Bisagno, 2015 Jesus was our model and teacher in prayer By His life and His lips our Lord's constant fellowship with the Father pointed to the necessity of ours But Jesus didn't pray merely as an example to us For thirty three years He lived as a man tempted in all points like as are we He prayed because He had to pray He prayed because He must In this 50th anniversary edition of The Power of Positive Praying Dr Bisagno expands this classic work with eight new chapters on prayer If the Son of God prioritized prayer how more must we And His prayers were answered as will be ours if like Him we pray in His Will in His Word and in Faith For that's the power of positive praying **Satan and the Problem of Evil** Gregory A. Boyd, 2025-08-04 Where does evil come from If there is a sovereign creator God as Christian faith holds is this God ultimately responsible for evil Does God's sovereignty mean that God causes each instance of sin and suffering How do Satan his demons and hell fit into God's providential oversight of all creation and history How does God interact with human intention and action If people act freely does God know in particular every human decision before the choice is made In this important book Gregory A Boyd mounts a thorough response to these ages old questions which remain both crucial and contentious both practical and complex In this work Boyd defends his scripturally grounded trinitarian warfare theodicy presented in God at War with rigorous philosophical reflection and insights from human experience and scientific discovery Critiquing the classical Calvinist solution to the problem of evil he advocates an alternative understanding of the sovereignty of the trinitarian God and of the reality of Satan that sheds light on our fallen human condition While all may not agree with Boyd's conclusions Satan and the Problem of Evil promises to advance the church's discussion of these critical issues
