**The Encyclopedia of Popular Music** Colin

Larkin, 2011-05-27 This text presents a comprehensive and up to date reference work on popular music from the early 20th century to the present day

**She Bop II** Lucy O'Brien, 2003-10-16 Popular music grew out of ragtime vaudeville and the

blues to become global mass entertainment Women like Ma Rainey and Bessie Smith were the original pop divas yet eighty years after they blazed a trail have their successors achieved the recognition and affirmation they deserve Or has the only way to success been to slot into saleable images of the cute baby or sexy chanteuse This is the story of women as creators and innovators aiming to provide a history of women in rock pop and soul on stage on camera and working behind the scenes in a male dominated industry This edition contains an extra chapter and interviews covering trends such as Girlpower

Chrissie Hynde Adam Sobsey, 2017-04-11 Sobsey truly does deliver the goods with this biography This work is as gloriously comprehensive as it gets on the subject of Chrissie Hynde PopMatters A musical force across four decades a voice for the ages and a great songwriter Chrissie Hynde is one of America's foremost rockers Inducted into the Rock and Roll Hall of Fame in 2005 she and her band The Pretenders have released ten albums since 1980 The Pretenders debut LP has been acclaimed as one of the best albums of all time by VH1 and Rolling Stone In a business filled with pretenders and posers Hynde remains unassailably authentic Although she blazed the trail for countless female musicians Hynde has never embraced the role of rock feminist and once remarked It's never been my intention to change the world or set an example for others to follow Instead she pursued her own vision of rock a band of motorcycles with guitars Chrissie Hynde A Musical Biography traces this legend's journey from teenage encounters with rock royalty to the publication of her controversial memoir Reckless in 2015 Adam Sobsey digs deep into Hynde's catalog extolling her underrated songwriting gifts and the greatness of The Pretenders early classics and revealing how her more recent but lesser known records are not only underappreciated but actually key to understanding her earlier work as well as her evolving persona Sobsey hears Hynde's

music as a way into her life outside the studio including her feminism signature style vegetarianism and Hinduism She is a self possessed self exiled idol with no real forbears and no true musical descendants a complete original
