

The American Vice Presidency Reconsidered

JOHN C. BARNES, JR.

The Presidency Reconsidered

Kathryn D. Tenpas

The Presidency Reconsidered:

Congress Reconsidered Lawrence C. Dodd, Bruce I. Oppenheimer, Ruth Bloch Rubin, C. Lawrence Evans, 2025-01-28 Since its first edition *Congress Reconsidered* was designed to make available the best contemporary work from leading congressional scholars in a form that is both challenging and accessible to undergraduates. With their Thirteenth Edition Lawrence C. Dodd, Bruce I. Oppenheimer, and C. Lawrence Evans, and now Ruth Bloch Rubin from the University of Chicago, continue this tradition as their contributors focus on how various aspects of Congress have changed over time. With a strong focus to the historical development of political institutions in their role in preserving democratic government, this bestselling volume remains on the cutting edge with key insights into the workings of Congress. *The Presidency Reconsidered* Richard W. Waterman, 1993

The Battle Of New Orleans Reconsidered Curtis Manning, 2014-12-12 The Battle of New Orleans Reconsidered arose organically from the rich heritage of St. Bernard Parish, Louisiana. The same land that was witness to the Battle of New Orleans would also spawn a unique and vibrant culture known for close-knit families, good food, refineries, and the activities centered around the bountiful wetlands. Academic cultural offerings were rare when the Nunez History Lecture Series began in 2001. Some folks at Nunez Community College, the only institution of higher education in the Parish, decided to tell the stories of the people of St. Bernard and Louisiana, hoping that a handful of others might also be interested. After 14 seasons of over 100 lectures and an average attendance of over 100 people, the Lecture Series is still finding new stories to tell. A natural outgrowth of the Lecture Series was to feature a more detailed treatment of the second most important historical event in St. Bernard Parish history: the Battle of New Orleans. And the College was the natural place since the battlefield was in sight of the campus on a clear day. However, the plans for the first Symposium were delayed by a few years when the most important historical event in St. Bernard Parish history, Hurricane Katrina, left six feet of water across the Nunez campus and up to seventeen feet of water across the rest of the Parish. By January of 2013, the first Battle of New Orleans Historical Symposium was held at the College with the audience likely sitting in the exact spot that soldiers mustered for the Battle. Once the Symposium became established and successful, the only nagging problem was the ephemeral nature of the knowledge being created. With some of the most passionate and knowledgeable speakers in the nation, it just seemed natural to expand and preserve the great information being presented. So in a labor of love, many of the top lecturers agreed to put pen to paper and tell the story of the Battle of New Orleans in greater detail. The result is *The Battle of New Orleans Reconsidered*.

George Washington Reconsidered Don Higginbotham, 2001 George Washington, heroic general of the Revolution, master of Mount Vernon, and first president of the United States, remains the most enigmatic figure of the founding generation, with historians and the public at large still arguing over the strengths of his character and the nature of his intellectual and political contributions to the early republic. Representing the finest recent scholarship on Washington, these thirteen essays by the leading scholars in the field strike a balance between Washington's personal life and

character and his public life as a soldier and political figure Editor Don Higginbotham provides an introduction about Washington and his treatment by historians and an afterword devoted to how the American people have viewed Washington including the 1999 commemorations of the bicentennial of his death With three essays written specifically for this volume *George Washington Reconsidered* is the first collection of its kind to be published in over thirty years

Conventional Wisdom and American Elections Jody C Baumgartner, Peter L. Francia, 2019-11-12 During every election cycle political observers generate a seemingly limitless supply of theories opinions and predictions Unfortunately many of these assertions oversimplify complex subjects or overhype the latest political fads Inevitably some misinformation becomes part of the conventional wisdom about American elections The objective of *Conventional Wisdom and American Elections Exploding Myths Exploring Misconceptions* is to bring clarity to several of these subjects For example it is now commonplace for commentators to emphasize the negative tactics and practices of the campaigns of presidential candidates In 2016 some commentators suggested that the presidential campaign was the nastiest ever with the campaigns of President Donald Trump Hillary Clinton and their supporters going to new extremes of negativity However these claims are not new Dating as far back as the presidential election of 1800 critics of Thomas Jefferson stated that his potential victory would bring about legal prostitution and the burning of the Bible In 1824 opponents of Andrew Jackson charged that he was a murderer and that his wife was a bigamist Perhaps most scurrilous of all Jackson's opponents even accused his dead mother of being a prostitute In total *Conventional Wisdom and American Elections* identifies eleven widely held myths and misconceptions about elections in the United States The conclusions drawn throughout the book are based on the most current political science research In some instances the literature is clear in debunking popular myths about American elections On other issues research findings are more mixed In either case *Conventional Wisdom and American Elections* clarifies the issues so that readers can discern between those in which scholars have largely resolved and those in which honest debate remains

Brezhnev Reconsidered E. Bacon, M. Sandle, 2002-10-11 Leonid Brezhnev was leader of the Soviet Union for almost two decades when it was at the height of its powers This book is a long overdue reappraisal of Brezhnev the man and the system over which he ruled By incorporating much of the new material available in Russian it challenges the received wisdom about the Brezhnev years and provides a fascinating insight into the life and times of one of the twentieth century's most neglected political leaders

The American Vice Presidency Reconsidered Jody C. Baumgartner, 2006-07-30 Since 1960 the office of the vice presidency of the United States has evolved into a fundamentally different institution than the one the founders envisioned attracting better qualified aspirants who may be called upon to perform a variety of important tasks This book offers a corrective to the overwhelmingly negative view that Americans have had of their vice presidents by demonstrating how the role has changed over time In addition Baumgartner examines those who were candidates for vice president but who were not elected The book is organized thematically according to the career path of the vice president from the selection process through

campaign and nomination to election service in office and post White House contributions John Adams famously called the vice presidency the most insignificant office that ever the invention of man contrived or his imagination conceived Harry Truman called it about as useful as a cow's fifth teat How things have changed in a world where many consider Vice President Dick Cheney the most powerful figure in the current administration Since 1960 the office of the vice presidency of the United States has evolved into a fundamentally different institution than the one the founders envisioned attracting better qualified aspirants who may be called upon to perform a variety of important tasks No longer a ceremonial figurehead or legislative drudge the vice president today consults closely with the president and plays an important role in executive decisions Those who are chosen as running mates are examined more thoroughly than ever before not merely for the boost they might give the presidential candidate in the general election but also for the kind of president they might be if fate called upon them to serve In a book that is as readable as it is fascinating Baumgartner offers a corrective to the overwhelmingly negative view Americans have had of their vice presidents by demonstrating how the role has changed over time Setting the stage with a visit to the Constitutional Convention and a brief look at pre modern vice presidents he examines the 19 men and one woman who have been vice presidents or candidates for the office since 1960 His insightful book is organized thematically according to the career path of the vice president from the selection process through the campaign and nomination to election service in office and post White House contributions

Reconsidering Reagan

Daniel S. Lucks, 2020-08-04 2021 Prose Award Finalist A long overdue and sober examination of President Ronald Reagan's racist politics that continue to harm communities today and helped shape the modern conservative movement Ronald Reagan is hailed as a transformative president and an American icon but within his twentieth century politics lies a racial legacy that is rarely discussed Both political parties point to Reagan as the right kind of conservative but fail to acknowledge his political attacks on people of color prior to and during his presidency Reconsidering Reagan corrects that narrative and reveals how his views policies and actions were devastating for Black Americans and racial minorities and that the effects continue to resonate today Using research from previously untapped resources including the Black press which critically covered Reagan's entire political career Daniel S Lucks traces Reagan's gradual embrace of conservatism his opposition to landmark civil rights legislation his coziness with segregationists and his skill in tapping into white anxiety about race riding a wave of white backlash all the way to the Presidency He argues that Reagan has the worst civil rights record of any President since the 1920s including supporting South African apartheid packing courts with conservatives targeting laws prohibiting discrimination in education and housing and launching the War on Drugs which had cataclysmic consequences on the lives of Black and Brown people Linking the past to the present Lucks expertly examines how Reagan set the blueprint for President Trump and proves that he is not an anomaly but in fact the logical successor to bring back the racially tumultuous America that Reagan conceptualized

The American Liberal Tradition Reconsidered Mark Hulliung, 2010 Eight prominent

scholars consider whether Louis Hartz's interpretation of liberalism in his classic 1955 book should be repudiated or updated and whether a study of America as a liberal society is still a rewarding undertaking **Reconsidering Woodrow Wilson** Woodrow Wilson International Center for Scholars, 2008-09-30 Some of today's premier experts on Woodrow Wilson contribute to this new collection of essays about the former statesman portraying him as a complex even paradoxical president *Reconsidering Woodrow Wilson* reveals a person who was at once an international idealist a structural reformer of the nation's economy and a policy maker who was simultaneously accommodating indifferent resistant and hostile to racial and gender reform Wilson's progressivism is discussed in chapters by biographer John Milton Cooper and historians Trygve Throntveit and W Elliot Brownlee Wilson's philosophy about race and nation is taken up by Gary Gerstle and his gender politics discussed by Victoria Bissel Brown The seeds of Wilsonianism are considered in chapters by Mark T Gilderhus on Wilson's Latin American diplomacy and war Geoffrey R Stone on Wilson's suppression of seditious speech and Lloyd Ambrosius on entry into World War I Emily S Rosenberg and Frank Ninkovich explore the impact of Wilson's internationalism on capitalism and diplomacy Martin Walker sets out the echoes of Wilson's themes in the cold war and Anne Marie Slaughter suggests how Wilson might view the promotion of liberal democracy today These essays were originally written for a celebration of Wilson's 150th birthday sponsored by the official national memorial to Wilson the Woodrow Wilson International Center for Scholars in collaboration with the Woodrow Wilson House That daylong symposium examined some of the most important and controversial areas of Wilson's political life and presidency **Emerging from the Shadows** Richard M. Yon, 2024-02-01 Although once derided as an insignificant office the vice presidency in the last forty years has witnessed an increase in stature prominence and influence *Emerging from the Shadows* focuses on explaining variation in vice presidential influence over time with an assumption that all vice presidents in the modern era have the capacity to exercise influence This study is the first of its kind to ascertain the true nature of vice presidential influence and the consequences of changing interpersonal situational institutional and electoral dynamics on that influence using in depth interviews and archival research These four dynamics as Richard M Yon demonstrates provide a model by which to understand the fluidity of vice presidential influence which in turn enables more precise analysis of the vice presidencies of Nelson Rockefeller Walter Mondale George H W Bush Dan Quayle Al Gore Dick Cheney and Joe Biden **Reconsidering the Democratic Public** George E. Marcus, Russell L. Hanson, 2010-11-01 [Speech ... against the motion to reconsider the vote by which the bill to repeal the bankrupt act passed the House of Representatives. Delivered on Thursday the 19th of January, 1843](#) Garrett DAVIS, 1843 *Reconsidering American Political Thought* Saladin Ambar, 2019-11-11 Filling in the missing spaces left by traditional textbooks on American political thought *Reconsidering American Political Thought* uses race gender and ethnicity as a lens through which to engage ongoing debates on American values and intellectual traditions Weaving document based texts analysis with short excerpts from classics in American literature this book presents a re

examination of the political and intellectual debates of consequence throughout American history Purposely beginning the story in 1619 Saladin Ambar reassesses the religious political and social histories of the colonial period in American history Thereafter Ambar moves through the story of America with each chapter focusing on a different era in American history up to the present day Ambar threads together analysis of periods including Thomas Jefferson s aspiration to create an Empire of Liberty the ethnic racial and gender based discourse instrumental in creating a Yankee industrial state between 1877 and 1932 and the intellectual cultural and social forces that led to the political rise of Ronald Reagan and Barack Obama in recent decades In closing Ambar assesses the prospects for a new more invigorated political thought and discourse to reshape and redirect national energies and identity in the Trump presidency

Reconsidering American Political Thought presents a broad and subjective view about critical arguments in American political thought giving future generations of students and lecturers alike an inclusive understanding of how to teach research study and think about American political thought

Reconsidering the Insular Cases Gerald L. Neuman, Tomiko Brown-Nagin, 2015-05-25 Over a century ago the United States Supreme Court decided the Insular Cases which limited the applicability of constitutional rights in Puerto Rico and other overseas territories Essays in Reconsidering the Insular Cases examine the history and legacy of these cases and explore possible solutions for the dilemmas they created

Reconsidering the East Asian Peace William R. Thompson, Thomas J. Volgy, 2024-08-01 This volume re examines the notion of the East Asian peace arguing that it requires updating for the current and near future context of US Chinese rivalry The East Asian peace refers to the remarkable change in conflict levels in eastern Eurasia over the past 80 years or even the past 130 years or so Prior to the late 1970s East Asia was regarded as the most conflictual region on the planet Although insurgencies have continued in places such as Myanmar Thailand and the Philippines after the 1980s East and Southeast Asia became one of the world s least conflictual regions Geopolitics and economic development worked hand in hand to reduce conflict in the region and in this respect the East Asian peace has been a confluent peace The general problem with a confluent peace is that the factors that shape it evolve over time and the specific circumstances in question seem to be evolving in a different direction with East Asia shaping up to be the most central locale of the contest between US and Chinese hegemony both regionally and perhaps globally This book argues that the idea of the East Asian peace now requires adjustment to the current and near future context The more general arguments presented here focus on alternative interpretations of how regional peace and order should be interpreted while the more specific arguments involve interpretations of Chinese and other countries behavior in the context of the heightened rivalry between China and the United States This book will be of much interest to students of East Asian politics peace studies foreign policy and international relations

The American President William Edward Leuchtenburg, 2015 The American President is an enthralling account of American presidential actions from the assassination of William McKinley in 1901 to Bill Clinton s last night in office in January 2001 William Leuchtenburg one of the great

presidential historians of the century portrays each of the presidents in a chronicle sparkling with anecdote and wit Leuchtenburg offers a nuanced assessment of their conduct in office preoccupations and temperament His book presents countless moments of high drama FDR hurling defiance at the economic royalists who exploited the poor ratcheting tension for JFK as Soviet vessels approach an American naval blockade a grievously wounded Reagan joking with nurses while fighting for his life This book charts the enormous growth of presidential power from its lowly state in the late nineteenth century to the imperial presidency of the twentieth That striking change was manifested both at home in periods of progressive reform and abroad notably in two world wars Vietnam and the war on terror Leuchtenburg sheds light on presidents battling with contradictory forces Caught between maintaining their reputation and executing their goals many practiced deceits that shape their image today But he also reveals how the country's leaders pulled off magnificent achievements worthy of the nation's pride Now with a preface new to the paperback edition *The American President* provides a timely reflection on the office that has shaped and continues to shape the destiny of the United States and its people

Reconsidering the American Way of War Antulio J. Echevarria II, 2014-05-28 Challenging several longstanding notions about the American way of war this book examines US strategic and operational practice from 1775 to 2014 It surveys all major US wars from the War of Independence to the campaigns in Iraq and Afghanistan as well as most smaller US conflicts to determine what patterns if any existed in American uses of force Contrary to many popular sentiments Echevarria finds that the American way of war is not astrategic apolitical or defined by the use of overwhelming force Instead the American way of war was driven more by political considerations than military ones and the amount of force employed was rarely overwhelming or decisive Echevarria discovers that most conceptions of American strategic culture fail to hold up to scrutiny and that US operational practice has been closer to military science than to military art This book should be of interest to military practitioners and policymakers students and scholars of military history and security studies and general readers interested in military history and the future of military power

Good Advice Daniel E. Ponder, 2000 The U S president has to make difficult important and very public decisions every day We don't expect one person to be an expert in all the areas in which the president has to make decisions So how do presidents do it They rely on their staffs to give information and advice Good Advice is a systematic study of Jimmy Carter's reign and those who advised him Daniel E Ponder discusses the president's policies the advisors behind each and how much of that advice ultimately became incorporated into the president's official proposals The book's central thesis is that although presidents have tended to centralize policy making authority in the White House staff the dynamics of staff participation and consequent policy success vary from issue to issue consistent with a theoretical framework Ponder calls staff shift Ponder further analyzes how presidents decide whose advice to take and whose to ignore and the politics behind those decisions Ponder examines each of the three major roles of staff advisory policy directors facilitators and monitors and discusses a successful and unsuccessful

policy in each He focuses on the six policy areas of education youth employment welfare reform energy national health insurance and civil service reform Ponder draws from myriad theoretical and methodological traditions to construct a sophisticated foundation upon which his analysis builds His development of theoretical insights backed with exhaustive documentation contribute to a deeper understanding of the nature of the presidency in its organizational and institutional environments For those interested in presidential studies and American politics this innovative study takes you into the Oval Office as it explains the process from information and advice giving to policy making in the presidency Presidents as Candidates Kathryn D. Tenpas, 2021-12-12 First published in 1998 Presidents as Candidates offers a truly unique treatment of the White House role in the re election efforts of contemporary presidents since 1956 Throughout the volume Kathryn Tenpas compares and contrasts these eight re election efforts from Eisenhower through Clinton She considers the many unique differences and similarities of each White House led effort As with any good study she considers the multitude of political institutional and policy factors domestic economic and international that affect the strategies and decisions made She then develops a typology of three standard types of campaigns victorious defeated and takeover that proves useful in understanding the re election efforts

The book delves into The Presidency Reconsidered. The Presidency Reconsidered is an essential topic that must be grasped by everyone, from students and scholars to the general public. This book will furnish comprehensive and in-depth insights into The Presidency Reconsidered, encompassing both the fundamentals and more intricate discussions.

1. The book is structured into several chapters, namely:

- Chapter 1: Introduction to The Presidency Reconsidered
- Chapter 2: Essential Elements of The Presidency Reconsidered
- Chapter 3: The Presidency Reconsidered in Everyday Life
- Chapter 4: The Presidency Reconsidered in Specific Contexts
- Chapter 5: Conclusion

2. In chapter 1, the author will provide an overview of The Presidency Reconsidered. The first chapter will explore what The Presidency Reconsidered is, why The Presidency Reconsidered is vital, and how to effectively learn about The Presidency Reconsidered.
3. In chapter 2, the author will delve into the foundational concepts of The Presidency Reconsidered. This chapter will elucidate the essential principles that must be understood to grasp The Presidency Reconsidered in its entirety.
4. In chapter 3, this book will examine the practical applications of The Presidency Reconsidered in daily life. This chapter will showcase real-world examples of how The Presidency Reconsidered can be effectively utilized in everyday scenarios.
5. In chapter 4, the author will scrutinize the relevance of The Presidency Reconsidered in specific contexts. The fourth chapter will explore how The Presidency Reconsidered is applied in specialized fields, such as education, business, and technology.
6. In chapter 5, this book will draw a conclusion about The Presidency Reconsidered. This chapter will summarize the key points that have been discussed throughout the book.

This book is crafted in an easy-to-understand language and is complemented by engaging illustrations. It is highly recommended for anyone seeking to gain a comprehensive understanding of The Presidency Reconsidered.

The Presidency Reconsidered Introduction

Free PDF Books and Manuals for Download: Unlocking Knowledge at Your Fingertips In today's fast-paced digital age, obtaining valuable knowledge has become easier than ever. Thanks to the internet, a vast array of books and manuals are now available for free download in PDF format. Whether you are a student, professional, or simply an avid reader, this treasure trove of downloadable resources offers a wealth of information, conveniently accessible anytime, anywhere. The advent of online libraries and platforms dedicated to sharing knowledge has revolutionized the way we consume information. No longer confined to physical libraries or bookstores, readers can now access an extensive collection of digital books and

manuals with just a few clicks. These resources, available in PDF, Microsoft Word, and PowerPoint formats, cater to a wide range of interests, including literature, technology, science, history, and much more. One notable platform where you can explore and download free The Presidency Reconsidered PDF books and manuals is the internet's largest free library. Hosted online, this catalog compiles a vast assortment of documents, making it a veritable goldmine of knowledge. With its easy-to-use website interface and customizable PDF generator, this platform offers a user-friendly experience, allowing individuals to effortlessly navigate and access the information they seek. The availability of free PDF books and manuals on this platform demonstrates its commitment to democratizing education and empowering individuals with the tools needed to succeed in their chosen fields. It allows anyone, regardless of their background or financial limitations, to expand their horizons and gain insights from experts in various disciplines. One of the most significant advantages of downloading PDF books and manuals lies in their portability. Unlike physical copies, digital books can be stored and carried on a single device, such as a tablet or smartphone, saving valuable space and weight. This convenience makes it possible for readers to have their entire library at their fingertips, whether they are commuting, traveling, or simply enjoying a lazy afternoon at home. Additionally, digital files are easily searchable, enabling readers to locate specific information within seconds. With a few keystrokes, users can search for keywords, topics, or phrases, making research and finding relevant information a breeze. This efficiency saves time and effort, streamlining the learning process and allowing individuals to focus on extracting the information they need. Furthermore, the availability of free PDF books and manuals fosters a culture of continuous learning. By removing financial barriers, more people can access educational resources and pursue lifelong learning, contributing to personal growth and professional development. This democratization of knowledge promotes intellectual curiosity and empowers individuals to become lifelong learners, promoting progress and innovation in various fields. It is worth noting that while accessing free The Presidency Reconsidered PDF books and manuals is convenient and cost-effective, it is vital to respect copyright laws and intellectual property rights. Platforms offering free downloads often operate within legal boundaries, ensuring that the materials they provide are either in the public domain or authorized for distribution. By adhering to copyright laws, users can enjoy the benefits of free access to knowledge while supporting the authors and publishers who make these resources available. In conclusion, the availability of The Presidency Reconsidered free PDF books and manuals for download has revolutionized the way we access and consume knowledge. With just a few clicks, individuals can explore a vast collection of resources across different disciplines, all free of charge. This accessibility empowers individuals to become lifelong learners, contributing to personal growth, professional development, and the advancement of society as a whole. So why not unlock a world of knowledge today? Start exploring the vast sea of free PDF books and manuals waiting to be discovered right at your fingertips.

FAQs About The Presidency Reconsidered Books

How do I know which eBook platform is the best for me? Finding the best eBook platform depends on your reading preferences and device compatibility. Research different platforms, read user reviews, and explore their features before making a choice. Are free eBooks of good quality? Yes, many reputable platforms offer high-quality free eBooks, including classics and public domain works. However, make sure to verify the source to ensure the eBook credibility. Can I read eBooks without an eReader? Absolutely! Most eBook platforms offer webbased readers or mobile apps that allow you to read eBooks on your computer, tablet, or smartphone. How do I avoid digital eye strain while reading eBooks? To prevent digital eye strain, take regular breaks, adjust the font size and background color, and ensure proper lighting while reading eBooks. What the advantage of interactive eBooks? Interactive eBooks incorporate multimedia elements, quizzes, and activities, enhancing the reader engagement and providing a more immersive learning experience. The Presidency Reconsidered is one of the best book in our library for free trial. We provide copy of The Presidency Reconsidered in digital format, so the resources that you find are reliable. There are also many Ebooks of related with The Presidency Reconsidered. Where to download The Presidency Reconsidered online for free? Are you looking for The Presidency Reconsidered PDF? This is definitely going to save you time and cash in something you should think about. If you trying to find then search around for online. Without a doubt there are numerous these available and many of them have the freedom. However without doubt you receive whatever you purchase. An alternate way to get ideas is always to check another The Presidency Reconsidered. This method for see exactly what may be included and adopt these ideas to your book. This site will almost certainly help you save time and effort, money and stress. If you are looking for free books then you really should consider finding to assist you try this. Several of The Presidency Reconsidered are for sale to free while some are payable. If you arent sure if the books you would like to download works with for usage along with your computer, it is possible to download free trials. The free guides make it easy for someone to free access online library for download books to your device. You can get free download on free trial for lots of books categories. Our library is the biggest of these that have literally hundreds of thousands of different products categories represented. You will also see that there are specific sites catered to different product types or categories, brands or niches related with The Presidency Reconsidered. So depending on what exactly you are searching, you will be able to choose e books to suit your own need. Need to access completely for Campbell Biology Seventh Edition book? Access Ebook without any digging. And by having access to our ebook online or by storing it on your computer, you have convenient answers with The Presidency Reconsidered To get started finding The Presidency Reconsidered, you are right to find our website which has a comprehensive collection of books online. Our library is the biggest of these that have literally hundreds of thousands of different products represented. You will also see that there are specific sites catered to different categories or niches related with The Presidency Reconsidered So depending on what exactly you are searching, you will be

able to choose ebook to suit your own need. Thank you for reading The Presidency Reconsidered. Maybe you have knowledge that, people have search numerous times for their favorite readings like this The Presidency Reconsidered, but end up in harmful downloads. Rather than reading a good book with a cup of coffee in the afternoon, instead they juggled with some harmful bugs inside their laptop. The Presidency Reconsidered is available in our book collection and online access to it is set as public so you can download it instantly. Our digital library spans in multiple locations, allowing you to get the most less latency time to download any of our books like this one. Merely said, The Presidency Reconsidered is universally compatible with any devices to read.
