at the top for Rush's Geddy Lee, Alex Lifeson and Neil Peart. Though this era begins with the brisk-selling *Roll the Bones* and sees throngs of fans sell out international tours, there is also unimaginable tragedy with Peart losing his daughter and his wife within the space of ten months and two decades later succumbing to cancer himself. In between, however, there is a gorgeous and heartbreaking album of reflection and bereavement as well as a triumphant trip to Brazil, a Rock and Roll Hall of Fame induction and some say surprisingly the band's first full-blown concept album to close an immense career marked by integrity and idealism.
