The Prince Of Berlin:

The Prince of Berlin / Dan Sherman, 1985 **Tales of Berlin in American Literature up to the 21st Century** Joshua Parker, 2016-03-17 Of all European cities Americans today are perhaps most curious about Berlin whose position in the American imagination is an essential component of nineteenth century postwar and contemporary transatlantic imagology Over various periods Berlin has been a tenuous space for American claims to cultural heritage and to real geographic space in Europe symbolizing the ultimate evil and the power of redemption This volume offers a comprehensive examination of the city s image in American literature from 1840 to the present Tracing both a history of Berlin and of American culture through the ways the city has been narrated across three centuries by some 100 authors through 145 novels short stories plays and poems Tales of Berlin presents a composite landscape not only of the German capital but of shifting subtexts in American society which have contextualized its meaning for Americans in the past and continue to do so today *Berlin* Bernd Stöver, 2013-10-02 Preu ische Residenz deutsche Hauptstadt glanzvolle Kulturmetropole Machtzentrale des Dritten Reiches Frontstadt im Kalten Krieg und schlie lich wieder Hauptstadt eines vereinigten Deutschland Bernd St ver erz hlt knapp und anschaulich was jeder ber die Geschichte Berlins wissen sollte W hrend andere europ ische Metropolen mit historischen Stadtkernen aufwarten wurden in Berlin Zeugnisse fr herer Epochen immer wieder zerst rt Wo sich die mittelalterlichen Kaufmannssiedlungen Berlin und C lln befanden l sst sich nur noch erahnen das Schloss ist abger umt und wo genau die Mauer stand wissen selbst Berliner oft nicht mehr Aber gerade die Leerstellen und Neuanf nge zeugen von einer bewegten Geschichte Wer sich f r den Berlin Besuch vorbereiten will oder als Berliner einen pr gnanten Abriss der Stadtgeschichte sucht dem sei der schmale Band des Historikers Bernd St ver empfohlen Kundig flott und doch nicht flapsig pr sentiert er die kurze nicht mal 800 j hrige Geschichte der Stadt Daniel Friedrich Sturm Die Welt Berlin Barney White-Spunner, 2021-05-04 The intoxicating history of an extraordinary city and her people from the medieval kings surrounding Berlin s founding to the world wars tumult and reunification of the twentieth century There has always been a particular fervor about Berlin a combination of excitement anticipation nervousness and a feeling of the unexpected Throughout history it has been a city of tensions geographical political religious and artistic In the nineteenth century political tension became acute between a city that was increasingly democratic home to Marx and Hegel and one of the most autocratic regimes in Europe Artistic tension between free thinking and liberal movements started to find themselves in direct contention with the formal official culture Underlying all of this was the ethnic tension between multi racial Berliners and the Prussians Berlin may have been the capital of Prussia but it was never a Prussian city Then there is war Few European cities have suffered from war as Berlin has over the centuries It was sacked by the Hapsburg armies in the Thirty Years War by the Austrians and the Russians in the eighteenth century by the French with great violence in the early nineteenth century by the Russians again in 1945 and subsequently occupied more benignly by the Allied Powers from 1945

until 1994 Nor can many cities boast such a diverse and controversial number of international figures Frederick the Great and Bismarck Hegel and Marx Mahler Dietrich and Bowie Authors Christopher Isherwood Bertolt Brecht and Thomas Mann gave Berlin a cultural history that is as varied as it was groundbreaking The story vividly told in Berlin also attempts to answer to one of the greatest enigmas of the twentieth century How could a people as civilized ordered and religious as the Germans support first a Kaiser and then the Nazis in inflicting such misery on Europe Berlin was never as supportive of the Kaiser in 1914 as the rest of Germany it was the revolution in Berlin in 1918 that lead to the Kaiser s abdication Nor was Berlin initially supportive of Hitler being home to much of the opposition to the Nazis although paradoxically Berlin suffered more than any other German city from Hitler s travesties In revealing the often untold history of Berlin Barney White Spunner addresses this quixotic question that lies at the heart of Germany s uniquely fascinating capital city

A Universal Man Karl Friedrich Schinkel,1991-01-01 This book is about one of the geatest and most influential architects and designers of the 19th century Schinkel designed many of the great buildings of his native Germany his architecture still dominates Berlin
