The Preacherman And The God Light:

The Preacherman and the God-Light S. Johnston Miles, 1995-07-01

Daughter of a Preacher Man Anna

Picard, 2011-10-18 This reflection though brutally honest provides insight to the conflicts that face the children of ministers pastors religious clergy deacons and church leaders It challenges fellow Christians to nurture the lives of these children without punishing judgments This work provokes congregants and leaders to nurture preachers kids and provide heartfelt guidance and vigilant prayer It encourages prayer warriors to guard over the hearts of preachers kids The book leads the reader toward self examination and self correction The author makes a noteworthy disclaimer I do not have a license in counseling a degree in psychology or theology I am not an elder or deacon in any church nor do I hold office as a board member on any religious organization I am not a minister pastor or evangelist I am neither an acclaimed author nor an authority of any kind Forgive me if I have misquoted scripture or taken verses out of context However I hope the Bible verses I have quoted throughout this book would not seem preachy but then again I am a preachers daughter I trust that these scriptures will grab at your hearts and soothe your soul wounds I hope they will provide a new perspective and they would be as you have never heard them or thought of them before The author writes from a unique perspective that of a preachers kid I am the voice of a group that is easily misunderstood and even shunned We are the group that should know better Just being born into the subculture of preachers kids we are automatically judged by all the righteous and the unrighteous alike We are expected to by default be good be upright make no mistakes be all things to all men all of the time We are to be mature in all judgments from the moment of birth and on and on it goes Few can comprehend our journey toward our Father on a road less traveled This journey will be enlightening and comforting to all who read it It will bring hope to those who are confused and lost The book although empathetic to all parties makes all accountable for their behaviors toward others and to the Heavenly Father It is with great love and sensitivity that the author leads the reader to finding relationship with Jesus Just for a moment the reader can walk in the shoes of preachers kids with understanding and empathy It brings much needed direction and guidance The author attempts to bridge the gap between all of you and preachers kids It also attempts to reconcile the disconnection between preachers kids and Jesus This work is raw and honest It is a reflection of a lost generation who need to know the true power of redemption and the priceless gift of grace and love

The Mystery of

God's Woman and Her Seed Rev. Stanley Curby, 2009-02-28 This book demonstrates through the full text of the scriptures that women have the same God given rights as men to preach teach and serve in the same offices of the church as men doing everything spiritually that men do according to the leading of the Holy Spirit The apostle Paul wrote And there are diversities of operations but it is the same God who worketh in all But all these worketh that one and the selfsame Spirit dividing to every man severally as He will 1 Cor 12 6 11 It also shows that the opposition against the women that are called to preach and teach the word of God is a calculated plan that is instigated by Satan to prevent them from fulfilling the will of God
