

The Presidency Of Martin Van Buren American Presidency Series

Michael Genovese

The Presidency Of Martin Van Buren American Presidency Series:

The Presidency of Martin Van Buren Major L. Wilson, 1984 Martin Van Buren eighth president of the United States has been judged harshly by some historians as a politician by trade and a spoilsman without principles a little magician who was interested only in his own advancement This volume provides a thorough recounting of the events and decisions of Van Buren's White House years 1837-1841 and adds to the positive reappraisal of Van Buren as an able statesman and effective chief executive Wilson stresses that Van Buren faced the major problems of his presidency with courage and consistency and that he brought repose to a nation wrenched both by sectional differences and by the violent fluctuations of economic expansion and contraction Wilson discusses Van Buren's close relationship with Andrew Jackson and substantially qualifies the persistent interpretation of the Van Buren presidency as the third term of Jackson Van Buren a pragmatic Jeffersonian with a statesmanlike concern for order reversed Jackson's priorities Wilson describes how Van Buren resolved the crisis with Mexico and succeeded in keeping peace with Britain at a time when incidents arising out of rebellion in Canada and the disputed Maine boundary might have precipitated war The most distinctive contribution of this volume is its in depth analysis of the economic and political aspects of Van Buren's domestic policy especially the Independent Treasury the issue that gave basic shape to his entire presidency Jackson had divorced the Treasury from the national bank Van Buren took one further step and rendered the operations of the Treasury independent of the state banks as well By the end of his term debate on the issues of currency and enterprise had brought the second party system in the U S to maturity In 1840 Van Buren's views in this area would cost him reelection This study sheds lights on a turbulent period in American history and contributes to our understanding of Martin Van Buren's achievements He kept the nation out of war reduced sectional tensions and established the basis for a fiscal policy which he believed would bring greater stability to economic development **Martin Van Buren** Ted Widmer, 2005 Martin Van Buren Ted Widmer, 2005-01-05 The first president born after America's independence ushers in a new era of no holds barred democracy The first professional politician to become president the slick and dandyish Martin Van Buren was to all appearances the opposite of his predecessor the rugged general and Democratic champion Andrew Jackson Van Buren a native Dutch speaker was America's first ethnic president as well as the first New Yorker to hold the office at a time when Manhattan was bursting with new arrivals A sharp and adroit political operator he established himself as a powerhouse in New York becoming a U S senator secretary of state and vice president under Jackson whose election he managed His ascendancy to the Oval Office was virtually a foregone conclusion Once he had the reins of power however Van Buren found the road quite a bit rougher His attempts to find a middle ground on the most pressing issues of his day such as the growing regional conflict over slavery eroded his effectiveness But it was his inability to prevent the great banking panic of 1837 and the ensuing depression that all but ensured his fall from grace and made him the third president to be denied a second term His many years of outfoxing his opponents finally caught up with him Ted Widmer a veteran of

the Clinton White House vividly brings to life the chaos and contention that plagued Van Buren's presidency and ultimately offered an early lesson in the power of democracy. Widmer Young America paints a brief but elegant portrait of our eighth president who Widmer says created the modern political party system for which he deserves our grudging respect. Publishers Weekly

The Executive Branch of Federal Government Brian R. Dirck, 2007-07-27 This volume gives students, professors, and the general public a single comprehensive source on the key themes in the historical development of the presidency from America's founding era through the presidency of George W. Bush. How has the role of the president changed since George Washington? How does the president interact with Congress? The courts? The states? Other nations? These are just a few of the overarching questions addressed in this volume. In ABC-CLIO's About Federal Government set devoted to the president and the executive branch he manages. The Executive Branch of the Federal Government provides a brief history of the presidency, then looks at the constitutional powers of the office, the day-to-day functions of the federal bureaucracy, general elections, and presidential relationships with Congress and the courts. But perhaps most compelling are the insights into the officeholders themselves, the individuals who have served as president, each fashioning a term reflective of his own personality.

The American Presidency Sidney M. Milkis, Michael Nelson, 2021-12-22 The American Presidency examines the constitutional foundation of the executive office and the social, economic, political, and international forces that have reshaped it, along with the influence individual presidents have had. Authors Sidney Milkis and Michael Nelson look at each presidency broadly, focusing on how individual presidents have sought to navigate the complex and ever-changing terrain of the executive office and revealing the major developments that launched a modern presidency at the dawn of the twentieth century. By connecting presidential conduct to the defining eras of American history and the larger context of politics and government in the United States, this award-winning book offers perspective and insight on the limitations and possibilities of presidential power.

Martin Van Buren Steven Wallace, 2021-01-13 Martin Van Buren: A Fascinating Biography of the 8th United States President showcases the life and political career of a man who championed for the expansion of voting rights and would later overcome an attempt to rig the Presidential election by the opposing party to take his place in American history. In his continuing series on American presidents, Steven Wallace presents the lifelong biography of the patriotic eighth President of the United States. Before the Panic of 1837, the second worst depression in American history, poisoned his career and term as president, Martin Van Buren was a passionate politician who hoped to move America forward. Born just six years after the founding of the United States, Martin Van Buren seemed destined for politics. Known throughout his career as "Little Van" for his short stature, his impact on America was certainly not minimal. From the age of fourteen, the democratic Van Buren began a political career as an apprentice. He would later go on to fulfill several positions, including senator for New York state, a brief stint as Governor, Andrew Jackson's Secretary of State, and eventually President. His incredible life also led him to become directly involved in intriguing events such as the War of 1812 and the Petticoat Affair. Enjoy this concise and

interesting biography about the eighth President of the United States whose impressive political career was overshadowed by the second worst depression in the nation's history [Chronology of the U.S. Presidency](#) Mathew Manweller,2012-03-19

This engaging and authoritative four volume resource offers fascinating portrayals of the 44 men who have achieved the ultimate seat of power in the United States the presidency From George Washington to Barack Obama *Chronology of the U S Presidency* portrays each of the nation's chief executives in richly observed detail Chapter by chapter we meet the real flesh and blood men occupying the one office elected by the entire country the office that most profoundly affects the workings of the government U S relations with other countries and the everyday lives of all American citizens Spanning four volumes this work covers each president's early life and rise to power the pivotal events during his presidency and when applicable his post presidential life In addition the book includes sections on the First Ladies and presidential families plus primary source documents speeches memos messages to Congress and entertaining FYI facts for example once bitter rivals John Adams and Thomas Jefferson died hours apart on the 50th anniversary of the Declaration of Independence they helped create together More than just names and dates history *Chronology of the U S Presidency* helps readers understand the ways each of these intriguing men changed the country and how he in turn was impacted by his time in power *Encyclopedia of the American Presidency, Fourth Edition* Michael Genovese,2021-04-01 Praise for the first edition An altogether excellent introduction to the study of the presidency of the United States Library Journal entries are well written an excellent addition American Reference Books Annual an excellent resource recommended Booklist Highly recommended Choice The most up to date reference of its kind *Encyclopedia of the American Presidency Fourth Edition* is the definitive guide to the role of the president from the American Revolution through the present day Offering a complete account of the presidency in U S history this A to Z encyclopedia will make a great first stop for students and general readers looking for information on the executive branch of the American government Its comprehensive scope spans the relationship between the executive and the other branches of government court cases elections political opponents scandals and more A valuable resource that provides concise information *Encyclopedia of the American Presidency Fourth Edition* contains more than 750 entries Entries include Bully pulpit Commander in chief Economic policy Executive privilege Kamala Harris Impeachment Iraq War Thomas Jefferson Middle East Military tribunals New Deal Oval Office Franklin D Roosevelt Situation room Donald Trump Veto power War powers Watergate White House and more *A History of the President's Cabinet* Mary Louise Hinsdale,1911 [Martin Van Buren](#) Mike Venezia,2005-09 A biography of Martin Van Buren eighth president of the United States **The Upcoming Insignificance of the American Presidency** Wilbur C. Rich,2023-12-15 This new text analyzes the development of the presidency as the dominant political institution in the United States and raises questions about its future relevance In this history of the U S executive branch from the framing of the Constitution to the Biden administration author Wilbur C Rich illuminates the transformation of the presidential role by a variety of extra constitutional non legal forces technology and

social changes The book highlights how some presidents nevertheless have managed to maintain relevancy and dominance by adapting to these changes or by introducing changes of their own For undergraduate students and researchers of presidential history and American political development this expansive historical overview of the executive branch in America makes a strong case that the significance of the American presidency has declined dramatically and perhaps irrevocably in the modern presidency

U.S. Presidency (ENHANCED eBook) Tim McNeese, 2001-09-01 The U S Presidency traces the complicated evolution of the American presidency from 1789 to the present From George Washington to George W Bush the distinct legacies and unique contributions of all 43 American presidents are discussed Using a biographical format special emphasis is given to the powerful convergence of personality and circumstance which transformed the office of our nation s chief executive into the most prominent and influential political office in the world Challenging review questions encourage meaningful reflection and historical analysis Tests answer key and bibliography included

The American Presidents Ranked by Performance, 1789-2012, 2d ed. Charles F. Faber, Richard B. Faber, 2014-01-10 This is a revision and an updating of the first edition published in 2000 Presidents from Washington to Obama not included are William Henry Harrison and James A Garfield because of very short terms are rated in five categories Foreign Relations Domestic Programs Administration and Intergovernmental Relations Leadership and Decision Making and Presidential Comportment Each president is evaluated on his effectiveness in each area and a final analysis is provided for the scores combined The presidents are then ranked overall The most overrated and underrated chief executives are identified Each entry includes biographical and political information as well as an analysis of their overall behavior and status

The Development of the American Presidency Richard J. Ellis, 2015-06-26 A full understanding of the institution of the American presidency requires us to examine how it developed from the founding to the present This developmental lens analyzing how historical turns have shaped the modern institution allows for a richer more nuanced understanding beyond the current newspaper headlines The Development of the American Presidency pays great attention to that historical weight but is organized by the topics and concepts relevant to political science with the constitutional origins and political development of the presidency its central focus Through comprehensive and in depth coverage this text looks at how the presidency has evolved in relation to the public to Congress to the Executive branch and to the law showing at every step how different aspects of the presidency have followed distinct trajectories of change All the while Ellis illustrates the institutional relationships and tensions through stories about particular individuals and specific political conflicts Ellis s own classroom pedagogy of promoting active learning and critical thinking is well reflected in these pages Each chapter begins with a narrative account of some illustrative puzzle that brings to life a central concept A wealth of photos figures and tables allow for the visual presentations of concepts A companion website not only acts as a further resources base directing students to primary documents newspapers and data sources but also presents interactive timelines and practice quizzes to help students master the book s

lessons The second edition a new chapter on unilateral powers that brings greater attention to domestic policymaking

The American Presidency, 2017-01-01 The American Presidency updated for 2017 provides a rich journey through U S history Meet the occupants of the nation s highest office from George Washington to Donald Trump Each presidential summary includes a detailed biography the president s signature his vice president s a profile of the first lady and a timeline Coverage of the recent 2016 presidential election and information describing the Cabinet the White House election results the presidential flag and the presidential seal history are also included *Historical Dictionary of the U.S. Presidency* Richard S. Conley, 2015-12-14 This book covers the development of the presidential office within the context of constitutional interpretations of presidential power and socio political and economic developments as well as foreign affairs events from 1789 2015 It provides details on the men who have held the office and biographies of vice presidents unsuccessful candidates for the office and noteworthy Supreme Court and other appointees The Historical Dictionary of the U S Presidency contains a chronology an introduction appendixes and an extensive bibliography The dictionary section has over 300 cross referenced entries on the development of the institution of the presidency and details the personalities domestic and foreign policy governing contexts elections party dynamics and significant events that have shaped the office from the Founding to the present day This book is an excellent resource for students researchers and anyone wanting to know more about the U S Presidency **Reassessing the Presidency** David Gordon, Thomas J. DiLorenzo, Thomas E. Woods, Jr, Yuri N. Maltsev, Ralph Raico, Paul Gottfried, Hans-Hermann Hoppe, 2013-09-19 American Despots Amazing low sale price in defense of authentic freedom as versus the presidency that betrayed it Everyone seems to agree that brutal dictators and despotic rulers deserve scorn and worse But why have historians been so willing to overlook the despotic actions of the United States own presidents You can scour libraries from one end to the other and encounter precious few criticisms of America s worst despots The founders imagined that the president would be a collegial leader with precious little power who constantly faced the threat of impeachment Today however the president orders thousands of young men and women to danger and death in foreign lands rubber stamps regulations that throw enterprises into upheaval controls the composition of the powerful Federal Reserve and manages the priorities millions of swarms of bureaucrats that vex the citizenry in every way It is not too much of a stretch to say that the president embodies the Leviathan state as we know it Or more precisely it is not an individual president so much as the very institution of the presidency that has been the major impediment of liberty The presidency as the founders imagined it has been displaced by democratically ratified serial despotism And for that reason it must be stopped Every American president seems to strive to make the historians A list by doing big and dramatic things wars occupations massive programs tyrannies large and small in hopes of being considered among the greats such as Lincoln Wilson and FDR They always imagine themselves as honored by future generations the worse their crimes the more the accolades Well the free ride ends with Reassessing the Presidency The Rise of the Executive State and the Decline of

Freedom edited by John Denson This remarkable volume 825 pages including index and bibliography is the first full scale revision of the official history of the U S executive state It traces the progression of power exercised by American presidents from the early American Republic up to the eventual reality of the power hungry Caesars which later appear as president in American history Contributors examine the usual judgments of the historical profession to show the ugly side of supposed presidential greatness The mission inherent in this undertaking is to determine how the presidency degenerated into the office of American Caesar Did the character of the man who held the office corrupt it or did the power of the office as it evolved corrupt the man Or was it a combination of the two Was there too much latent power in the original creation of the office as the Anti Federalists claimed Or was the power externally created and added to the position by corrupt or misguided men There s never been a better guide to everything awful about American presidents No you won t get the civics text approach of see no evil Essay after essay details depredations that will shock you and wonder how American liberty could have ever survived in light of the rule of these people Contributors include George Bittlingmayer John V Denson Marshall L DeRosa Thomas J DiLorenzo Lowell Gallaway Richard M Gamble David Gordon Paul Gottfried Randall G Holcombe Hans Hermann Hoppe Jeffrey Rogers Hummel Michael Levin Yuri N Maltsev William Marina Ralph Raico Joseph Salerno Barry Simpson Joseph Stromberg H Arthur Scott Trask Richard Vedder and Clyde Wilson American Political Leaders, Third Edition Richard Wilson, 2021-10-01 Praise for previous editions accessible this book is an excellent addition to collections serving general readers high schools and undergraduates American Reference Books Annual This readable volume is recommended for high school public and undergraduate libraries Booklist an outstanding reference tool Biographical dictionaries abound in political science as in other fields but Wilson s work is more accessible benefitting from his straightforward approach and simpler organization Highly recommended Choice Recommended Library Media Connection an authoritative and readable guide serves as a helpful resource for high school college and public libraries Christian Library Journal American Political Leaders Third Edition contains 286 biographical profiles of men and women in the United States who have demonstrated their political leadership primarily by being elected nominated or appointed to significant political offices in the United States or by having attained some special prominence associated with political leadership This reference work provides students and general readers with a concise readable guide to present and past leaders in U S politics Included in this book are presidents vice presidents major party candidates for president significant third party candidates important Supreme Court justices Speakers of the U S House of Representatives senators representatives cabinet officers significant agency heads and diplomats Since much of U S political leadership involves the representation of successive waves of new groups within the U S political system special care has been taken to include the contributions of women Native Americans African Americans Hispanic Americans Asian Americans and Americans who represented earlier waves of immigrants to the United States Profiles include John Adams president vice president diplomat Revolutionary leader author

Amy Coney Barrett justice of the Supreme Court Pete Buttigieg secretary of transportation candidate for president Andrew Cuomo governor of New York Jefferson Davis secretary of war senator representative president of the Confederate States of America Kamala Harris senator vice president John Lewis civil rights activist representative Gavin Newsom governor of California Barack Obama senator president Sonia Sotomayor associate justice of the Supreme Court Elizabeth Warren senator candidate for president *American Poverty* Woody Klein,2013-01-01 Analyzes efforts to eliminate poverty during each U S president s administration from George Washington to Barack Obama looking at why no president has been able to end poverty and challenges each has faced in his quest to do so **Annual Report of the President and Directors of the Corn and Flour Exchange of the City of Baltimore ...** Chamber of Commerce of Metropolitan Baltimore,1914

The book delves into The Presidency Of Martin Van Buren American Presidency Series. The book will furnish comprehensive and in-depth insights into The Presidency Of Martin Van Buren American Presidency Series, encompassing both the fundamentals and more intricate discussions.

1. The book is structured into several chapters, namely:
 - Chapter 1: Introduction to The Presidency Of Martin Van Buren American Presidency Series
 - Chapter 2: Essential Elements of The Presidency Of Martin Van Buren American Presidency Series
 - Chapter 3: The Presidency Of Martin Van Buren American Presidency Series in Everyday Life
 - Chapter 4: The Presidency Of Martin Van Buren American Presidency Series in Specific Contexts
 - Chapter 5: Conclusion
 2. In chapter 1, this book will provide an overview of The Presidency Of Martin Van Buren American Presidency Series. This chapter will explore what The Presidency Of Martin Van Buren American Presidency Series is, why The Presidency Of Martin Van Buren American Presidency Series is vital, and how to effectively learn about The Presidency Of Martin Van Buren American Presidency Series.
 3. In chapter 2, this book will delve into the foundational concepts of The Presidency Of Martin Van Buren American Presidency Series. This chapter will elucidate the essential principles that must be understood to grasp The Presidency Of Martin Van Buren American Presidency Series in its entirety.
 4. In chapter 3, the author will examine the practical applications of The Presidency Of Martin Van Buren American Presidency Series in daily life. This chapter will showcase real-world examples of how The Presidency Of Martin Van Buren American Presidency Series can be effectively utilized in everyday scenarios.
 5. In chapter 4, the author will scrutinize the relevance of The Presidency Of Martin Van Buren American Presidency Series in specific contexts. This chapter will explore how The Presidency Of Martin Van Buren American Presidency Series is applied in specialized fields, such as education, business, and technology.
 6. In chapter 5, this book will draw a conclusion about The Presidency Of Martin Van Buren American Presidency Series. This chapter will summarize the key points that have been discussed throughout the book.
- This book is crafted in an easy-to-understand language and is complemented by engaging illustrations. It is highly recommended for anyone seeking to gain a comprehensive understanding of The Presidency Of Martin Van Buren American Presidency Series.

The Presidency Of Martin Van Buren American Presidency Series Introduction

In today's digital age, the availability of The Presidency Of Martin Van Buren American Presidency Series books and manuals for download has revolutionized the way we access information. Gone are the days of physically flipping through pages and

carrying heavy textbooks or manuals. With just a few clicks, we can now access a wealth of knowledge from the comfort of our own homes or on the go. This article will explore the advantages of The Presidency Of Martin Van Buren American Presidency Series books and manuals for download, along with some popular platforms that offer these resources. One of the significant advantages of The Presidency Of Martin Van Buren American Presidency Series books and manuals for download is the cost-saving aspect. Traditional books and manuals can be costly, especially if you need to purchase several of them for educational or professional purposes. By accessing The Presidency Of Martin Van Buren American Presidency Series versions, you eliminate the need to spend money on physical copies. This not only saves you money but also reduces the environmental impact associated with book production and transportation. Furthermore, The Presidency Of Martin Van Buren American Presidency Series books and manuals for download are incredibly convenient. With just a computer or smartphone and an internet connection, you can access a vast library of resources on any subject imaginable. Whether you're a student looking for textbooks, a professional seeking industry-specific manuals, or someone interested in self-improvement, these digital resources provide an efficient and accessible means of acquiring knowledge. Moreover, PDF books and manuals offer a range of benefits compared to other digital formats. PDF files are designed to retain their formatting regardless of the device used to open them. This ensures that the content appears exactly as intended by the author, with no loss of formatting or missing graphics. Additionally, PDF files can be easily annotated, bookmarked, and searched for specific terms, making them highly practical for studying or referencing. When it comes to accessing The Presidency Of Martin Van Buren American Presidency Series books and manuals, several platforms offer an extensive collection of resources. One such platform is Project Gutenberg, a nonprofit organization that provides over 60,000 free eBooks. These books are primarily in the public domain, meaning they can be freely distributed and downloaded. Project Gutenberg offers a wide range of classic literature, making it an excellent resource for literature enthusiasts. Another popular platform for The Presidency Of Martin Van Buren American Presidency Series books and manuals is Open Library. Open Library is an initiative of the Internet Archive, a non-profit organization dedicated to digitizing cultural artifacts and making them accessible to the public. Open Library hosts millions of books, including both public domain works and contemporary titles. It also allows users to borrow digital copies of certain books for a limited period, similar to a library lending system. Additionally, many universities and educational institutions have their own digital libraries that provide free access to PDF books and manuals. These libraries often offer academic texts, research papers, and technical manuals, making them invaluable resources for students and researchers. Some notable examples include MIT OpenCourseWare, which offers free access to course materials from the Massachusetts Institute of Technology, and the Digital Public Library of America, which provides a vast collection of digitized books and historical documents. In conclusion, The Presidency Of Martin Van Buren American Presidency Series books and manuals for download have transformed the way we access information. They provide a cost-effective and convenient means of acquiring

knowledge, offering the ability to access a vast library of resources at our fingertips. With platforms like Project Gutenberg, Open Library, and various digital libraries offered by educational institutions, we have access to an ever-expanding collection of books and manuals. Whether for educational, professional, or personal purposes, these digital resources serve as valuable tools for continuous learning and self-improvement. So why not take advantage of the vast world of The Presidency Of Martin Van Buren American Presidency Series books and manuals for download and embark on your journey of knowledge?

FAQs About The Presidency Of Martin Van Buren American Presidency Series Books

How do I know which eBook platform is the best for me? Finding the best eBook platform depends on your reading preferences and device compatibility. Research different platforms, read user reviews, and explore their features before making a choice. Are free eBooks of good quality? Yes, many reputable platforms offer high-quality free eBooks, including classics and public domain works. However, make sure to verify the source to ensure the eBook credibility. Can I read eBooks without an eReader? Absolutely! Most eBook platforms offer web-based readers or mobile apps that allow you to read eBooks on your computer, tablet, or smartphone. How do I avoid digital eye strain while reading eBooks? To prevent digital eye strain, take regular breaks, adjust the font size and background color, and ensure proper lighting while reading eBooks. What the advantage of interactive eBooks? Interactive eBooks incorporate multimedia elements, quizzes, and activities, enhancing the reader engagement and providing a more immersive learning experience. The Presidency Of Martin Van Buren American Presidency Series is one of the best book in our library for free trial. We provide copy of The Presidency Of Martin Van Buren American Presidency Series in digital format, so the resources that you find are reliable. There are also many Ebooks of related with The Presidency Of Martin Van Buren American Presidency Series. Where to download The Presidency Of Martin Van Buren American Presidency Series online for free? Are you looking for The Presidency Of Martin Van Buren American Presidency Series PDF? This is definitely going to save you time and cash in something you should think about.
