The Principles Of Politics In Islam:

The Principles of Politics in Islam Muhammad M. Al-Hudaibi, 2000 The Principles of State and Government in The Challenge of Political Islam Rachel Scott, 2010-04-23 The rise of political Islam has provoked considerable debate about the compatibility of democracy tolerance and pluralism with the Islamist position As The Challenge of Political Islam reveals Egyptian Islamists today are more integrated into the political arena than ever and are voicing a broad spectrum of positions including a vision of Islamic citizenship more inclusive of non Muslims Based on Islamist writings political tracts and interviews with Islamists including members of Egypt's Muslim Brotherhood and other important contemporary thinkers this book looks closely at how modern politically oriented Egyptian Islamists perceive non Muslims in an Islamic state and how non Muslims respond Clarifying the movement's aims this work uncovers how Islamists have responded to the pressures of modernity the degree to which the movement has been influenced by both a historical Islamic framework and Western modes of political thinking and the necessity to reconsider the notion that secularism is a The Failure of Political Islam Olivier Roy, 1994 For many Westerners ours seems to be the precondition for toleration era of the Islamic threat with radical Muslims everywhere on the rise and on the march remaking societies and altering the landscape of contemporary politics In a powerful corrective to this view the French political philosopher Olivier Roy presents an entirely different verdict political Islam is a failure Even if Islamic fundamentalists take power in countries like Algeria they will be unable to reshape economics and politics and in the name of Islamic universalism will express no more than nationalism or an even narrower agenda Despite all the rhetoric about an Islamic way an Islamic economy and an Islamic state the realities of the Muslim world remain essentially unchanged **Political Islam in the Global World Aini** Linjakumpu, 2008 Develops an approach with which one can study the politicization of Islam in different circumstances and contexts This book uses three case studies to analyze the political dimension of Islam It also examines political identity and discusses the role of language Political Islam, Citizenship, and Minorities Andrea Zaki Stephanous, 2012-07-10 Political Islam Citizenship and Minorities discusses the relationship between religion and politics in the Middle East and the future of political Christianity The emergence of political Islam and the recent changes in political Christianity in the region have both contributed to a new perception of the role of Arab Christians Political Christianity is a part of the political discourse in the Middle East it makes a major contribution to the political life of the region This book explores Arab political participation in general and particularly examines the role of minorities The author considers both the impact of political Islam on politics and the concept of a political system based on religious principles The Copts of Egypt and the Maronites of Lebanon are compared in order to examine the nature of political participation by Arab Christians and to consider the political theologies behind both communities Arabism as a broad concept that includes Islam and other faiths is our concern A new vocabulary and fresh concepts for the effective political participation of Arab Christians are introduced in this book and a new concept of dynamic citizenship that is based on the development of civil society and learns from the problems of the past is developed Islam in World Politics Nelly Lahoud, A.H. Johns, 2012-10-12 This book examines the influence of Islamist movements in national and international power politics in the equilibrium of the world of finance and the articulation of gender issues in Islamic and non Islamic countries alike Political Islam Karl Antony, 2013-12-09 Main Important Point is Islamic Terrorism Which its Believers commit many atrocious crimes all over the world especially in the Western World in the name of God

The rise to power in 2002 of the right leaning Islamic Justice and Development Party ignited fears in the West that Turkey could no longer be relied upon to provide a buffer against the growth of Islamic fundamentalism in the Middle East Once hailed by the West as a model of secularism and moderation in the Muslim world Turkey is now seen to be under the influence of the creeping Islamisation of the JDP or AKP as it is known in Turkey Yet to what extent has this affected the lives of Turkish citizens Evangelia Axiarlis here explores the contribution of the JDP to civil liberties and basic freedoms long suppressed by secular and statist Kemalist ideology and how this has remained unexamined despite more than a decade in government In this the first detailed study of the policies and ideology of Prime Minister Recep Tayyip Erdo an s government the author examines the extent to which the JDP has worked to improve civil life in Turkey and critically addresses whether a government built on Islamic principles can

champion political reform Exploring how Islam and democracy are neither monoliths nor mutually exclusive this is a timely contribution to the wider understanding of political Islam Islam and Democracy in the 21st Century Tauseef Ahmad Parray, 2023-09-15 This book starts with the prevailing idea of a conflicting relationship between Islam and the Western concept of democracy both in theory and in practice With this backdrop the author addresses the crucial question Is Islam compatible with democracy The book offers very useful discussions in framing the contemporary debates surrounding Islam and democracy treads through diverse theoretical Islamic texts like the Quran and Sunnah discusses the historical evolution of the concept of Shura the primary source of democratic ethics in Islam provides an assessment of the views and visions of some selected Muslim scholars from 19th to 21st centuries on Islam democracy compatibility and examines the elements of compatibility between Islam and democracy without ignoring the basic differences that exist between the Western approach to democracy and Islamic political thought The Many Faces of Political Islam Mohammed Ayoob, 2009-12-21 Analysts and pundits from across the American political spectrum describe Islamic fundamentalism as one of the greatest threats to modern Western style democracy Yet very few non Muslims would be able to venture an accurate definition of political Islam Mohammed Ayoob's The Many Faces of Political Islam thoroughly describes the myriad manifestations of this rising ideology and analyzes its impact on global relations In this beautifully crafted and utterly compelling book Mohammed Ayoob accomplishes admirably the difficult task of offering a readily accessible yet nuanced and comprehensive analysis of an issue of enormous political importance Both students and specialists will learn a great deal from this absolutely first rate book Peter J Katzenstein Walter S Carpenter Jr Professor of International Studies and Stephen H Weiss Presidential Teaching Fellow Cornell University Dr Ayoob addresses the nuances and complexities of political Islam be it mainstream radical or militant and offers a road map of the pivotal players and issues that define the movement There is no one as qualified as Mohammed Avoob to write a synthesis of various manifestations of political Islam His complex narrative highlights the changes and shifts that have taken place within the Islamist universe and their implications for internal Muslim politics and relations between the world of Islam and the Christian world Fawaz A Gerges Carnegie Scholar and holds the Christian A Johnson Chair in International Affairs and Middle Eastern Studies Sarah Lawrence College Let's hope that many readers not only academics but policymakers as well will use this invaluable book Fran ois Burgat Director French National Centre for Scientific Research CNRS and the Institute for Research and Study on the Arab and Muslim World IREMAM Aix en Provence France This is a wonderful concise book by an accomplished and sophisticated political scientist who nonetheless manages to convey his interpretation of complex issues and movements to even those who have little background on the subject It is impressive in its clarity providing a badly needed text on political Islam that s accessible to college students and the general public alike Shibley Telhami Anwar Sadat Professor for Peace and Development University of Maryland and Senior Fellow Brookings Institution Mohammed Ayoob is University Distinguished Professor of International Relations with a joint
