The Power Of Love Be Receptive To Unknown Sources:

The Power of Love Marlowe" Red" Severson,2005-11 **Love and Women in Early Chinese Fiction** Daniel Hsieh,2009-03-02 In traditional China upper class literati were inevitably strongly influenced by Confucian doctrine and rarely touched upon such topics as love and women in their writings It was not until the mid Tang a generation or two after the An Lushan rebellion that literary circles began to engage in overt discussion of the issues of love and women through the use of the newly emerging genres of zhiguai and chuanqi fiction The debate was carried out with an unprecedented enthusiasm since the topics were considered to be the key to understanding the crisis in Chinese civilization This book examines the repertoire of chuanqi and zhiguai written during the Six Dynasties and Tang periods and analyzes the key themes topics and approaches found in these tales which range from expressions of male fantasy sympathy fear and anxiety to philosophical debate on the place of the feminine in patriarchal Chinese society Many of these stories reflect tensions between masculine and feminine aspects of civilization as seen for example in the conflict of male aspiration and female desire as well as the ultimate longing for reconciliation of these divisions These stories form a crucial chapter in the history of love in China and would provide much of the foundation for further explorations during the late imperial period as seen in seminal works such as *The Peony Pavilion* and *Dream of the Red Chamber* Breathing Love Jennie Lee,2018-01-08 In this beautiful treatise Jennie Lee gives practical ways to embody love itself a true path to connection with our inherent divinity Tosha Silver author of *Outrageous Openness* and *Change Me* Prayers Make Love Your Spiritual Practice Discover how to embody love breathe it as your daily spiritual practice and recognize it as the core of who you are Love is more than an emotional wave that passes through us and meditation is what we need to clear our inner vision and overcome the impulses and habits that take us away from pure love This remarkable book explores what love is and what it takes to live it each day even in a world full of turmoil Jennie Lee shares many personal stories as she guides you into more active conscious loving by overcoming anger and fear building trust learning to forgive and dealing with loss Using daily meditation practices both on and off the cushion and mindful action *Breathing Love* shows you how to open your heart to your true nature as love itself Praise Winner of the 2018 American Book Fest Best Book Award Self Help Motivational Category Finalist for the 2018 Independent Author s Network Book of the Year Award Spirituality Inspirational Category Named One of the Top 10 Inspiring Books of January 2018 by *Aspire Magazine* Jennie Lee s *Breathing Love* is extraordinarily important because our country and our world are afflicted by a tsunami of separation directed toward the other This pandemic of separation and hostility now threatens our future In elaborating on love Lee provides a path not just for personal psychospiritual growth but also for the survival of our species Larry Dossey MD author of *One Mind* *Breathing Love* is brimming with inspiration for those building or expanding a practice of meditation not just as a self care practice but as a means to heal our hurts and fill our hearts with calm trust and LOVE Agapi Stassinopoulos author of *Wake Up to the Joy of You* Brilliant elegant and easily

practical for those just getting into meditation and for the seasoned veteran This is a book to cherish filled with good stories from Jennie s remarkable life of devotion Stephen G Post author of Why Good Things Happen to Good People and president of the Institute for Research on Unlimited Love This book will set you on the path to healing and to seeing relationships in a whole new light Through her personal stories Lee illustrates the way we can evolve consciousness from fear to love an essential skill for everyone s inner peace Gerald G Jampolsky MD co author of Aging with Attitude Love and Death in Lawrence and Foucault Barry Jeffrey Scherr,2008 Love and Death in Lawrence and Foucault is the first full length study of Foucault and the Foucaultians not to look at them from a quasi hagiographical perspective The Lawrentian point of view employed here to deal with Foucault and his oeuvre is utterly unique imaginative and efficacious in explicating demystifying Foucaultian theory while at the same time promoting Barry J Scherr s courageous indefatigable project of restoring D H Lawrence to his rightfully and supremely high place in the pantheon of great British literature Rebellious and unconventional yet scholarly and mature Love and Death in Lawrence and Foucault is the bravest and most unorthodox study of Foucault to date It is a worthy addition to Scherr s previous literary cultural studies D H Lawrence Today and D H Lawrence s Response to Plato A supremely lively incisive lucid and profound critique Love and Death in Lawrence and Foucault is indispensable to students and scholars of Lawrence and Foucault alike *How to Live a Healthy Life* Jan de Vries,2011-06-10 How to Live a Healthy Life is an indispensable handbook which outlines the approach to health of one of the world s foremost homoeopaths Jan de Vries It gives sensible and easy to follow advice on a huge number of subjects ranging from maintaining a healthy liver and building strong bones to how to follow a well balanced and nutritious diet and cope with stress Meditation alone will not aid true spiritual development.
