The Preacher Had Ten Kids:

The Preacher Had 10 Kids Frances Bradsher, 1980 Frances Bradsher happily remembers the joys of life as the youngest in the large family of preacher Jeremiah Taylor Cherry **The Barber's Granddaughter, and a Preacher's Kid** Carolyn O'Neal Douglas, 2012-11-30 In the early eighties fed up with ten years of infidelity from an abusive husband Cece and her five children left Arkansas running for their lives They would soon find that the fast paced California life of drugs gangs ghetto living and prison would be equally as painful as what they left behind Her story is one of survival choices and consequences and finally finding redemption after years of making the wrong choices the only way of life but not a good way and not a good life This is a demonstration that an about face turnaround can be made but only if the desire is sincere The journey of this family witnesses the Amazing Grace saga of generational curses that are bound on earth as they are bound in Heaven Become a part of a mother's conscious desire and need to change the course and quality of her life by aligning her choices with the will of God This is a must read book [The Preacher's Commentary, Complete 35-Volume Set: Genesis - Revelation](#) Leslie C.
