the would be conqueror of the kingdom and violator of all the laws of the Holy Order in unleashing forbidden and wildly destructive magic power that once loosed threatens to bring to pass the prophesied second apocalypse. Jon's companions on the quest are a veritable dream team: the king's champion, the best in their respective disciplines. The further the reluctant hero travels, the more he sees things that seem to have leapt straight out of books of mythology, not history. It is soon painfully obvious that being in great physical shape and wielding a magic sword is not enough. Thrust into a life or death struggle in a world he can't understand, Jon relies on his faithful comrades to give him the skills he needs to command. Vandermines full power before the reality of this impossible world catches up with him. The journey for Jon is not merely physically daunting and dangerous but mentally and emotionally taxing as well. Before he was torn out of the world he once knew, he was accustomed to being one of the stronger and more competent members of his team. However, the harsh realities of the ancient world that has called for him soon humiliate him, making him feel like the weakest link. Through training, suffering, and conquering with the king's picked men, as he strives to fulfill the sword's errand, Jon gains the respect due a battle-hardened veteran, earning it the hard way.
