienced understood and used concepts of womanhood and manhood in all sorts of obvious and subtle ways The volume features 113 articles 65 of which are entirely new for this edition Thematic articles address subjects such as sexuality respectability and paternalism and investigate the role of gender in broader subjects including the civil rights movement country music and sports Topical entries highlight individuals such as Oprah Winfrey the Grimke sisters and Dale Earnhardt as well as historical events such as the capture of Jefferson Davis in a woman's dress the Supreme Court's decision in *Loving v Virginia* and the Memphis sanitation workers strike with its slogan I AM A MAN Bringing together scholarship on gender and the body sexuality labor race and politics this volume offers new ways to view big questions in southern history and culture *Constitution and Public Policy in U. S. History* Julian E. Zelizer, Bruce J.

Schulman, 2010-11-01 *Splintered Sisterhood* Susan E. Marshall, 1997-07-01 When Tennessee became the thirty sixth and final state needed to ratify the Nineteenth Amendment in August 1920 giving women the right to vote one group of women expressed bitter disappointment and vowed to fight against this feminist disease Why this fierce and extended opposition In *Splintered Sisterhood* Susan Marshall argues that the women of the antisuffrage movement mobilized not as threatened homemakers but as influential political strategists Drawing on surviving records of major antisuffrage organizations Marshall makes clear that antisuffrage women organized to protect gendered class interests She shows that many of the most vocal antisuffragists were wealthy educated women who exercised considerable political influence through their personal ties to men in politics as well as by their own positions as leaders of social service committees Under the guise of defending an ideal of true womanhood these powerful women sought to keep the vote from lower class women fearing it would result in an increase in the ignorant vote and in their own displacement from positions of influence This book reveals the increasingly militant style of antisuffrage protest as the conflict over female voting rights escalated *Splintered Sisterhood* adds a missing piece to the history of women's rights activism in the United States and illuminates current issues of antifeminism [Search for the American Right Wing](#) William B. Hixson Jr., 2015-03-08 This book is a creative synthesis of the published scholarly research on the contemporary American right wing from the rise of Senator Joseph McCarthy to the election of Ronald Reagan as President Unlike most other syntheses it directly engages that research by critically analyzing the major explanations emerging from it Emphasizing neither the lives and backgrounds of the scholars that he discusses nor paradigms within the social sciences as a whole William Hixson focuses on the way the concepts of individual researchers have interacted with accumulating evidence on the American right and how this evidence has led to new and more comprehensive theories Hixson first summarizes and evaluates the research on the major developments analyzed by scholars the social sources of McCarthyism the radical right of the early 1960s George Wallace's constituency in his Presidential campaigns and the emerging new right of the late 1970s He then compares the interpretations of the two most influential

students of the right wing Seymour Martin Lipset and Michael Paul Rogin Finally he offers his own explanations suggesting that the right wing is both a mass and elite phenomenon that its durability comes from its appeal to the upwardly mobile especially in economically expanding regions and that far from being either traditionalist or reactive it represents a proactive defense of values associated with late nineteenth century modernization Originally published in 1992 The Princeton Legacy Library uses the latest print on demand technology to again make available previously out of print books from the distinguished backlist of Princeton University Press These editions preserve the original texts of these important books while presenting them in durable paperback and hardcover editions The goal of the Princeton Legacy Library is to vastly increase access to the rich scholarly heritage found in the thousands of books published by Princeton University Press since its founding in 1905

The Baby Boomer Encyclopedia Martin Gitlin, 2011-03-03 This encyclopedia defines and contextualizes the Baby Boomer generation and the wide reaching contributions of its members throughout modern American history Comprising some 80 million Americans born between 1946 and 1965 the Baby Boomers have significantly changed every aspect of American history and culture The members of this generation experienced some of the most tumultuous times in American history indeed the Boomers helped create these pivotal eras From the advent of rock and roll to disco and rap from the sexual revolution to the arrival of AIDS and from race riots to the election of a black president Baby Boomers have seen it all Through nearly 100 alphabetically arranged entries this encyclopedia gives later generations insight into the contributions of the Baby Boomers and it helps members of that generation better contextualize their own experiences Included entries are written in a clear and engaging manner covering politics and activism entertainment the economy gender roles arts pop culture sports religion drug and alcohol use and many other subject areas

Divided We Stand Marjorie J. Spruill, 2018-08-28 The fascinating true story of the characters in Hulu's *Mrs America* and a broader portrait of the two women's movements that spurred an enduring rift between liberals and conservatives The many admirers of *Mrs America* will find great satisfaction in *Divided We Stand* a clear compelling and deeply insightful volume The Washington Post One of Smithsonian Magazine's Ten Best History Books of the Year In the early 1970s an ascendant women's rights movement enjoyed strong support from both political parties and considerable success but was soon challenged by a conservative women's movement formed in opposition Tensions between the two would explode in 1977 at the congressionally funded National Women's Conference in Houston Texas As Bella Abzug Gloria Steinem and other feminists endorsed hot button issues such as abortion rights the ERA and gay rights Phyllis Schlafly and Lottie Beth Hobbs rallied with conservative women to protest federally funded feminism and launch a pro family movement *Divided We Stand* reveals how crucial women and women's issues have been in the shaping of today's political culture After the National Women's Conference Democrats continued to back women's rights in cooperation with a more diverse feminist movement while the GOP abandoned its previous support for women's rights and defined itself as the party of family values irrevocably affecting

the course of American politics *The Politics of Women's Rights* Christina Wolbrecht, 2010-04-24 Here Christina Wolbrecht boldly demonstrates how the Republican and Democratic parties have helped transform and have been transformed by American public debate and policy on women's rights. She begins by showing the evolution of the positions of both parties on women's rights over the past five decades. In the 1950s and early 1960s, Republicans were slightly more favorable than Democrats, but by the early 1980s, the parties had polarized sharply, with Democrats supporting and Republicans opposing such policies as the Equal Rights Amendment and abortion rights. Wolbrecht not only traces the development of this shift in the parties' relative positions, focusing on party platforms, the words and actions of presidents and presidential candidates, and the behavior of the parties' delegations in Congress, but also seeks to explain the realignment. The author considers the politically charged developments that have contributed to a redefinition and expansion of the women's rights agenda since the 1960s, including legal changes, the emergence of the modern women's movement, and changes in patterns of employment, fertility, and marriage. Wolbrecht explores how party leaders reacted to these developments and adopted positions in ways that would help expand their party's coalition. Combined with changes in those coalitions, particularly the rise of social conservatism within the GOP and the affiliation of social movement groups with the Democratic party, the result was the polarization characterizing the parties' stances on women's rights today.

Decoding **The Politics Of The Equal Rights Amendment Conflict And The Decision Process**: Revealing the Captivating Potential of Verbal Expression

In an era characterized by interconnectedness and an insatiable thirst for knowledge, the captivating potential of verbal expression has emerged as a formidable force. The Politics Of The Equal Rights Amendment Conflict And The Decision Process Introduction

In this digital age, the convenience of accessing information at our fingertips has become a necessity. Whether its research papers, eBooks, or user manuals, PDF files have become the preferred format for sharing and reading documents. However, the cost associated with purchasing PDF files can sometimes be a barrier for many individuals and organizations. Thankfully, there are numerous websites and platforms that allow users to download free PDF files legally. In this article, we will explore some of the best platforms to download free PDFs. One of the most popular platforms to download free PDF files is Project Gutenberg. This online library offers over 60,000 free eBooks that are in the public domain. From classic literature to historical documents, Project Gutenberg provides a wide range of PDF files that can be downloaded and enjoyed on various devices. The website is user-friendly and allows users to search for specific titles or browse through different categories. Another reliable platform for downloading The Politics Of The Equal Rights Amendment Conflict And The Decision Process free PDF files is Open Library. With its vast collection of over 1 million eBooks, Open Library has something for every reader. The website offers a seamless experience by providing options to borrow or download PDF files. Users simply need to create a free account to access this treasure trove of knowledge. Open Library also allows users to contribute by uploading and sharing their own PDF files, making it a collaborative platform for book enthusiasts. For those interested in academic resources, there are websites dedicated to providing free PDFs of research papers and scientific articles. One such website is Academia.edu, which allows researchers and scholars to share their work with a global audience. Users can download PDF files of research papers, theses, and dissertations covering a wide range of subjects. Academia.edu also provides a platform for discussions and networking within the academic community. When it comes to downloading The Politics Of The Equal

Rights Amendment Conflict And The Decision Process free PDF files of magazines, brochures, and catalogs, Issuu is a popular choice. This digital publishing platform hosts a vast collection of publications from around the world. Users can search for specific titles or explore various categories and genres. Issuu offers a seamless reading experience with its user-friendly interface and allows users to download PDF files for offline reading. Apart from dedicated platforms, search engines also play a crucial role in finding free PDF files. Google, for instance, has an advanced search feature that allows users to filter results by file type. By specifying the file type as "PDF," users can find websites that offer free PDF downloads on a specific topic. While downloading The Politics Of The Equal Rights Amendment Conflict And The Decision Process free PDF files is convenient, it's important to note that copyright laws must be respected. Always ensure that the PDF files you download are legally available for free. Many authors and publishers voluntarily provide free PDF versions of their work, but it's essential to be cautious and verify the authenticity of the source before downloading The Politics Of The Equal Rights Amendment Conflict And The Decision Process. In conclusion, the internet offers numerous platforms and websites that allow users to download free PDF files legally. Whether it's classic literature, research papers, or magazines, there is something for everyone. The platforms mentioned in this article, such as Project Gutenberg, Open Library, Academia.edu, and Issuu, provide access to a vast collection of PDF files. However, users should always be cautious and verify the legality of the source before downloading The Politics Of The Equal Rights Amendment Conflict And The Decision Process any PDF files. With these platforms, the world of PDF downloads is just a click away.

FAQs About The Politics Of The Equal Rights Amendment Conflict And The Decision Process Books

How do I know which eBook platform is the best for me? Finding the best eBook platform depends on your reading preferences and device compatibility. Research different platforms, read user reviews, and explore their features before making a choice. Are free eBooks of good quality? Yes, many reputable platforms offer high-quality free eBooks, including classics and public domain works. However, make sure to verify the source to ensure the eBook's credibility. Can I read eBooks without an eReader? Absolutely! Most eBook platforms offer web-based readers or mobile apps that allow you to read eBooks on your computer, tablet, or smartphone. How do I avoid digital eye strain while reading eBooks? To prevent digital eye strain, take regular breaks, adjust the font size and background color, and ensure proper lighting while reading eBooks. What's the advantage of interactive eBooks? Interactive eBooks incorporate multimedia elements, quizzes, and activities, enhancing the reader engagement and providing a more immersive learning experience.
