The Presence Of God What Is God Like:

The Presence Of God Ashish Raichur, 2021-06-01 This book is essentially a study from God's Word concerning the glorious presence of God. The objective is to present what the Scriptures reveal about the presence of God so that believers will be inspired and motivated to seek God and hunger for more of His presence. Soak in God's Word and invite His presence into your life. Expect to experience His presence as you pursue Him. Hunger and thirst for more of His presence. To be in His presence simply means to be in a place where you are seeking His face; you are face to face with God. Get together with other believers and seek the Lord and His presence corporately. Nothing on earth can be compared to being with Him and experiencing His presence. Watch our online Sunday Church service live stream every Sunday at 10:30am Indian Time GMT 5:30. Miles, Sebastian Brock, and Nichola Sakharov. Offering glimpses of the prayer life and witness that undergirds theological endeavour, some authors approach the topic in a deeply personal way while others express the unity of prayer and the theologian in a traditionally scholarly manner. No matter what the denomination of the Christian theologian, Greek or Russian Orthodox, Roman Catholic, Anglican, Methodist, authors demonstrate that the discipline of theology cannot properly be practiced apart from the prayer life of the theologian. The prayer of the theologian shapes her or his approach to theology. Whether it be preaching, teaching, writing or research, the deep soundings of prayer inform and embrace all. **The Presence of God** R.T. Kendall, 2017-08-01 Honor, glorify and love God by learning to dwell in His presence. R.T. Kendall invites you to discover what it means to be in the presence of God. You will discover why God might at times withhold a sense of His presence while at other times you might experience an acute sense of awe or reverence of God that drives you to your knees in prayer, leads you into spontaneous worship of Him or brings about healing and other miracles. Kendall teaches you how to develop a sensitivity to His presence so your love for Him and relationship with Him will deepen and grow.

Osborne, 2020-09-24 The concept of blessing pervades the everyday life of Christians from testimonies recounting God's provision to praise songs to wishing someone well In fact the term has been so integrated into Christian language that it is rarely considered thoughtfully In the pages of Scripture blessing seems to be either physical or spiritual but a fuller biblical theological approach reveals that God's blessing has always been both spiritual and physical In *Divine Blessing and the Fullness of Life in the Presence of God* William Osborne traces the theme of blessing throughout Scripture as he guides readers into a deeper understanding of how God's gracious benevolence impacts the everyday lives of Christians *The Practice of the Presence of God* Brother Lawrence of the Resurrection OCD, 1994-12-13 The only English translation of the French critical edition this volume includes a general introduction bibliography and testimonies about Brother Lawrence by those who knew him With 5 photos and illustrations More Information The third centenary of the death of Brother Lawrence of the Resurrection inspired the Belgian Discalced Carmelite Conrad De Meester to present this new critical edition of Brother Lawrence's classic on the Practice of the Presence of God including all of his letters maxims and conversations This book also contains a detailed general introduction to the life and works of Brother Lawrence as well as the testimonies of his biographer Christian Ethical Implications of the Presence of the Kingdom as God's Performative Action in the Light of Speech Act Theory Anna Cho , 2019 This book presents a novel Biblical ethical hermeneutic approach that emerges from an understanding of the presence of the kingdom of God in the Biblical text The approach is predicated upon the use of speech act theory abbreviated as SAT in relation to kingdom language in the Biblical text The approach shows how the notion of kingdom language as God's divine activity is elicited in the contemporary Christian's life by allowing it to operate beyond the world of the Biblical text In other words this approach establishes a Biblical ethical hermeneutic bridge between the text and its context and the context of contemporary readers of the text The alternative linguistic epistemology in SAT considers the principle of the kingdom of God in the past locution level the present illocutionary level and the future perlocutionary level The dynamic equivalences of the past present and future of the kingdom of God based on an SAT approach to the Biblical text can inform Christian ethical theory and moral action in the present world It can also provide a new moral sensibility in relation to God's sovereignty and the responsibility of Christians in contemporary society *Increasing the Presence of God*

Practicing Ministry in the Presence of God John Jefferson Davis, 2015-07-13 Practicing Ministry in the Presence of God presents a new paradigm for church ministry, one that is based on fundamental truths of the Christian faith such as the Trinity, union with Christ, and the already presence of the Holy Spirit in the church. This new paradigm can help busy pastors avoid burnout in the ministry and model Trinitarian New Testament patterns of ministry to their people. Practicing Ministry in the Presence of God reflects the best of recent New Testament scholarship, sensitivity to the contexts of globalized postmodern cultures, dominated by digital media, and practical applications for Christian life, discipleship, worship, and mission.

Working in the Presence of God Denise Daniels, Shannon Vandewarker, 2021-10-05 How do we invite God into our everyday lives? Working in the Presence of God discusses the incorporation of spiritual disciplines into the ordinary rhythms of everyday experience. God is already present and active, so by becoming aware of workday rhythms and focusing on where various spiritual practices might be implemented in our jobs, we can be transformed into Christ's likeness through our work. We often think of spiritual practices as preparation for our regular lives in comfortable spaces and ideal settings; we set aside time to hear from God. But what if we can engage in these practices in the midst of our regular lives and particularly at work? This transformation takes place when we surrender our working lives to God, begin to hear his voice, accept his pleasure, and allow his guidance at work. The spiritual practices outlined in the book include: The Liturgy of Commute, Workplace as Holy Ground, Surrendering the Calendar, Reading Scripture in Your Workspace, Affirmation of Calling, Gratitude for God's Blessing, and Celebrating Success at Work, Confession at Work, Lamenting Work Solitude, Working in God's Presence, Prayer of Examen for Work, Sabbath Ceasing from Work.
