The Prague Trial The First Anti Zionist Show Trial In The Communist Bloc

Jeffrey Herf

The Prague Trial The First Anti Zionist Show Trial In The Communist Bloc:

The Prague Trial Me'ir Kōtik,1987 An account of the trial in 1952 in which fourteen members of the government and Communist Party elite eleven of them Jews were tried for high treason States that the original intent of the Prague trial was political but it developed into an anti Jewish trial reflecting the Soviet decision to end its support for Israel to attack Zionism and condemn the Jews as Zionist agents Based on material obtained from the Czech historian Karel Kaplan who was the secretary of the commission set up in 1968 to investigate the trial for the Communist Party see his introduction on pp 17 41 on books by the survivors and their relatives and on interviews and press reports Washington Conference on Holocaust-era Assets, November 30-December 3, 1998 J. D. Bindenagel,United States. Department of State,United States Holocaust Memorial Museum,1999 **Bringing the Dark Past to Light** John-Paul Himka,Joanna Beata Michlic,2019-06-12 Despite the Holocaust s profound impact on the history of Eastern Europe the communist regimes successfully repressed public discourse about and memory of this tragedy Since the collapse of communism in 1989 however this has changed Not only has a wealth of archival sources become available but there have also been oral history projects and interviews recording the testimonies of eyewitnesses who experienced the Holocaust as children and young adults Recent political social and cultural developments have facilitated a more nuanced and complex understanding of the continuities and discontinuities in representations of the Holocaust People are beginning to realize the significant role that memory of Holocaust plays in contemporary discussions of national identity in Eastern Europe This volume of original essays explores the memory of the Holocaust and the Jewish past in postcommunist Eastern Europe Devoting space to every postcommunist country the essays in Bringing the Dark Past to Light explore how the memory of the dark pasts of Eastern European nations is being recollected and reworked In addition it examines how this memory shapes the collective identities and the social identity of ethnic and national minorities Memory of the Holocaust has practical implications regarding the current development of national cultures and international relationships **Stalin's Secret Pogrom** Joshua Rubenstein,Vladimir Pavlovich Naumov,2001-01-01 In 1952 15 Soviet Jews were secretly tried and convicted many executions followed in the basement of Moscow s Lubyanka prison This book presents an abridged version of the transcript of the trial revealing the Kremlin s machinery of destruction **Minorities and Law in Czechoslovakia, 1918-1992** Jan Kuklík,René Petráš,2017-05-01 Ethnic minority issues played an important role in the history of Czechoslovakia from 1918 during World War II and in the years immediately following it Czechoslovakia became a model for solving ethnic and minority problems and legal regulations had always played a key role in the status of minorities This book which deals with issues concerning ethnic and language minorities in Czechoslovakia from a long term perspective is primarily intended for foreign readers In recent years ethnic minority issues are once again becoming relevant in Europe and thorough knowledge of earlier problems and solutions may facilitate further examination of the current problems **The Cold War** Spencer C. Tucker,2020-10-27

This sweeping reference work covers every aspect of the Cold War from its ignition in the ashes of World War II through the Berlin Wall and the Cuban Missile Crisis to the collapse of the Soviet Union in 1991. The Cold War superpower face off between the Soviet Union and the United States dominated international affairs in the second half of the 20th century and still reverberates around the world today. This comprehensive and insightful multivolume set provides authoritative entries on all aspects of this world changing event including wars, new military technologies, diplomatic initiatives, espionage activities, important individuals and organizations, economic developments, societal and cultural events, and more. This expansive coverage provides readers with the necessary context to understand the many facets of this complex conflict. The work begins with a preface and introduction and then offers illuminating introductory essays on the origins and course of the Cold War, which are followed by some 1,500 entries on key individuals, wars, battles, weapons, systems, diplomacy, politics, economics, and art and culture. Each entry has cross references and a list of books for further reading. The text includes more than 100 key primary source documents, a detailed chronology, a glossary, and a selective bibliography. Numerous illustrations and maps are inset throughout to provide additional context to the material. *The Dangerous* Otto Katz, Jonathan Miles, 2010-10-26

This biography of the spy who became the inspiration for Casablanca's Victor Laszlo describes his involvement in the Spanish Civil War, Stalin's secret meetings, Trotsky's murder, and the lives of Hollywood celebrities as he sought fame, fortune, and glory. Jews and Leftist Politics Jack Jacobs, 2017-03-24. This volume considers the political implications of Judaism, the relationships of leftists and Jews, contemporary anti-Zionism, and the importance of gender. The Czech Reader Jan Bažant, Nina Bažantová, Frances Starn, 2010-12-13. Frances Starn is a writer living in Berkeley, California. Book Jacket

Israel's Moment Jeffrey Herf, 2022-02-03. Israel's Moment is a major new account of how a Jewish state came to be forged in the shadow of World War Two and the Holocaust and the onset of the Cold War. Drawing on new research in government, public, and private archives, Jeffrey Herf exposes the political realities that underpinned support for and opposition to Zionist aspirations in Palestine. In an unprecedented international account, he explores the role of the United States, the Arab States, the Palestine Arabs, the Zionists, and key European governments from Britain and France to the Soviet Union, Czechoslovakia, and Poland. His findings reveal a spectrum of support and opposition that stood in sharp contrast to the political coordinates that emerged during the Cold War, shedding new light on how and why the state of Israel was established in 1948 and challenging conventional associations of left and right imperialism and anti-imperialism and racism and anti-racism. **The Cold War and Soviet Insecurity** Vojtech Mastny, 1998-10-08. In *The Cold War and Soviet Insecurity*, the long-awaited sequel to his acclaimed work *Russia's Road to the Cold War*, Mastny offers a masterful history of the birth of the Cold War, drawing on extensive research in newly opened Soviet archives. *Russia's Road to the Cold War* provided the definitive portrait of Stalin's foreign policy during World War II. Now in *The Cold War and Soviet Insecurity*, Mastny provides an equally superb account of Stalin's foreign policy during his last years. Combining important new research with the fascinating insight of one

of the leading authorities on Soviet affairs this authoritative volume illuminates a crucial period in recent world history

Stalin's American Spy Tony Sharp, 2014-05-15 Compelling Cold War mystery complete with espionage and double crossing agents this narrative sheds light on McCarthyism and Stalin's purges

From Ambivalence to Betrayal Robert S. Wistrich, 2012-06-01 From Ambivalence to Betrayal is the first study to explore the transformation in attitudes on the Left toward the Jews Zionism and Israel since the origins of European socialism in the 1840s until the present This pathbreaking synthesis reveals a striking continuity in negative stereotypes of Jews contempt for Judaism and negation of Jewish national self determination from the days of Karl Marx to the current left wing intellectual assault on Israel World renowned expert on the history of antisemitism Robert S Wistrich provides not only a powerful analysis of how and why the Left emerged as a spearhead of anti Israel sentiment but also new insights into the wider involvement of Jews in radical movements There are fascinating portraits of Marx Moses Hess Bernard Lazare Rosa Luxemburg Leon Trotsky and other Jewish intellectuals alongside analyses of the darker face of socialist and Communist antisemitism The closing section eloquently exposes the degeneration of leftist anti Zionist critiques into a novel form of anti racist racism

The Last Days of Stalin Joshua Rubenstein, 2016-05-31 A gripping account of the months before and after Joseph Stalin's death and how his demise reshaped the course of twentieth century history Joshua Rubenstein's riveting account takes us back to the second half of 1952 when no one could foresee an end to Joseph Stalin's murderous regime He was poised to challenge the newly elected U S President Dwight Eisenhower with armed force and was also broadening a vicious campaign against Soviet Jews Stalin's sudden collapse and death in March 1953 was as dramatic and mysterious as his life It is no overstatement to say that his passing marked a major turning point in the twentieth century The Last Days of Stalin is an engaging briskly told account of the dictator's final active months the vigil at his deathbed and the unfolding of Soviet and international events in the months after his death Rubenstein throws fresh light on the devious plotting of Beria Malenkov Khrushchev and other comrades in arms who well understood the significance of the dictator's impending death the witness documented events of his death as compared to official published versions Stalin's rumored plans to forcibly exile Soviet Jews the responses of Eisenhower and Secretary of State Dulles to the Kremlin's conciliatory gestures after Stalin's death and the momentous repercussions when Stalin's regime of terror was cut short A fascinating and often chilling reconstruction of the months surrounding the Soviet dictator's death Saul David Evening Standard UK A gripping look at the power struggles after the Red Tsar's death Victor Sebestyen The Sunday Times UK Stalin's death in March 1953 cut short another spasm of blood purges he was planning but triggered only limited Soviet reforms To some Westerners it promised an extended period of peace but others feared it would leave the West even more vulnerable Joshua Rubenstein's lively detailed carefully crafted book chronicles a key twentieth century turning point that didn't entirely turn revealing what difference Stalin's death did and didn't make and why William Taubman author of Khrushchev The Man and His Era

Jews and the Left P. Mendes, 2014-05-20 The historical

involvement of Jews in the political Left is well known but far less attention has been paid to the political and ideological factors which attracted Jews to the Left After the Holocaust and the creation of Israel many lost their faith in universalistic solutions yet lingering links between Jews and the Left continue to exist Czech Law in Historical Contexts Jan Kuklík, 2015 The legal system of the present day Czech Republic would not be understood properly without sufficient knowledge of its historical roots and evolution This book deals with the development of Czech law from its initial origins as a form of Slavic law to its current position reflecting the influence of the legal systems of neighbouring countries and that of Roman law The reader can see how a legal system originally based on custom developed into written and codified law Czech law was fully dependent upon developments within the Luxemburg Jagiellonian and primarily Habsburg monarchies although some features remained autonomous The 20th century is particularly important in the development of the Czech state and law of today namely due to the establishment of an independent Czechoslovakia in 1918 and its split in 1992 giving rise to the independent identities of the Czech Republic and the Slovak Republic It was a century encompassing periods of democratic as well as totalitarian regimes political ideological economic and social changes stemming from such transformations were projected into and reflected in the system of Czechoslovak and Czech law It can therefore serve as a case study for researchers interested in the transition of democratic legal systems into totalitarian regimes and vice versa

In the Trenches: 2004-2005 David A. Harris, 2000 Speeches and writings of David Harris the executive director of the American Jewish Committee these speeches chronicle life of American and world Jewry from 1979 1999 *Three Faces of Antisemitism* Jeffrey Herf, 2023-12-11 Three Faces of Antisemitism examines the three primary forms of antisemitism as they emerged in modern and contemporary Germany and then in other countries The chapters draw on the author's historical scholarship over the years on the form antisemitism assumed on the far right in Weimar and Nazi Germany in the Communist regime in East Germany and in the West German radical left and in Islamist organizations during World War II and the Holocaust and afterward in the Middle East The resurgence of antisemitism since the attacks of September 11 2001 has origins in the ideas events and circumstances in Europe and the Middle East in the half century from the 1920s to the 1970s This book covers the period since 1945 when neo Nazism was on the fringes of Western and world politics and the persistence of antisemitism took place primarily when its leftist and Islamist forms combined antisemitism with anti Zionism in attacks on the state of Israel The collection includes recent essays of commentary that draw attention to the simultaneous presence of antisemitism's three faces While scholarship on the antisemitism of the Nazi regime and the Holocaust remains crucial the scholarly intellectual and political effort to fight antisemitism in our times requires the examination of antisemitism's leftist and Islamist forms as well This book will be of interest to scholars researching antisemitism racism conspiracy theories the far right the far left and Islamism Israelpolitik Lorena De Vita, 2020-09-01 The rapprochement between Germany and Israel in the aftermath of the Holocaust is one of the most striking political developments of the

twentieth century German Chancellor Angela Merkel recently referred to it as a miracle But how did this miracle come about In this book Lorena De Vita traces the contradictions and dilemmas that shaped the making of German Israeli relations at the outset of the global Cold War Examining well known events like the Suez Crisis the Eichmann Trial and the Six Day War the book adopts a pericentric perspective on the Cold War era drawing attention to the actions and experiences of minor players within the confrontation and highlighting the consequences of their political calculations Israelpolitik takes two of the most interesting dimensions of the Cold War the German problem and the Middle East conflict and weaves them together providing a bipolar history of German Israeli relations in the aftermath of the Holocaust Drawing upon sources from both sides of the Iron Curtain and of the Arab Israeli conflict the book offers new insights not only into the early history of German Israeli relations but also into the dynamics of the Cold War competition between the two German states as each attempted to strengthen its position in the Middle East and in the international arena while struggling with the legacy of the Nazi past

Divided Memory Jeffrey Herf, 2013-11-01 A valuable study of how political narratives about the nation's Nazi past differed in East and West Germany The Wall Street Journal A significant new look at the legacy of the Nazi regime this book exposes the workings of past beliefs and political interests on how and how differently the two Germanys recalled the crimes of Nazism from the anti Nazi emigration of the 1930s through the establishment of a day of remembrance for the victims of National Socialism in 1996 Why Jeffrey Herf asks would German politicians raise the specter of the Holocaust at all in view of the considerable support its authors and their agenda had found in Nazi Germany Why did the public memory of Nazi anti Jewish persecution and the Holocaust emerge if selectively in West Germany while it was repressed and marginalized in anti fascist East Germany And how do the politics of left and right come into play in this divided memory The answers reveal the surprising relationship between how the crimes of Nazism were publicly recalled and how East and West Germany separately evolved as a Communist dictatorship and a liberal democracy This book for the first time points to the impact of the Cold War confrontation in both West and East Germany on the public memory of anti Jewish persecution and the Holocaust Konrad Adenauer Theodor Heuss Kurt Schumacher Willy Brandt Richard von Weizsacker and Helmut Kohl in the West and Walter Ulbricht Wilhelm Pieck Otto Grotewohl Paul Merker and Erich Honecker in the East are among the many national figures whose private and public papers and statements Herf examines His work makes the German memory of Nazism suppressed on one hand and selective on the other from Nuremberg to Bitburg comprehensible within the historical context of the ideologies and experiences of pre 1945 German and European history as well as within the international context of shifting alliances from World War II to the Cold War Drawing on West German and East German archives this book is a significant contribution to the history of belief that shaped public memory of Germany's recent past Groundbreaking admirably subjects both East and West to equal scrutiny Forward A masterful book German History

Thank you for reading **The Prague Trial The First Anti Zionist Show Trial In The Communist Bloc**. As you may know, people have search numerous times for their chosen readings like this The Prague Trial The First Anti Zionist Show Trial In The Communist Bloc, but end up in harmful downloads.

Rather than reading a good book with a cup of tea in the afternoon, instead they juggled with some infectious virus inside their desktop computer.
