The Critical Role of Parenting in Human Development Marianna S. Klebanov, Adam D. Travis, 2014-07-17 This thorough and multidisciplinary overview of childrearing illustrates and stands on two foundational principles that the importance of parenting is immense and that it is undervalued The Critical Role of Parenting in Human Development surprises readers with the realization that the way we were parented in childhood impacts nearly every aspect of our lives Based in part on cutting edge research using MRI and fMRI technologies demonstrating that the brains of those traumatized in childhood are essentially different the book explains that our brain development during our earliest years and in the womb is fundamental to the lives we lead It covers attachment theory the impact of corporal punishment on the brain the effects of emotional abuse and neglect and the widespread nature of Posttraumatic Stress Disorder describing the process that leads to the transmission of parenting patterns through the generations and explaining how resulting personal issues recur throughout the lifespan The Critical Role of Parenting in Human Development also examines laws and policies that impact parenting in our culture making a case for their importance and describes the effect of childrearing on various aspects of human life including relationships crime and violence economics mental and physical health addiction education and career issues among others Interdisciplinary in nature this book is a much needed resource for professionals and students in the psychology psychotherapy social work and related mental health and child welfare fields

Beyond the Symbiotic Orbit Salman Akhtar, Henri Parens, 2013-05-13 In this tribute to Selma Kramer eminent child analyst and colleague and close friend of the late Margaret Mahler senior analysts explore the continuing relevance of Mahler's separation individuation theory to developmental and clinical issues Editors Salman Akhtar and Henri Parens have grouped the original contributions to Beyond the Symbiotic Orbit into sections that

reevaluate Mahler's theory Section I is a timely reassessment of Mahler's working model from the standpoint of contemporary clinical and research findings It includes comparisons of Mahler with Winnicott and Kohut and commentaries on the status of separation individuation theory in relation to psychosexual theory early ego development and observational infancy research Section II addresses the contribution of separation individuation theory to our understanding of pathogenesis Neurosis severe character pathology psychosomatic phenomena eating disorders and sexual perversions are among the topics of specific chapters The final section explores the role of separation individuation theory in the treatment of analysands of different ages and with different kinds of psychopathology it also considers separation individuation theory with respect to specific aspects of the treatment process including reconstruction transference and termination A fresh reappraisal of a major perspective on early development Beyond the Symbiotic Orbit is a fitting testimonial to Selma Kramer who has played so important a role in elaborating Mahler's theory Following from Kramer's own example the contributors show how separation individuation theory in its ability to accommodate ongoing clinical and research findings is subject to continuing growth and refinement They not only advance our understanding of Mahler's working model but pursue the implications of this model in new directions underscoring the many areas of exploration that separation individuation theory opens to us

National Library of Medicine Current Catalog National Library of Medicine (U.S.), 1988 **Covering** Kenji Yoshino, 2011-11-02 A lyrical memoir that identifies the pressure to conform as a hidden threat to our civil rights drawing on the author's life as a gay Asian American man and his career as an acclaimed legal scholar Kenji Yoshino offers his personal search for authenticity as an encouragement for everyone to think deeply about the ways in which all of us have covered our true selves We really do feel newly inspired The New York Times Book Review Everyone covers To cover is to downplay a disfavored trait so as to blend into the mainstream Because all of us possess stigmatized attributes we all encounter pressure to cover in our daily lives Racial minorities are pressed to act white by changing their names languages or cultural practices Women are told to play like men at work Gays are asked not to engage in public displays of same sex affection The devout are instructed to minimize expressions of faith and individuals with disabilities are urged to conceal the paraphernalia that permit them to function Given its pervasiveness we may experience this pressure to be a simple fact of social life Against conventional understanding Kenji Yoshino argues that the work of American civil rights law will not be complete until it attends to the harms of coerced conformity Though we have come to some consensus against penalizing people for differences based on race sex sexual orientation religion and disability we still routinely deny equal treatment to people who refuse to downplay differences along these lines At the same time Yoshino is responsive to the American exasperation with identity politics which often seems like an endless parade of groups asking for state and social solicitude He observes that the ubiquity of covering provides an opportunity to lift civil rights into a higher more universal register Since we all

experience the covering demand we can all make common cause around a new civil rights paradigm based on our desire for authenticity a desire that brings us together rather than driving us apart Praise for *Covering Yoshino* argues convincingly in this book part luminous moving memoir part cogent level headed treatise that covering is going to become more and more a civil rights issue as the nation and the nation's courts struggle with an increasingly multiethnic America San Francisco Chronicle A remarkable debut Yoshino's sense of justice is pragmatic and infectious Time Out New York

Writing Desire Bertram Cohler, 2007-05-15 Exploring nearly sixty years of memoir and autobiography *Writing Desire* examines the changing identity of gay men writing within a historical context Distinguished scholar and psychoanalyst Bertram J Cohler has carefully selected a diverse group of ten men including historians activists journalists poets performance artists and bloggers whose life writing evokes the evolution of gay life in twentieth century America By contrasting the personal experience of these disparate writers Cohler illustrates the social transformations that these men helped shape Among Cohler's diverse subjects is Alan Helms whose journey from Indiana to New York's gay society represents the passage of men who came of age in the 1950s and 1960s when homosexuality was considered a hidden disease The liberating effects of Stonewall's aftermath are chronicled in the life of Arnie Kantrowitz the prototypical activist for gay rights in the 1970s and the founder the Gay and Lesbian Alliance against Defamation The artistic works of Tim Miller and Mark Doty evoke loss and shock during of the early stages of the AIDS epidemic in the 1980s Cohler rounds out this collective group portrait by looking at the newest generation of writers in the Internet age via the blog of BrYaN who did the previously unthinkable he outed himself to millions of people A compelling mix of social history and personal biography *Writing Desire* distills the experience of three generations of gay America Finalist LGBT Studies Lambda Literary Foundation

Psychological Undercurrents of History Henry Lawton, Jerry S. Piven, 2001 *Psychological Undercurrents of History* gathers together salient works of scholarship which endeavor to interpret the madness and imagination of our past from ancient religion to the Holocaust to Millennialism and Apocalyptic violence

Re-Viewing British Cinema, 1900-1992 Wheeler Winston Dixon, 1994-07-01 *Re-Viewing British Cinema 1900-1992* is a collection of essays on British cinema history and practice It offers both the casual reader and the film scholar a different view of British filmmaking during the past century Arranged in chronological order the book explores those areas of British cinema that have not been fully examined in other works and also offers fresh interpretations of a number of classic films From the work of Frederic Villiers the pioneering British newsreel cameraman who at the turn of the century brought home images of battlefield carnage to essays on the British B film and the long forgotten Independent Frame method of film production to new readings of classics such as *The Red Shoes* *Passport to Pimlico* and *Peeping Tom* the authors offer a look behind the scenes of the British film industry and engage the reader in some of the most compelling interpretational and historical issues of recent film history and critical theory In addition the volume contains a number of interviews with such key directors as Stephen Frears Terence Davies Wendy Toye and Lindsay

Anderson and also pays particular attention to the work of early twentieth century British feminist filmmakers whose films have often been ignored by conventional film theory and history It also offers new material on the British film noir the English horror film and the pioneering gay director Brian Desmond Hurst Taken as a whole this book presents an entirely new series of viewpoints on British film practice theory and reception and affords a fresh and vibrant view of the British film medium
