Phenomena and Divine Promises Deacon Albert Graham, 2022-10-05 The reader will be appraised of how God has been speaking to His people through public and private revelation for over 2000 years A special chapter in this work deals with some saints and holy people who have had private revelations about or visits from souls in purgatory hell or heaven Another chapter and several of the appendixes are devoted to Marian Apparitions to include those that are approved not approved and those appending a decision by the Church By far one of the greatest strengths of this undertaking is the identification of some 43 categories of concomitant extraordinary phenomena and some of the saints and holy people who have experienced them Color paintings by artists are depicted of some saints experiencing such mystical phenomena Another unique feature of the book is a listing of some 600 individuals from the 13th to the 21st centuries who bore the stigmata By knowing that God is present and alive to His people this book may help bring others to a deeper faith in God **Relics** Joan Carroll Cruz, 2015 Scripture speaks of miracles wrought through relics a dead man was raised when Elisha's bones touched him and the clothing of Jesus and His apostles healed the sick In the early Church Masses were celebrated over the bones of the martyrs and phials of their blood have effected countless miracles Direct successors of the Apostles themselves speak of venerating relics Church Fathers encourage it throughout the ages of Catholic legacy relics of the saints are always present The Church takes diligent care in preserving and documenting the authenticity of her relics Best selling author Joan Carroll Cruz takes full advantage of these resources With painstaking research she exposes the details behind hundreds of the Church's most
