The Power Of Pleasurable Childbirth Safety Simplicity And Satisfaction Are All Within Our Reach:

The Power of Pleasurable Childbirth Laurie A. Morgan, 2003-01-14 The Power of Pleasurable Childbirth beloved and praised by discerning women all over the world simply states the truth about childbirth and what the body was made to do Too many births today are monitored and meddled with as a routine not natural The Power of Pleasurable Childbirth challenges parents to listen within for the unique guidance needed to achieve a truly safe and comfortable birth experience Mother to four children three born without interference from birth attendants Laurie Morgan is warm inspiring and oozing with common sense as she shares her personal story helping parents understand how genuinely natural childbirth is both desirable and accessible You will learn The crucial differences between normal physiological birth and assisted childbirth How to free yourself from unnecessary worry and fear about childbirth How to simplify your approach to childbirth for the greatest safety and enjoyment The truth about midwifery and obstetrics and how dependence on experts may pose needless risk to you and your baby The surprisingly bright side of personal responsibility Common stumbling blocks along the path to a joyful birth experience

Unassisted Childbirth Laura Kaplan Shanley, 2012-02-22 This book reveals how giving birth is an inherently safe relatively painless process that is best performed without the assistance of doctors or midwives and how confidence and a positive attitude reduces fear and therefore the pain of labor According to Laura Kaplan Shanley a renowned leader in the natural birth movement human birth is inherently safe and relatively painless provided we refrain from physical or psychological interference The problems often associated with birth can be traced to three main factors poverty unnecessary medical intervention and fear When these causes are eliminated most women can give birth either alone or with the help of a partner friends or family This second edition of Unassisted Childbirth leads with a history of childbirth and then describes how most deliveries occur today detailing why these processes don't serve mothers or babies The information in this unique book gives women yet another legitimate choice in childbirth that doesn't rely on doctors and technology and allows parents birth professionals and general readers to reexamine their most basic ideas about birth and learn to think in new ways

Intrapartum Care Denis Walsh, Soo Downe, 2013-05-07 Intrapartum care has undergone profound changes over the past fifty years Essential Midwifery Practice Intrapartum Care takes a broad sweep to examine these changes and their intersection with midwifery in particular their impact on the midwife's role during labour and birth It is an invaluable guide for all midwives Essential Midwifery Practice Intrapartum Care addresses a wide range of topics including the evolution of intrapartum care debates about knowledge and childbirth education It looks at birth environments labour rhythms working with pain normal birth unusual labours and complementary therapies Written by key experts and providing guidance on best practice this unique and diverse text will bring readers up to date with the latest research and reflection in their specialist fields Written by key experts in their respective fields coming together for the first time Provides comprehensive examination of normal birth practice Evidence based bringing you up to date with the latest research

Journey Into Motherhood Sheri Menelli, 2005-09 Providing both inspiration and education this guide to natural childbirth offers 48 personal accounts of labor and delivery without medication Revealing the many options women have beyond birthing location the testimonials offer insight into the joys concerns and realities of natural birth From delivering at home with a midwife and hearing the right words from a hospital nurse at just the right moment to describing a combination of the Bradley method and acupuncture at a birthing center and discussing a child's birth at home in warm water this resource combines personal insight with referential information A glossary of terms and a resource guide to books magazines websites videos and CDs and listings of childbirth classes and instructors nationwide are also included **Books In Print**
