The Principles Of Freemasonry

Albert Mackey

The Principles Of Freemasonry:

The Principles of Masonic Law Albert Mackey, 2020-12-08 In *The Principles of Masonic Law* Albert Mackey offers a comprehensive analysis of the ethical and legal frameworks governing Freemasonry. This seminal work examines the foundational principles of Masonic jurisprudence, exploring their historical context and evolution through meticulous research and clear prose. With an analytical lens, Mackey navigates the intricacies of Masonic doctrine, illustrating how its intricate laws are not merely directives for conduct but reflections of deeper moral and philosophical beliefs inherent within the Masonic tradition. Albert Mackey, a prominent 19th-century Masonic scholar and physician, devoted much of his life to the study of Freemasonry. His extensive background, including serving as the Grand Secretary of the Supreme Council of the Ancient and Accepted Scottish Rite, positioned him as a leading authority in Masonic thought. Mackey's passion for the subject is evident in the careful synthesis of legal principles and ethical considerations in this work. His scholarly rigor has made significant contributions to the understanding of Masonic practices and history. *The Principles of Masonic Law* is an essential read for Freemasons, historians, and anyone interested in the intersection of law and morality. Mackey's insights facilitate a deeper understanding of Masonic tenets and provide substantial guidance for ethical conduct and jurisprudential principles within the fraternity. Those seeking clarity in Masonic laws will find this text both enlightening and indispensable.

The Principles of Masonic Law: A Treatise on the Constitutional Laws, Usages And Landmarks of Freemasonry Albert G. Mackey, M.D., 2017-01-10 Outlining the rights and laws of the larger groups of lodges within the Masonic tradition, this book is a handy tool for those that seek to learn about the Masons or else use this teaching in their own lodge. The reading can be thick, but there is much that can be learned here if someone is willing to study and read it enough to find it. *The Principles of Masonic Law* Albert Gallatin Mackey, 2020-08-07 *The Principles of Masonic Law* is a treatise on the constitutional laws, usages, and landmarks of Freemasonry. The book is very informative and thorough and it treats a wide range of topics in Masonic jurisprudence, providing a good insight to the overall governance of Freemasonry. Freemasonry consists of fraternal organizations that trace their origins to the local fraternities of stonemasons that, from the end of the fourteenth century, regulated the qualifications of stonemasons and their interaction with authorities and clients. The basic local organizational unit of Freemasonry is the Lodge. These private Lodges are usually supervised at the regional level by a Grand Lodge or Grand Orient. The degrees of Freemasonry retain the three grades of medieval craft guilds: those of Apprentice, Journeyman, or Fellow Craft, and Master Mason. *The Principles of Free-masonry Delineated* Robert Trewman, 1777 **The Principles of Freemasonry** L. Carroll Judson, 2005-12-01 This scarce antiquarian book is a facsimile reprint of the original. Due to its age, it may contain imperfections such as marks, notations, marginalia, and flawed pages. Because we believe this work is culturally important, we have made it available as part of our commitment for protecting, preserving, and promoting the world's literature in affordable, high-quality modern editions that are true to the original work.

The Principles of Masonic Law Albert G. Mackey, 2013-10-24 This treatise on the Constitutional Laws Usages and Landmarks of Freemasonry is doubtless one of the most important and invaluable works in a Freemasonic library Contents Preface Introduction The Authorities for Masonic Law Book First The Law of Grand Lodges Chapter I Historical Sketch Chapter II Of the Mode of Organizing Grand Lodges Chapter III Of the Members of a Grand Lodge Chapter IV Of the Officers of a Grand Lodge Chapter V Of the Powers and Prerogatives of a Grand Lodge Book Second Laws of Subordinate Lodges Chapter I Of the Nature and Organization of Subordinate Lodges Chapter II Of Lodges under Dispensation Chapter III Of Lodges Working under a Warrant of Constitution Chapter IV Of the Officers of a Subordinate Lodge Chapter V Of Rules of Order Book Third The Law of Individuals Chapter I Of the Qualifications of Candidates Chapter II Of the Rights of Entered Apprentices Chapter III Of the Rights of Fellow Crafts Chapter IV Of the Rights of Master Masons Chapter V Of the Rights of Past Masters Chapter VI Of Affiliation Chapter VII Of Demitting Chapter VIII Of Unaffiliated Masons Book Fourth Of Masonic Crimes and Punishments Chapter I Of What Are Masonic Crimes Chapter II Of Masonic Punishments Chapter III Of Masonic Trials Chapter IV Of the Penal Jurisdiction of a Lodge Chapter V Of Appeals Chapter VI Of Restoration

The Principles of Masonic Law Albert Mackey, 2016-06-09 Anyone who is interested in Masonic law how lodges and grand lodges are run and how Masons should act in Lodge and society should buy this book This is a great outline for the government of all lodges including dealing with Masonic offenses and different levels of punishment for such offenses From the Introduction The laws which govern the institution of Freemasonry are of two kinds unwritten and written and may in a manner be compared with the *lex non scripta* or common law and the *lex scripta* or statute law of English and American jurists The *lex non scripta* or unwritten law of Freemasonry is derived from the traditions usages and customs of the fraternity as they have existed from the remotest antiquity and as they are universally admitted by the general consent of the members of the Order In fact we may apply to these unwritten laws of Masonry the definition given by Blackstone of the *leges non scriptae* of the English constitution that their original institution and authority are not set down in writing as acts of parliament are but they receive their binding power and the force of laws by long and immemorial usage and by their universal reception throughout the kingdom The *lex scripta* or written law of Masonry is derived from a variety of sources and was framed at different periods Many documents are of sufficient authority to substantiate any principle or to determine any disputed question in masonic law and are discussed in this book

The Principles of Masonic Law Albert Gallatin Mackey, 2006-09-01

The Principles of Masonic Law: A Treatise on the Constitutional Laws, Usages and Landmarks of Freemasonry Albert G. Mackey, 2017-01-18 Outlining the rights and laws of the larger groups of lodges within the Masonic tradition this book is a handy tool for those that seek to learn about the Masons or else use this teaching in their own lodge The reading can be thick but there is much that can be learned here if someone is willing to study and read it enough to find it

The Principles of Masonic Law Albert G Mackey, 2025-06-18 In *The Principles of Masonic Law* Albert G Mackey outlines the structure duties and rights

governing Freemasonry A foundational text for Masons and scholars alike it offers a clear and authoritative exposition of Masonic jurisprudence shedding light on the ancient fraternity's legal and ethical framework

The Principles of Masonic Law Albert G. MacKey, 2017-05-16

In presenting to the fraternity a work on the Principles of Masonic Law it is due to those for whom it is intended that something should be said of the design with which it has been written and of the plan on which it has been composed It is not pretended to present to the craft an encyclopedia of jurisprudence in which every question that can possibly arise in the transactions of a Lodge is decided with an especial reference to its particular circumstances Were the accomplishment of such an herculean task possible except after years of intense and unremitting labor the unwieldy size of the book produced and the heterogeneous nature of its contents so far from inviting would rather tend to distract attention and the object of communicating a knowledge of the Principles of Masonic Law would be lost in the tedious collation of precedents arranged without scientific system and enunciated without explanation When I first contemplated the composition of a work on this subject a distinguished friend and Brother whose opinion I much respect and with whose advice I am always anxious to comply unless for the most satisfactory reasons suggested the expediency of collecting the decisions of all Grand Masters Grand Lodges and other Masonic authorities upon every subject of Masonic Law and of presenting them without commentary to the fraternity But a brief examination of this method led me to perceive that I would be thus constructing simply a digest of decrees many of which would probably be the results of inexperience or prejudice or of erroneous views of the Masonic system and from which the authors themselves have in repeated instances subsequently receded for Grand Masters and Grand Lodges although entitled to great respect are not infallible and I could not conscientiously have consented to assist without any qualifying remark in the extension and perpetuation of edicts and opinions which however high the authority from which they emanated I did not believe to be in accordance with the principles of Masonic jurisprudence Another inconvenience which would have attended the adoption of such a method is that the decisions of different Grand Lodges and Grand Masters are sometimes entirely contradictory on the same points of Masonic Law The decree of one jurisdiction on any particular question will often be found at variance with that of another while a third will differ from both The consultor of a work embracing within its pages such distracting judgments unexplained by commentary would be in doubt as to which decision he should adopt so that coming to the inspection with the desire of solving a legal question he would be constrained to close the volume in utter despair of extracting truth or information from so confused a mass of contradictions This plan I therefore at once abandoned But knowing that the jurisprudence of Masonry is founded like all legal science on abstract principles which govern and control its entire system I deemed it to be a better course to present these principles to my readers in an elementary and methodical treatise and to develop from them those necessary deductions which reason and common sense would justify Hence it is that I have presumed to call this work The Principles of Masonic Law It is not a code of enactments nor a collection of statutes nor yet a digest of opinions but simply an

elementary treatise intended to enable every one who consults it with competent judgment and ordinary intelligence to trace for himself the bearings of the law upon any question which he seeks to investigate and to form for himself a correct opinion upon the merits of any particular case **The Principles of Masonic Law** Albert Gallatin Albert Gallatin

Mackey,2014-03-31 In presenting to the fraternity a work on the Principles of Masonic Law it is due to those for whom it is intended that something should be said of the design with which it has been written and of the plan on which it has been composed It is not pretended to present to the craft an encyclopedia of jurisprudence in which every question that can possibly arise in the transactions of a Lodge is decided with an especial reference to its particular circumstances Were the accomplishment of such an herculean task possible except after years of intense and unremitting labor the unwieldy size of the book produced and the heterogeneous nature of its contents so far from inviting would rather tend to distract attention and the object of communicating a knowledge of the Principles of Masonic Law would be lost in the tedious collation of precedents arranged without scientific system and enunciated without explanation When I first contemplated the composition of a work on this subject a distinguished friend and Brother whose opinion I much respect and with whose advice I am always anxious to comply unless for the most satisfactory reasons suggested the expediency of collecting the decisions of all Grand Masters Grand Lodges and other masonic authorities upon every subject of Masonic Law and of presenting them without commentary to the fraternity *The Principles of Masonic Law* Albert Gallatin Mackey,2021-01-14

A Treatise on the Constitutional Laws Usages And Landmarks of Freemasonry written by one of the legends of Freemasonry worldwide **The Principles of Masonic Law [Annotated]** Albert Mackey,2018-04-14 This treatise on the Constitutional Laws Usages and Landmarks of Freemasonry is doubtless one of the most important and invaluable works in a Freemasonic library This book was carefully put together and is not a scan of the original In presenting to the fraternity a work on the Principles of Masonic Law it is due to those for whom it is intended that something should be said of the design with which it has been written and of the plan on which it has been composed It is not pretended to present to the craft an encyclopedia of jurisprudence in which every question that can possibly arise in the transactions of a Lodge is decided with an especial reference to its particular circumstances Were the accomplishment of such an herculean task possible except after years of intense and unremitting labor the unwieldy size of the book produced and the heterogeneous nature of its contents so far from inviting would rather tend to distract attention and the object of communicating a knowledge of the Principles of Masonic Law would be lost in the tedious collation of precedents arranged without scientific system and enunciated without explanation When I first contemplated the composition of a work on this subject a distinguished friend and Brother whose opinion I much respect and with whose advice I am always anxious to comply unless for the most satisfactory reasons suggested the expediency of collecting the decisions of all Grand Masters Grand Lodges and other masonic authorities upon every subject of Masonic Law and of presenting them without commentary to the fraternity The Principles of Masonic
