THIRD EDITION

The Power Of The Presidency Concepts And Controversy

Joan Schmitz Bergholt

The Power Of The Presidency Concepts And Controversy:

The Power of the Presidency Robert S. Hirschfield, 1968 The American presidency is the most powerful political office in the world But this impressive statement serves only to raise a whole series of fundamental questions What is the scope of presidential powers and what are its limits Can the president use all the authority of his office or is that authority more formal than effective Does the presidency have sufficient power to meet today s needs or do the problems of the modern age demand a more powerful executive Is there a danger of dictatorship in the growth of political authority or will the presidency remain an office of constitutional democratic leadership This book explores such questions by presenting a wide range of views on presidential power from a variety of sources original supporters and opponents of the office presidents themselves Supreme Court decisions and professional students of the presidency Provided by publisher

The Power of the Presidency Robert S. The Power of the Presidency Robert S. Hirschfield, 2017-07-05 The American presidency is the most powerful political office in the world But this impressive statement serves only to raise a whole series of fundamental questions What is the scope of presidential powers and what are its limits Can the president use all the authority of his office or is that authority more formal than effective Does the presidency have sufficient power to meet today s needs or do the problems of the modern age demand a more powerful executive Is there a danger of dictatorship in the growth of political authority or will the presidency remain an office of constitutional democratic leadership This book explores such questions by presenting a wide range of views on presidential power from a variety of sources original supporters and opponents of the office presidents themselves Supreme Court decisions and professional students of the presidency

The Power of the Presidency Robert S. Hirschfield, 1971 *The Powers of the Presidency*, 2013 This is a comprehensive and illustrative work on the historical and contemporary perspective on presidential powers guiding readers through the presidency as a constitutional office with many updated features from the previous edition

The Silence of Constitutions (Routledge Revivals) Michael Foley, 2013-01-11 First published in 1989 Michael s Foley s book deals with the abeyances present in both written and unwritten constitutions arguing that these gaps in the explicitness of a constitution and the various ways they are preserved provide the means by which constitutional conflict is continually

postponed Abeyances are valuable therefore not in spite of their obscurity but because of it

The American Presidency Under Siege Gary L. Rose, 1997-03-20 This book explores the failure of the modern American presidency a failure the author attributes to the development of a political system that impedes creative leadership The American presidency Gary L Rose argues is under siege Surrounded and blockaded by a reactionary Congress an entrenched bureaucracy an aggressive media lobbyists political action committees and special interest groups American presidents fail not because of a lack of ability or character but because of the political system and style of politics inside the Beltway Rose ascribes this emergence of a political system that obstructs presidential leadership to the decline of political parties as electoral and governing mechanisms As political parties have declined presidents have lost vital political connections that historically have enhanced their capacity to lead He presents a variety of prescriptive measures including political party and legal reform that have the potential to restore political parties and the governing capacity of the presidency

Gerald Ford and the Challenges of the 1970s Yanek Mieczkowski, 2005-04-22 History has not been kind to Gerald Ford His name evokes an image of either America s only unelected president who abruptly pardoned his corrupt predecessor or an accident prone man who failed to provide skilled leadership to a country in domestic turmoil In Gerald Ford and the Challenges of the 1970s historian Yanek Mieczkowski reexamines Ford s two and a half years in office showing that his presidency successfully confronted the most vexing crises of the postwar era Surveying the state of America in the 1970s Mieczkowski focuses on the economic challenges facing the country He argues that Ford s understanding of the national economy was better than that of any other modern president that Ford oversaw a dramatic reduction of inflation and that his attempts to solve the energy crisis were based in sound economic principles Throughout his presidency Ford labored under the legacy of Watergate Democrats scored landslide victories in the 1974 midterm elections and the president engaged with a spirited opposition Congress Within an anemic Republican Party the right wing challenged Ford s leadership even as pundits predicted the death of the GOP Yet Ford reinvigorated the party and fashioned a 1976 campaign strategy against Jimmy Carter that brought him from thirty points behind to a dead heat on election day Mieczkowski draws on numerous personal interviews with the former president cabinet officials and members of the Ninety fourth Congress In his reassessment of this underrated president Ford emerges as a skilled executive an effective diplomat and a leader with a clear vision for America s future Working to heal a divided nation Ford unified the GOP and laid the groundwork for the Republican resurgence in subsequent decades The first major work on the former president to appear in more than ten years Gerald Ford and the Challenges of the 1970s combines the best of biography and economic social and presidential history to create an intriguing portrait of a president his times and his legacy

The President's First Year Douglas Alan Cohn, 2016-01-15 A fascinating new angle on presidential history assessing the performances of the presidents in their freshman year of the toughest job in the world Grouped by the issues the new presidents confronted in their first years in office the book takes readers into the history thought processes and

results on a case by case basis including how the presidents subsequent actions proved that they learned or didn't learn from their mistakes From George Washington to Barack Obama *The President's First Year* details the challenging first twelve months of all our presidents tenures *The Presidential Republic* Gary L. Gregg, 1997 For two centuries American presidents have considered themselves to be representatives of the American people In this detailed study of presidential representation Gary Gregg explores the theory history and consequences of presidents acting as representatives in the American political system Gregg explores questions such as what it means to be a representative how the Founding Fathers understood the place of the presidency in the Republic established by the Constitution and the effects a representational presidency has on deliberative democracy This important examination of the presidency's place in our political system is essential reading for those interested in American political theory constitutional studies and American history **1974 Annual Supplement** Joan Schmitz Bergholt, 2013-12-21 *ABA Journal*, 1969-04 The ABA Journal serves the legal profession Qualified recipients are lawyers and judges law students law librarians and associate members of the American Bar Association News Letter United States. Department of State, 1976 **Department of State News Letter** United States. Department of State, 1976 **Newsletter** United States. Department of State, 1976 **Flawed by Design** Amy B. Zegart, 1999 Challenging the belief that national security agencies work well this book asks what forces shaped the initial design of the Central Intelligence Agency the Joint Chiefs of Staff and the National Security Council in ways that meant they were handicapped from birth Resolved, that the Commander-in-chief Power of the United States President Should be Substantially Curtailed, 1993 1789 Thomas B. Allen, 2023-10-01 Historian Allen recreates in this meticulous and fast moving posthumous account the events of the pivotal year 1789 in America It's a superb distillation of a complex moment in U S history Publishers Weekly Starred Review 1789 George Washington and the Founders Create America draws on hundreds of sources to paint a vivid portrait of the new nation setting out to show the world at large that a new and very American form of government was calling itself into being No future session of Congress will ever have so arduous and weighty a charge on their hands the New York Gazette observed in summer 1789 No examples to imitate and no striking historical facts on which to ground their decisions All is bare creation The Constitution had been written in 1787 and ratified in 1788 But 1789 was the year the government it described albeit only in the broadest of terms had to be brought into being Veteran journalist Thomas B Allen brings decades of experience and a gifted storyteller's eye to the long hidden history of how George Washington and the Founders set the federal government into motion **Newsletter**, 1976 Parameters, 1971

This book delves into The Power Of The Presidency Concepts And Controversy. The Power Of The Presidency Concepts And Controversy is a vital topic that needs to be grasped by everyone, ranging from students and scholars to the general public. This book will furnish comprehensive and in-depth insights into The Power Of The Presidency Concepts And Controversy, encompassing both the fundamentals and more intricate discussions.

1. The book is structured into several chapters, namely:
 - Chapter 1: Introduction to The Power Of The Presidency Concepts And Controversy
 - Chapter 2: Essential Elements of The Power Of The Presidency Concepts And Controversy
 - Chapter 3: The Power Of The Presidency Concepts And Controversy in Everyday Life
 - Chapter 4: The Power Of The Presidency Concepts And Controversy in Specific Contexts
 - Chapter 5: Conclusion
 2. In chapter 1, the author will provide an overview of The Power Of The Presidency Concepts And Controversy. The first chapter will explore what The Power Of The Presidency Concepts And Controversy is, why The Power Of The Presidency Concepts And Controversy is vital, and how to effectively learn about The Power Of The Presidency Concepts And Controversy.
 3. In chapter 2, the author will delve into the foundational concepts of The Power Of The Presidency Concepts And Controversy. The second chapter will elucidate the essential principles that need to be understood to grasp The Power Of The Presidency Concepts And Controversy in its entirety.
 4. In chapter 3, the author will examine the practical applications of The Power Of The Presidency Concepts And Controversy in daily life. The third chapter will showcase real-world examples of how The Power Of The Presidency Concepts And Controversy can be effectively utilized in everyday scenarios.
 5. In chapter 4, this book will scrutinize the relevance of The Power Of The Presidency Concepts And Controversy in specific contexts. This chapter will explore how The Power Of The Presidency Concepts And Controversy is applied in specialized fields, such as education, business, and technology.
 6. In chapter 5, the author will draw a conclusion about The Power Of The Presidency Concepts And Controversy. This chapter will summarize the key points that have been discussed throughout the book.
- The book is crafted in an easy-to-understand language and is complemented by engaging illustrations. It is highly recommended for anyone seeking to gain a comprehensive understanding of The Power Of The Presidency Concepts And Controversy.
