The Stigmata: Those Who Bore the Wounds of Christ Deacon

Albert E. Graham,2023-08-10 Whether you are an atheist an agnostic or a true believer and disciple of Jesus Christ you will be mystified at what you learn from *The Stigmata* *The Stigmata* examines such other worldly phenomena one could liken it to a spiritual X files episode Christ s death and resurrection was not the end but the beginning for us all Jesus agonizing suffering sacrifice and surrender of his own life opened the gates of heaven to all those willing to follow Him The stigmatics serve as an earthly human reminder of the Divine Jesus obedient holy and sacrificial offering to us *The Stigmata* is a compilation of some 657 individuals from the 13th to the 21st centuries who have incomprehensibly borne the wounds suffered by Christ *The Stigmata* discusses many of the stigmatics in biographical detail Some stigmatics are recognized saints such as St Padre Pio and St Therese Neumann Sainted or not all stigmatics suffer in some way like Christ bearing evidence of nail piercings to the hands and feet the crown of thorns and sword laceration near the heart Have there been fraudulent stigmatics Yes and *The Stigmata* discusses the fakes separating them like wheat from chaff Aside from the painful and bloody wounds these individuals suffer many stigmatics exhibit other miraculous mysteries from levitation and bilocation to reading of souls and other human impossibilities The pain the stigmatics have endured is real the phenomena they ve experienced is mystical and their complete impact on the world is known only to God **Mysteries, Marvels and**

Miracles Joan Carroll Cruz,1997-02 Blessed be God in His angels and in His saints Includes hundreds of true stories of miraculous phenomena in the lives of the Saints bilocation levitation multiplication of food etc Fascinating hard to put down and helpful to strengthen one s faith This world CANNOT be all there is and this book helps to make that truth more REAL to each one of us An excellent gift book suitable for all ages *Revelation, Mystical Phenomena and Divine Promises* Deacon

Albert Graham,2022-10-05 The reader will be appraised of how God has been speaking to His people through public and private revelation for over 2000 years A special chapter in this work deals with some saints and holy people who have had private revelations about or visits from souls in purgatory hell or heaven Another chapter and several of the appendixes are devoted to Marian Apparitions to include those that are approved not approved and those appending a decision by the Church By far one of the greatest strengths of this undertaking is the identification of some 43 categories of concomitant extraordinary phenomena and some of the saints and holy people who have experienced them Color paintings by artists are depicted of some saints experiencing such mystical phenomena Another unique feature of the book is a listing of some 600 individuals from the 13th to the 21st centuries who bore the stigmata By knowing that God is present and alive to His people this book may help bring others to a deeper faith in God *Relics* Joan Carroll Cruz,2015 Scripture speaks of miracles wrought through relics a dead man was raised when Elisha s bones touched him and the clothing of Jesus and His apostles healed the sick In the early Church Masses were celebrated over the bones of the martyrs and phials of their blood have

effected countless miracles Direct successors of the Apostles themselves speak of venerating relics Church Fathers encourage it throughout the ages of Catholic legacy relics of the saints are always present The Church takes diligent care in preserving and documenting the authenticity of her relics Best selling author Joan Carroll Cruz takes full advantage of these resources With painstaking research she exposes the details behind hundreds of the Church s most famous and beloved relics She covers 38 second class relicsof our Lord and Lady such as the Holy Grail and Our Lady s Veil and relics of all sorts from 75 favorite saints such as St Mary Magdalene St Agnes St Charles Borromeo St Francis of Assisi St Maria Goretti and many more Relics is a unique collection of years of dedicated research about the lives of the saints and the mementos they left behind to remind us of their presence and intercession for us **New Catholic Encyclopedia: Baa-Cam** Catholic University of America,2003 This 15 volume second edition features revised and new articles Among the 12 000 entries in the encyclopedia are articles on theology philosophy history literary figures saints musicians and much more *Biography Index* Bea Joseph,1979 A cumulative index to biographical material in books and magazines **Subject Catalog** Library of Congress,1981 National Union Catalog, 1981 ,1982 **National Union Catalog** ,1981 Includes entries for maps and atlases Religious Books, 1876-1982 R.R.
