Nietzel, 1985 Private Eyes is the complete map to what Raymond Chandler called the mean streets the exciting world of the fictional private eye It is intended to entertain current PI fans and to make new ones *Mystery Fanfare* Michael L. media With a reputation like that it s no big surprise to a lot of people when Hondo turns up dead in the electrically charged water of a condominium swimming pool Slip Masters the team s public relations man calls on his private investigator friend Max Roper to look into the case and find out for sure whether it was a legit accident or perhaps a crafty and ingenious murder The Los Angeles cops have crossed off Hondo s death as a weird accident but Slip isn t so sure Neither is Max Roper especially when he gets in closer and starts kicking things around and his investigations turn up some odd circumstances and a string of other murders As Detective Lieutenant Camino of Homicide says On a Roper case they die on the hour like flies Death follows Max like a plague Roper has plenty of leads to follow disgruntled ballplayers jealous boyfriends discarded lovers the dead man s new breed agent a psychiatrist a pool maintenance person a hippie plastic surgeon condominium neighbors some gangland types a rock musician and a pineapple heiress ex wife among others His travels take him from the baseball locker room to the seedy areas of Venice a factory turned nightclub exclusive watering holes a chic tennis club a new high rise office complex in short a cross section of Los Angeles Along the way to solving the case Roper get shot at arrested beaten up held at gunpoint and hit over the head not necessarily in that order The Body Beautiful Murder Kin Platt,2012-02-15 Felix Witter is the reigning Mr Universe He is in training for the current international body building competition just another dedicated weight lifter with extraordinary muscular development He is murdered during his last workout on the day preceding the annual competition and it just so happens that the murder takes place in the gym where Max Roper does his exercising Lucky for the innocent gym attendant who is accused of dropping a quarter ton of iron on the Superbody because Roper is on hand to clear up the murder and prove who really did it Roper has to sift through the co ed part of the gym including a few of the exercising ladies and their reasons for wanting Witter deader than alive Also in line for lively suspicion are jealous competitors last year s losers and this year s aspirants Felix Witter the victim has a broken marriage behind him a disgruntled business agent an irascible trainer a jealous girlfriend a jealous boyfriend and a tie in with a nutrition product and a company unable to meet his demands for more money before he goes over to a rival health kick group What with karate experts weight lifters body builders and college athletes using the gym for work outs obviously Roper has a lot of strong men to deal with this time and he is forced to fight for his own life before he can come up with the killer

Match Point for Murder Kin Platt,2012-02-15 The games are tennis and murder and private eye Max Roper has a bevy of beautiful tennis competitors to turn his head when he goes after the murderer of lovely Aussie tennis star Wendy Cliff It was set up to look as if it was one of her opponents in the Los Angeles ladies pro tournament who did it Wendy was garroted by a piece of tennis stringing These include all the lovely women athletes who are taking part in the international competition In addition to the local aspirants the usual collection of current and ex champions there is the Italian star who boasts the most devastating looking legs Roper has ever seen the cuddly young Russian doubles pair the beautiful French star and their various friends and countrymen who hate to see them lose Just to complicate Max s problem there is a fighting liberal

senator from California threatened by a fanatic guerilla group of international assassins with whom Roper is waging a long time personal vendetta In the course of his investigation as usual filled with risk and violence other murders follow And Roper pursuing the blood trail quickly has his own life to worry about Max has to go to the limit with his special brand of endurance and fighting character before he can come up with the winner and bring the murderer along **The Giant Kill** Kin Platt,2012-02-15 Max Roper durable investigator is sapped doped and imprisoned on a boat apparently used by a mysterious Oriental for business purposes The point of this caper is to have Max carry a warning to basketball superstar Jo Jo Gonzaga that he must throw the championship play off When Gonzaga is shot and killed in his own fabulous and eccentrically designed home after his team wins the second game of the series Roper decides to find the hoods who had abducted him Max discovers that a lot of people wanted Gonzaga dead and that there is more to this murder than the gangland routine of forcing a team win at any cost For example Jules Belmont miserly millionaire who likes to bet and bet big He also hates to lose a bet or a dame Sandy Shaw a bright and sexy whiz kid who can beat the computer in her specialty of voice prints Larry LaSalle her boss resident expert at UCLA the man who had designed the computer which can identify any person from his speech patterns Barbara Belmont niece of Jules A hippie girl who lives at sea and tries to keep Roper the same Frankie Wu a shadowy Oriental who may be part of an international heroin smuggling ring Then there are the other characters Roper knows only as The Rube Gorilla and Wolfman He trails this trio to Mexico where more violence erupts Then the trail leads back to a beautiful blonde singer in the Gaslight Club in Los Angeles where there is more violence There is Tom Power the ex basketballer a man who remembers the favors Gonzaga had done for him Not to be forgotten among this provocatively mixed cast are the Great Danes who owned by Gonzaga Roper has a feeling they will be in a the final kill and only hopes he can beat them to it when he brings down Gonzaga s murderer *The Mystery Fancier* William F. s first case a provocative introduction SPQR IX: The Princess and the Pirates John Maddox Roberts,2025-08-22 As I walked back through the City my mood was moderately elevated This appointment did not displease me nearly as much as I pretended Like most Romans I abhorred the very thought of sea duty but this was one of the rare occasions when I was looking forward to getting away from Rome For years I had complained of the disorder of the City and now that it was gone I found that I missed it All the peace and quiet seemed unnatural I did not expect it to last Decius Caecilius Metellus the Younger in SPQR IX The Princess and the Pirates His two years of aedileship over Decius is ready for his next adventure He would rather do anything than join the war with Caesar in the dismal forests of Gaul so he and his slave prot g Hermes find themselves on a mission to rid the Mediterranean of pirates They set off with shoddy ships and sailors to the island of Cyprus where a young Cleopatra is staying Between her impressive crew and the ex pirate Ariston providing insider knowledge of that cutthroat occupation Decius thinks he stands a good chance of bringing himself some glory That would be too simple though The ruler of the island Silvanus is murdered in a most peculiar fashion and Decius as a guest in his home has a sacred duty to find and punish the guilty party Because world relations are already strained he would rather not suspect Cleopatra heir to the Egyptian throne But she has plenty of reasons to hate Rome and murder runs in her family Another guest and suspect is Gabinius who is in exile and could have easily given up loyalty toward his friend if it meant a quicker return to Rome In the meantime Decius is being humiliated in his pirate hunt and as if this weren t enough Aphrodite herself seeks Decius s help by appearing to him in a dream vision As Decius investigates world trade the island history and the new kind of piracy plaguing the waters he is finding connections more menacing than he had ever imagined possible In this ninth book in the series Roberts crafts another skillful mystery this time fervently pulsing with the collision of Roman Greek and Egyptian interests *The Bibliography of Crime Fiction, 1749-1975* Allen J.
