

The Positive Hero in Russian Literature

SECOND EDITION

Rufus W. Mathewson, Jr.

The Positive Hero In Russian Literature

Rufus W. Mathewson

The Positive Hero In Russian Literature:

The Positive Hero in Russian Literature Rufus W. Mathewson, 2000 The positive hero was defined by the Soviets as one who set an example for the reader's behavior As early as 1860 the merits of this ideal model were a central issue in the war between literary imagination and ideological criticism that raged in Russia for a hundred years In The Positive Hero in Russian Literature Rufus W Mathewson Jr brings a period of Russian literature to life and demonstrates how the battles over the positive hero reappeared with dramatic clarity in the dissident literary movement that developed after Stalin's death Mathewson argues that the true continuity between nineteenth and twentieth century Russian prose was to be found in this persistent conflict between contrary views of the real nature and proper uses of literature This new edition of a widely acclaimed work first published in 1958 and covering literary developments through 1946 includes chapters on Belinsky Pasternak Solzhenitsyn and Sinyavsky Book Jacket *The Positive Hero in Russian Literature* Rufus W. Mathewson, 1975

The Positive Hero in Russian Literature, 1978 The Positive Hero in Russian Literature Rufus W. Mathewson, 1975 The positive hero was defined by the Soviets as one who set an example for the reader's behavior As early as 1860 the merits of this ideal model were a central issue in the war between the literary imagination and ideological criticism that raged in Russia for a hundred years In The Positive Hero in Russian Literature Rufus Mathewson Jr brings a period of Russian literature to life and demonstrates how the battles over the positive hero reappeared with dramatic clarity in the dissident literary movement that developed following Stalin's death Mathewson argues that the true continuity in Russian prose joining the nineteenth and twentieth centuries was to be found in this persistent conflict between contrary views of the real nature and proper uses of literature This new edition of a widely acclaimed work first published in 1958 and covering literary developments through 1946 includes chapters on Belinsky Pasternak Solzhenitsyn and Sinyavsky The Positive Hero in Russian Literature Rufus W. Mathewson (iun.), 1958 **The Soviet Novel** Katerina Clark, 2000 In its sure grasp of a huge subject and in its speculative boldness Professor Clark's study represents a major breakthrough It sends one back to the original texts with a whole host of new questions And it also helps us to understand the place of the official writer in that peculiar mixture of ideology collective pressure and inspiration which is the Soviet literary process Times Literary Supplement The Soviet Novel has had an enormous impact on the way Stalinist culture is studied in a range of disciplines literature scholarship history cultural studies even anthropology and political science Slavic Review Those readers who have come to realize that history is a branch of mythology will find Clark's book a stimulating and rewarding account of Soviet mythopoesis American Historical Review A dynamic account of the socialist realist novel's evolution as seen in the context of Soviet culture A new Afterword brings the history of Socialist Realism to its end at the close of the 20th century Know Your Enemy David C. Engerman, 2009-11-20 As World War II ended few Americans in government or universities knew much about the Soviet Union As David Engerman shows in this book a network of scholars soldiers spies and philanthropists

created an enterprise known as Soviet Studies to fill in this dangerous gap in American knowledge. This group brought together some of the nation's best minds from the left, right, and center: colorful and controversial individuals ranging from George Kennan to Margaret Mead to Zbigniew Brzezinski, not to mention historians Sheila Fitzpatrick and Richard Pipes. Together they created the knowledge that helped fight the Cold War and define Cold War thought. Soviet Studies became a vibrant intellectual enterprise studying not just the Soviet threat but Soviet society and culture at a time when many said that these were contradictions in terms as well as Russian history and literature. And this broad network, Engerman argues, forever changed the relationship between the government and academe, connecting the Pentagon with the ivory tower in ways that still matter today.

The Cambridge Companion to Modern Russian Culture Nicholas Rzhevsky, 2012-04-05. A fully updated new edition of this overview of contemporary Russia and the influence of its Soviet past.

The Russian Revolutionary Novel Richard Freeborn, 1985-02-28. Professor Freeborn's book is an attempt to identify and define the evolution of a particular kind of novel in Russian and Soviet literature: the revolutionary novel. This genre is a uniquely Russian phenomenon and one that is of central importance in Russian literature. The study begins with a consideration of Turgenev's masterpiece *Fathers and Children* and traces the evolution of the revolutionary novel through to its most important development a century later in Pasternak's *Doctor Zhivago* and the emergence of a dissident literature in the Soviet Union. Professor Freeborn examines the particular phases of the genre's development and in particular the development after 1917: the early fiction which explored the relationship between revolution and instinct such as Pilnyak's *The Naked Year*; the first attempts at mythmaking in Leonov's *The Badgers* and Furmanov's *Chapayev*; the next phase in which novelists turned to the investigation of ideas exemplified most notably by Zamyatin's *We*; the resumption of the classical approach in such works as Olesha's *Envy* which explore the interaction between the individual and society; and finally the appearance of the revolutionary epic in Gorky's *The Life of Klim Samgin*, Sholokhov's *Quiet Flows the Don*, and Alexey Tolstoy's *The Road to Calvary*. Professor Freeborn also examines the way this kind of novel has undergone change in response to revolutionary change and he shows how an important feature of this process has been the implicit assumption that the revolutionary novel is distinguished by its right to pass an objective, independent judgement on revolution and the revolutionary image of man. This is a comprehensive and challenging study of a uniquely Russian tradition of writing which draws on a great range of novels, many of them little known in the West. As with other titles in this series, all quotations have been translated.

The Soviet Novel, Third Edition Katerina Clark, 2000-08-22. A new Afterword brings the history of Socialist Realism to its end at the close of the 20th century.

The Russian Hero in Modern Chinese Fiction Mau-sang Ng, 1988. Comprehensive study demonstrates how Chinese writers, in particular the writers of the May Fourth Movement of 1919, guided by Russian authors of the 19th century, created works of art that are both original and Chinese. Glossary of names and terms. This is the Chinese University Press of Hong Kong edition of 1986. Annotation copyrighted by Book News, Inc., Portland, OR.

The Chinese Translation of Russian Literature Mark Gamsa, 2008.

Focusing on the translation and translators of Boris Savinkov Mikhail Artsybashev and Leonid Andreev this book explores the processes of the translation transmission and interpretation of Russian literature in China during the first half of the 20th century The Cambridge Companion to the Classic Russian Novel Malcolm V. Jones, Robin Feuer Miller, 1998-04-30 Many Russian novels of the nineteenth and twentieth centuries have made a huge impact not only inside the boundaries of their own country but across the western world The Cambridge Companion to the Classic Russian Novel offers a thematic account of these novels in fourteen newly commissioned essays by prominent European and North American scholars There are chapters on the city the countryside politics satire religion psychology philosophy the romantic realist and modernist traditions and technique gender and theory In this context the work of Pushkin Dostoevsky Tolstoy Turgenev Bulgakov Nabokov Pasternak and Solzhenitsyn among others is described and discussed There is a chronology and guide to further reading all quotations are in English This volume will be invaluable not only for students and scholars but for anyone interested in the Russian novel **The Routledge Companion to Russian Literature** Neil Cornwell, 2002-06-01 The Routledge Companion to Russian Literature is an engaging and accessible guide to Russian writing of the past thousand years The volume covers the entire span of Russian literature from the Middle Ages to the post Soviet period and explores all the forms that have made it so famous poetry drama and of course the Russian novel A particular emphasis is given to the nineteenth and twentieth centuries when Russian literature achieved world wide recognition through the works of writers such as Pushkin Dostoevsky Tolstoy Chekhov Nabokov and Solzhenitsyn Covering a range of subjects including women s writing Russian literary theory socialist realism and migr writing leading international scholars open up the wonderful diversity of Russian literature With recommended lists of further reading and an excellent up to date general bibliography The Routledge Companion to Russian Literature is the perfect guide for students and general readers alike *Reference Guide to Russian Literature* Neil Cornwell, 2013-12-02 First Published in 1998 This volume will surely be regarded as the standard guide to Russian literature for some considerable time to come It is therefore confidently recommended for addition to reference libraries be they academic or public The Cossack Hero in Russian Literature Judith Deutsch Kornblatt, 1992 The Cossack Hero in Russian Literature studies the development of the Cossack hero and identifies him as part of Russian cultural mythology Judith Kornblatt explores the power of the myth as a literary image providing new and challenging readings of 19th and 20th century works by Pushkin Gogol Tolstoi Khlebnikov Babel Tsvetaeva Sholokhov and a number of lesser known writers all of whom were attracted to the Cossack By comparing the Cossack with the American cowboy she reveals what is both unique and universal about the Russian self image Grappling with the phenomenon of myth formation Kornblatt places the Cossack hero in historical and sociopolitical context chronicling the growth of the Cossack myth of unbounded wholeness and life its gradually increasing influence on the Russian national consciousness during the 19th and early 20th centuries and its eventual demise under the strictures of Stalinist socialist realism Kornblatt s eclectic

methodology draws upon Barthes White Turner and other Western theorists as well as upon such leading Russian critics and philosophers of language as Bakhtin Lotman and Uspensky

South African Literature's Russian Soul Jeanne-Marie Jackson, 2015-10-22 How do great moments in literary traditions arise from times of intense social and political upheaval South African Literature's Russian Soul charts the interplay of narrative innovation and political isolation in two of the world's most renowned non-European literatures In this book Jeanne Marie Jackson demonstrates how Russian writing's Golden Age in the troubled nineteenth century has served as a model for South African writers both during and after apartheid Exploring these two isolated literary cultures alongside each other the book challenges the limits of global methodologies in contemporary literary studies and outdated models of center periphery relations to argue for a more locally involved scale of literary enquiry with more truly global horizons

A History of Russian Thought William Leatherbarrow, Derek Offord, 2010-04-01 The history of ideas has played a central role in Russia's political and social history Understanding its intellectual tradition and the way the intelligentsia have shaped the nation is crucial to understanding the Russia of today This history examines important intellectual and cultural currents the Enlightenment nationalism nihilism and religious revival and key themes conceptions of the West and East the common people and attitudes to capitalism and natural science in Russian intellectual history Concentrating on the Golden Age of Russian thought in the mid nineteenth century the contributors also look back to its eighteenth century origins in the flowering of culture following the reign of Peter the Great and forward to the continuing vitality of Russia's classical intellectual tradition in the Soviet and post Soviet eras With brief biographical details of over fifty key thinkers and an extensive bibliography this book provides a fresh comprehensive overview of Russian intellectual history

The Cambridge History of Russian Literature Charles Moser, 1992-04-30 An updated edition of this comprehensive narrative history first published in 1989 incorporating a new chapter on the latest developments in Russian literature and additional bibliographical information The individual chapters are by well known specialists and provide chronological coverage from the medieval period on giving particular attention to the nineteenth and twentieth centuries and including extensive discussion of works written outside the Soviet Union The book is accessible to students and non specialists as well as to scholars of literature and provides a wealth of information

Russian Writers and Society in the Nineteenth Century Ronald Hingley, 2021-06-15 This book first published in 1977 begins with a close look at the lives of nineteenth century Russian writers and at the problems of their profession It then examines their environment in its broader aspects the Russian empire being considered from the point of view of geography ethnography economics and the impact of individual Tsars on writers and society A discussion of the main social estates follows and concluding is an analysis in their literary context of the activities of the competing forces of cohesion and disruption in imperial society the civil service law courts police army schools universities press censorship revolutionaries and agitators This book makes possible a fuller understanding of the works of Pushkin Dostoyevsky Chekhov and the other great Russian writers

The Positive Hero In Russian Literature Book Review: Unveiling the Magic of Language

In an electronic era where connections and knowledge reign supreme, the enchanting power of language has become more apparent than ever. Its ability to stir emotions, provoke thought, and instigate transformation is actually remarkable. This extraordinary book, aptly titled "**The Positive Hero In Russian Literature**," compiled by a highly acclaimed author, immerses readers in a captivating exploration of the significance of language and its profound impact on our existence. Throughout this critique, we will delve into the book's central themes, evaluate its unique writing style, and assess its overall influence on its readership.

The Positive Hero In Russian Literature Introduction

Free PDF Books and Manuals for Download: Unlocking Knowledge at Your Fingertips In today's fast-paced digital age, obtaining valuable knowledge has become easier than ever. Thanks to the internet, a vast array of books and manuals are now available for free download in PDF format. Whether you are a student, professional, or simply an avid reader, this treasure trove of downloadable resources offers a wealth of information, conveniently accessible anytime, anywhere. The advent of online libraries and platforms dedicated to sharing knowledge has revolutionized the way we consume information. No longer confined to physical libraries or bookstores, readers can now access an extensive collection of digital books and manuals with just a few clicks. These resources, available in PDF, Microsoft Word, and PowerPoint formats, cater to a wide range of interests, including literature, technology, science, history, and much more. One notable platform where you can explore and download free The Positive Hero In Russian Literature PDF books and manuals is the internet's largest free library. Hosted online, this catalog compiles a vast assortment of documents, making it a veritable goldmine of knowledge. With its easy-to-use website interface and customizable PDF generator, this platform offers a user-friendly experience, allowing individuals to effortlessly navigate and access the information they seek. The availability of free PDF books and manuals on this platform demonstrates its commitment to democratizing education and empowering individuals with the tools needed to succeed in their chosen fields. It allows anyone, regardless of their background or financial limitations, to expand their horizons and gain insights from experts in various disciplines. One of the most significant advantages of downloading PDF books and manuals lies in their portability. Unlike physical copies, digital books can be stored and carried on a single device, such as a tablet or smartphone, saving valuable space and weight. This convenience makes it possible for readers to have their entire library at their fingertips, whether they are commuting, traveling, or simply enjoying a lazy afternoon at home. Additionally, digital files are easily searchable, enabling readers to locate specific information within seconds. With a few keystrokes, users can search for keywords, topics, or phrases, making research and finding relevant information a breeze. This efficiency saves time and effort, streamlining the learning process and allowing individuals to focus on extracting the information they need. Furthermore, the availability of free PDF books and manuals fosters a culture of continuous learning. By removing financial barriers, more people can access educational resources and pursue lifelong

learning, contributing to personal growth and professional development. This democratization of knowledge promotes intellectual curiosity and empowers individuals to become lifelong learners, promoting progress and innovation in various fields. It is worth noting that while accessing free The Positive Hero In Russian Literature PDF books and manuals is convenient and cost-effective, it is vital to respect copyright laws and intellectual property rights. Platforms offering free downloads often operate within legal boundaries, ensuring that the materials they provide are either in the public domain or authorized for distribution. By adhering to copyright laws, users can enjoy the benefits of free access to knowledge while supporting the authors and publishers who make these resources available. In conclusion, the availability of The Positive Hero In Russian Literature free PDF books and manuals for download has revolutionized the way we access and consume knowledge. With just a few clicks, individuals can explore a vast collection of resources across different disciplines, all free of charge. This accessibility empowers individuals to become lifelong learners, contributing to personal growth, professional development, and the advancement of society as a whole. So why not unlock a world of knowledge today? Start exploring the vast sea of free PDF books and manuals waiting to be discovered right at your fingertips.

FAQs About The Positive Hero In Russian Literature Books

1. Where can I buy The Positive Hero In Russian Literature books? Bookstores: Physical bookstores like Barnes & Noble, Waterstones, and independent local stores. Online Retailers: Amazon, Book Depository, and various online bookstores offer a wide range of books in physical and digital formats.
