

The Carter Presidency 1977-1981

The Press And The Carter Presidency

Gary L. Rose

The Press And The Carter Presidency:

The Press And The Carter Presidency Mark J Rozell, 2019-08-14 This study is a revision of my doctoral dissertation written at the University of Virginia As a student of the American presidency I became interested in how presidential leadership is defined analyzed and assessed Students of the presidency spend a great deal of time studying leadership theory and debating the merits of different measures of leadership success These students draw inspiration for their ideas from noted presidency scholars such as Edward S Corwin Clinton Rossiter and Richard Neustadt **The Carter Presidency** John Dumbrell, 1995 With its associated images of the Iranian hostage crisis the presidency of Jimmy Carter from 1977 to 1981 is often regarded as a nadir in modern American national leadership In this re evaluation John Dumbrell looks at Carter s years in the White House from a post cold war perspective and argues that Carter was neither incompetent nor lacking in a compassionate vision The Press and the Modern Presidency Louis W. Liebovich, 2001-06-30 Scandal and sex sell even in the serious business of presidential news coverage The media deference shown to Kennedy and the scrutiny applied to Clinton illustrate the changed relation between the two and bookend this pertinent updated 1998 Choice Outstanding Academic Book award winner Liebovich tackles misconceptions about the media s role in politics how chief executives cooperate with and manipulate the press as it suits their needs and how ratings pressures have bent coverage of elections and the Executive Branch for the worse Well written thorough and the only book to explore the changing relation between the press and the presidency in the later twentieth century students and researchers alike will profit from reading this work written by one of America s leading scholars in the field For students interested in communications history or contemporary American politics it is an unparalleled administration by administration introduction to the complex and intertwined workings of two of the most powerful and influential forces at work in American politics today It furthermore provides researchers with a solid historical explanation of how both presidential politics and political news coverage have come to be popularly reviled and discounted *The Carter Presidency* Gary M. Fink, Hugh Davis Graham, 1998 After the Nixon and Ford administrations liberal Democrats hoped Jimmy Carter s election in 1976 would restore the New Deal agenda in the White House Instead during four tumultuous years in office Carter endorsed many of the fiscal and economic policies later espoused by his Republican successor Ronald Reagan But Carter also backed most New Deal social programs and however reluctantly pursued a traditional containment foreign policy In this book more than a dozen eminent scholars provide a balanced overview of key elements of Carter s presidency examining the significance of his administration within the context of evolving American policy choices after World War II They seek not only to understand the troubled Carter presidency but also to identify the changes that precipitated and accompanied the demise of the New Deal order By the time Carter took office many Americans had become disenchanted with big government and welfare spending and his presidency is viewed in these pages as a transitional administration As this volume demonstrates Carter s dilemma emerged from his effort to steer a

course between traditional expectations of federal government and new political and economic realities While most of the contributors agree that his administration may be justly criticized for failing to find that course they generally conclude that Carter was more successful than his critics acknowledge These thirteen original essays cover such topics as the economy trade and industrial policies welfare reform energy environment civil rights feminism and foreign policy They offer thoughtful assessments of Carter s performance focusing on policy both as cause and effect of the post industrial transformation of American society that shadowed his administration A final essay shows how Carter s public spirited post presidential career has made him one of America s greatest ex presidents Grounded on research conducted at the Carter Library The Carter Presidency is an incisive reassessment of an isolated Democratic administration from the vantage point of twenty years It is a milestone in the historical appraisal of that administration inviting us to take a new look at Jimmy Carter and see what his presidency represented for a dramatically changing America *Jimmy Carter and the Horn of Africa* Donna R.

Jackson,2015-02-12 When Jimmy Carter ascended to the U S presidency in 1977 he stepped into an office still struggling with the aftermath of the Vietnam War and the Watergate scandal As president he had to administer his foreign policy and fight the Cold War within the limits imposed by both With the option of traditional military recourse essentially closed to Carter he redirected American foreign policy to challenge the Soviet Union on a moral level emphasizing regionalism and human rights A careful examination of his policy shows that his approach was similar in other parts of the world Particularly representative were his actions in Ethiopia and Somalia This analysis of President Carter s foreign policy in the Horn of Africa demonstrates Carter s consistent approach to foreign affairs throughout his administration It follows the president s deliberate designing of his overall policy and his attempt to regain for the presidency the trust and confidence of the American people It discusses the ways in which this policy dealt with such issues as human rights abuses Cold War concerns including a strong Communist bloc presence and the violation of international law Finally the book examines the changes that occurred at the end of Carter s administration and the corresponding changes in policy but not in motivation **The Carter Presidency and Gay Rights**

Harris Dousemetzis,2024-07-25 Examining a significant and largely unexplored aspect of Jimmy Carter s presidency 1977 1981 Harris Dousemetzis radically revises the current understanding of this critical period in American political history By using a wealth of previously unpublished archival material along with personal interviews with 43 prominent gay rights activists of the time and 12 senior Carter White House aides this book documents what actually happened during Carter s presidency regarding the development and recognition of gay rights and the efforts of the evangelical right to prevent social reform Investigating the full range of government actions taken and policies implemented Carter s personal commitment and support for the movement as well as the role of activists in bringing about change this is a significant and original contribution to knowledge about Carter s presidency the gay rights movement and American political development Dousemetzis situates Carter s presidency in its rightful place as a crucial stage in one of the most dynamic areas of change in

recent American politics and political culture Features a Foreword by Stuart Eizenstat and an Afterword by Lilian Faderman

A Companion to Gerald R. Ford and Jimmy Carter Scott Kaufman, 2015-12-21 With 30 historiographical essays by established and rising scholars this Companion is a comprehensive picture of the presidencies and legacies of Gerald Ford and Jimmy Carter Examines important national and international events during the 1970s as well as presidential initiatives crises and legislation Discusses the biography of each man before entering the White House his legacy and work after leaving office and the lives of Betty Ford Rosalynn Carter and their families Covers key themes and issues including Watergate and the pardon of Richard Nixon the Vietnam War neoconservatism and the rise of the New Right and the Iran hostage crisis Incorporates presidential diplomatic military economic social and cultural history Uses the most recent research and newly released documents from the two Presidential Libraries and the State Department

Why Presidents Fail Richard M. Pious, 2008-07-25 Presidents are surrounded by political strategists and White House counsel who presumably know enough to avoid making the same mistakes as their predecessors Why then do the same kinds of presidential failures occur over and over again Why Presidents Fail answers this question by examining presidential fiascos quagmires and risky business the kind of failure that led President Kennedy to groan after the Bay of Pigs invasion How could I have been so stupid In this book Richard M Pious looks at nine cases that have become defining events in presidencies from Dwight D Eisenhower and the U 2 Flights to George W Bush and Iraqi WMDs He uses these cases to draw generalizations about presidential power authority rationality and legitimacy And he raises questions about the limits of presidential decision making many of which fly in the face of the conventional wisdom about the modern presidency

The Department of State Bulletin, 2010

The Presidential Image Iwan Morgan, Mark White, 2020-04-02 Presidential Image has become an integral part of the campaign presidency and legacy of Modern American presidents Across the 20th century to the age of Trump presidential image has dominated media coverage and public consciousness winning elections gaining support for their leadership in office and shaping their reputation in history Is the creation of the presidential image part of a carefully conceived public relations strategy or result of the president's critics and opponents Can the way the media interpret a president's actions and words alter their image And how much influence do cultural outputs contribute to the construction of a presidential image Using ten presidential case studies this edited collection features contributions from scholars and political journalists from the UK and America to analyse aspects of Presidential Image that shaped their perceived effectiveness as America's leader and to explore this complex controversial and continuous element of modern presidential politics

The Presidents vs. the Press Harold Holzer, 2021-08-24 An award winning presidential historian offers an authoritative account of American presidents attacks on our freedom of the press including a new foreword chronicling the end of the Trump presidency The FAKE NEWS media Donald Trump has tweeted is not my enemy it is the enemy of the American People Has our free press ever faced as great a threat Perhaps not but the tension between presidents and

journalists is as old as the republic itself Every president has been convinced of his own honesty and transparency every reporter who has covered the White House beat has believed with equal fervency that his or her journalistic rigor protects the country from danger Our first president George Washington was also the first to grouse about his treatment in the newspapers although he kept his complaints private Subsequent chiefs like John Adams Abraham Lincoln Woodrow Wilson and Barack Obama were not so reticent going so far as to wield executive power to overturn press freedoms and even to prosecute journalists Theodore Roosevelt was the first president to actively manage the stable of reporters who followed him doling out information steering coverage and squashing stories that interfered with his agenda It was a strategy that galvanized TR s public support but the lesson was lost on Woodrow Wilson who never accepted reporters into his inner circle Franklin Roosevelt transformed media relations forever holding more than a thousand presidential press conferences and harnessing the new power of radio at times bypassing the press altogether John F Kennedy excelled on television and charmed reporters to hide his personal life while Richard Nixon was the first to cast the press as a public enemy From the days of newsprint and pamphlets to the rise of Facebook and Twitter each president has harnessed the media whether intentional or not to imprint his own character on the office In this remarkable new history acclaimed scholar Harold Holzer examines the dual rise of the American presidency and the media that shaped it From Washington to Trump he chronicles the disputes and distrust between these core institutions that define the United States of America revealing that the essence of their confrontation is built into the fabric of the nation

The Presidency and the Middle Kingdom Michael P.

Riccards,2000-01-01 In this book Michael Riccards renowned scholar of the American presidency focuses his study on the vagaries of presidential leadership between nations Tracing the history of the often difficult and contentious diplomatic relations between the United States and China Riccards describes and analyzes various meetings and interactions He concludes that war and trade necessities intimately bound the histories of both nations often in spite of their individual rhetoric and initiatives Students and scholars whose focus is the points of contact between U S and Asian history will find this book essential reading

Historical Dictionary of the U.S. Presidency Richard S. Conley,2015-12-14 This book covers the development of the presidential office within the context of constitutional interpretations of presidential power and socio political and economic developments as well as foreign affairs events from 1789 2015 It provides details on the men who have held the office and biographies of vice presidents unsuccessful candidates for the office and noteworthy Supreme Court and other appointees The Historical Dictionary of the U S Presidency contains a chronology an introduction appendixes and an extensive bibliography The dictionary section has over 300 cross referenced entries on the development of the institution of the presidency and details the personalities domestic and foreign policy governing contexts elections party dynamics and significant events that have shaped the office from the Founding to the present day This book is an excellent resource for students researchers and anyone wanting to know more about the U S Presidency

The Press, Presidents, and Crises

Brigitte Lebens Nacos,1990 *Rosalynn Carter* Scott Kaufman,2007 A portrait of an ambitious brilliant and hardworking woman It details the many roles Rosalynn played in support of President Jimmy Carter and also documents the ambivalence of the American public to some of her activities *Historical Dictionary of the Civil Rights Movement* Christopher M. Richardson,Ralph E. Luker,2014-06-11 The fiftieth anniversary of many major milestones in what is commonly called the African American Civil Rights Movement was celebrated in 2013 Fifty years removed from the Birmingham campaign the assassination of Medgar Evers and the March on Washington and it is clear that the sacrifices borne by those generations in that decade were not in vain Monuments museums and exhibitions across the world honor the men and women of the Movement and testify to their immeasurable role in redefining the United States The second edition of *Historical Dictionary of the Civil Rights Movement* is a guide to the history of the African American struggle for equal rights in the United States The history of this period is covered in a detailed chronology an introductory essay and an extensive bibliography The dictionary section has over 500 cross referenced entries on important personalities significant legal cases local struggles forgotten heroes and prominent women in the Movement This book is an excellent access point for students researchers and anyone wanting to know more about the Civil Rights Movement *The Handbook of Rhetoric and Public Address* Shawn J. Parry-Giles,J. Michael Hogan,2010-05-10 *The Handbook of Rhetoric and Public Address* is a state of the art companion to the field that showcases both the historical traditions and the future possibilities for public address scholarship in the twenty first century Focuses on public address as both a subject matter and a critical perspective Mindful of the connections between the study of public address and the history of ideas Provides an historical overview of public address research and pedagogy as well as a reassessment of contemporary public address scholarship by those most engaged in its practice Includes in depth discussions of basic issues and controversies public address scholarship Explores the relationship between the study of public address and contemporary issues of civic engagement and democratic citizenship Reflects the diversity of views among public address scholars advancing on going discussions and debates over the goals and character of rhetorical scholarship *Jimmy Carter and the Birth of the Marathon Media Campaign* Amber Roessner,2020-05-20 With the rise of Jimmy Carter a former Georgia governor and a relative newcomer to national politics the 1976 presidential election proved a transformative moment in U S history heralding a change in terms of how candidates run for public office and how the news media cover their campaigns Amber Roessner s *Jimmy Carter and the Birth of the Marathon Media Campaign* chronicles a change in the negotiation of political image craft and the role it played in Carter s meteoric rise to the presidency She contends that Carter s underdog victory signaled a transition from an older form of party politics focused on issues and platforms to a newer brand of personality politics driven by the manufacture of a political image Roessner offers a new perspective on the production and consumption of media images of the peanut farmer from Plains who became the thirty ninth president of the United States Carter s miraculous win transpired in part because of carefully cultivated publicity and

advertising strategies that informed his official political persona as it evolved throughout the Democratic primary and general election campaigns To understand how media relations helped shape the first post Watergate presidential election Roessner examines the practices and working conditions of the community of political reporters public relations agents and advertising specialists associated with the Carter bid She draws on materials from campaign files and strategic memoranda radio and TV advertisements news and entertainment broadcasts newspaper and magazine coverage and recent interviews with Carter prominent members of his campaign staff and over a dozen journalists who reported on the 1976 election and his presidency With its focus on the inner workings of the bicentennial election Jimmy Carter and the Birth of the Marathon Media Campaign offers an incisive view of the transition from the yearlong to the permanent campaign from New Deal progressivism to New Right conservatism from issues to soundbites and from objective news analysis to partisan commentary

The Challenge of the American Presidency Philip Abbott, 2011-09-16 According to Niccolo Machiavelli leaders must always be prepared for unexpected change sometimes rapidly and in violent and dramatic forms in order to retain control of their fate Philip Abbott applies this insight to U S presidents He identifies six major periods of change in the political economic and international sphere and examines how presidents from Washington to Obama responded to new challenges How presidents are elected how they are expected to govern how the economy functions and what place the nation holds in the international system create general rules that presidents must acknowledge until an alteration in one or more of these patterns changes The author maintains that in the American presidency the difference between success and failure rests with how effectively a president reacts to the changes within these systems during his term in office Organized chronologically this text focuses on high risk decisions presidents have made from George Washington's issuance of the Neutrality Proclamation to Obama's promotion of health care legislation This edition includes new material on the presidencies of George W Bush and Barack Obama as well as updated bibliographical entries The Challenge of the American Presidency will be of interest to those who teach courses in political science history and American Studies as well as to those who are interested in assessing and comparing U S presidents

The American Presidency Under Siege Gary L. Rose, 1997-03-20 This book explores the failure of the modern American presidency a failure the author attributes to the development of a political system that impedes creative leadership The American presidency Gary L Rose argues is under siege Surrounded and blockaded by a reactionary Congress an entrenched bureaucracy an aggressive media lobbyists political action committees and special interest groups American presidents fail not because of a lack of ability or character but because of the political system and style of politics inside the Beltway Rose ascribes this emergence of a political system that obstructs presidential leadership to the decline of political parties as electoral and governing mechanisms As political parties have declined presidents have lost vital political connections that historically have enhanced their capacity to lead He presents a variety of prescriptive measures including political party and legal reform that have the potential to restore political parties

and the governing capacity of the presidency

The Press And The Carter Presidency Book Review: Unveiling the Power of Words

The Press And The Carter Presidency Introduction

In today's digital age, the availability of The Press And The Carter Presidency books and manuals for download has revolutionized the way we access information. Gone are the days of physically flipping through pages and carrying heavy textbooks or manuals. With just a few clicks, we can now access a wealth of knowledge from the comfort of our own homes or on the go. This article will explore the advantages of The Press And The Carter Presidency books and manuals for download, along with some popular platforms that offer these resources. One of the significant advantages of The Press And The Carter Presidency books and manuals for download is the cost-saving aspect. Traditional books and manuals can be costly, especially if you need to purchase several of them for educational or professional purposes. By accessing The Press And The Carter Presidency versions, you eliminate the need to spend money on physical copies. This not only saves you money but also reduces the environmental impact associated with book production and transportation. Furthermore, The Press And The Carter Presidency books and manuals for download are incredibly convenient. With just a computer or smartphone and an internet connection, you can access a vast library of resources on any subject imaginable. Whether you're a student looking for textbooks, a professional seeking industry-specific manuals, or someone interested in self-improvement, these digital resources provide an efficient and accessible means of acquiring knowledge. Moreover, PDF books and manuals offer a range of benefits compared to other digital formats. PDF files are designed to retain their formatting regardless of the device used to open them. This ensures that the content appears exactly as intended by the author, with no loss of formatting or missing graphics. Additionally, PDF files can be easily annotated, bookmarked, and searched for specific terms, making them highly practical for studying or referencing. When it comes to accessing The Press And The Carter Presidency books and manuals, several platforms offer an extensive collection of resources. One such platform is Project Gutenberg, a nonprofit organization that provides over 60,000 free eBooks. These books are primarily in the public domain, meaning they can be freely distributed and downloaded. Project Gutenberg offers a wide range of classic literature, making it an excellent resource for literature enthusiasts. Another popular platform for The Press And The Carter Presidency books and manuals is Open Library. Open Library is an initiative of the Internet Archive, a non-profit organization dedicated to digitizing cultural artifacts and making them accessible to the public. Open Library hosts millions of books, including both public domain works

and contemporary titles. It also allows users to borrow digital copies of certain books for a limited period, similar to a library lending system. Additionally, many universities and educational institutions have their own digital libraries that provide free access to PDF books and manuals. These libraries often offer academic texts, research papers, and technical manuals, making them invaluable resources for students and researchers. Some notable examples include MIT OpenCourseWare, which offers free access to course materials from the Massachusetts Institute of Technology, and the Digital Public Library of America, which provides a vast collection of digitized books and historical documents. In conclusion, The Press And The Carter Presidency books and manuals for download have transformed the way we access information. They provide a cost-effective and convenient means of acquiring knowledge, offering the ability to access a vast library of resources at our fingertips. With platforms like Project Gutenberg, Open Library, and various digital libraries offered by educational institutions, we have access to an ever-expanding collection of books and manuals. Whether for educational, professional, or personal purposes, these digital resources serve as valuable tools for continuous learning and self-improvement. So why not take advantage of the vast world of The Press And The Carter Presidency books and manuals for download and embark on your journey of knowledge?

FAQs About The Press And The Carter Presidency Books

How do I know which eBook platform is the best for me? Finding the best eBook platform depends on your reading preferences and device compatibility. Research different platforms, read user reviews, and explore their features before making a choice. Are free eBooks of good quality? Yes, many reputable platforms offer high-quality free eBooks, including classics and public domain works. However, make sure to verify the source to ensure the eBook credibility. Can I read eBooks without an eReader? Absolutely! Most eBook platforms offer web-based readers or mobile apps that allow you to read eBooks on your computer, tablet, or smartphone. How do I avoid digital eye strain while reading eBooks? To prevent digital eye strain, take regular breaks, adjust the font size and background color, and ensure proper lighting while reading eBooks. What the advantage of interactive eBooks? Interactive eBooks incorporate multimedia elements, quizzes, and activities, enhancing the reader engagement and providing a more immersive learning experience. The Press And The Carter Presidency is one of the best book in our library for free trial. We provide copy of The Press And The Carter Presidency in digital format, so the resources that you find are reliable. There are also many Ebooks of related with The Press And The Carter Presidency. Where to download The Press And The Carter Presidency online for free? Are you looking for The Press And The Carter Presidency PDF? This is definitely going to save you time and cash in something you should think about.
