The 21st-century Singer Susan Mohini Kane,2015 The vast majority of singers with a degree in performance are un or under employed in their field Despite the fact that talented singers are discovered every day there are far too few jobs in the field of classical music to accommodate all of them a problem evidenced by regular reports of opera companies and symphony orchestras closing their doors Young classical singers particularly recent graduates of music programs need not only artistic ability but also intelligence and an acute business sense to navigate the world of professional singing In *The 21st Century Singer Making the Leap from the University into the World* author Susan Mohini Kane has created a user friendly guide for these recent graduates Kane combines the benefits of an instructional manual with those of a self reflective workbook to provide emerging classical singers with both practical and inspirational advice She begins with a section on self evaluation allowing readers to define what motivates their desire to sing professionally and reflect on their passions before moving on to career advice In the sections that follow Kane presents a variety of career paths such as singing teaching and consulting realistic alternatives to the rise to stardom as an overnight sensation that so few will experience and provides the reader with the tools to develop a concrete plan for whichever path they decide to pursue Other sections offer instruction on how to develop support systems train oneself holistically and take advantage of the newest technological resources available for professional self promotion With its dual emphasis on artistic motivation and modern day business sense *The 21st Century Singer* will prove an essential text for anyone pursuing a professional singing career

The Face of the Iguana Patrick J. McKallick,2018-05-28 In *The Face of the Iguana* Patrick McKallick tells the dramatic stories of how fear based beliefs both cultish and religious affected his life emotionally physically and mentally and his eventual healing This book is not just for all those abused by toxic belief systems but also those recovering from addictions The author relates touching stories of his painful abandonment by his troubled parents and his final internment in an orphanage He tells dramatic and amusing anecdotes that preserved his sanity and the utter desperation of his cunning and miraculous escape from a toxic doomsday cult We are taken on a journey of events as varied as hiding under the bed from his raging alcoholic father to descending into the depths of a 16th century churchs crypt where he gazed upon piles of human bones the shock of which catapulted him unconsciously into a dark and ominous pit We faithfully follow him as he describes the conclusion of the war in El Salvador and the mass fear and terror of the citizens of that country to the comical circling of a vintage ocean liner in a beat up fishing boat with an old lady a fisherman and two young kids This is not just a compilation of interesting stories but clear guidance for anyone recovering from addictions including to fear based belief systems and the ensuing guilt and anxiety The author expertly provides revelations and insights into why we seek out toxic beliefs Mr McKallick reveals how his

investigation of a surprising and astonishing field led to his incredible healing and liberation from the effects of PTSD The author learnedly introduces evidential research that mitigated his anxiety due to abusive belief systems and the fear of death He describes the ensuing collapse of this fear and the promise of an astonishingly beautiful after life *The Riches Within (EasyRead Large Bold Edition)* , **Money Alchemy** Kiki Theo,2017 This classic wealth training manual bridges money and energy and is based on the author s own successful wealth journey Money is presented as energy journey potential relationship and process of transformation of self Money Alchemy is a holistic wealth creation book which blends a wealth of business experience and creative processing tools to create expansion of self and wealth Good Chef(Cook) Bad Chef(Cook) Mastering the Art of Kitchen Leadership & Transforming Culinary Mistakes into Success Author Researched, Edited, and Compiled.
