The Privacy Law Sourcebook 1999:

The Privacy Law Sourcebook 1999 Marc Rotenberg, 1999 **Privacy Law Sourcebook 2004** Marc Rotenberg, 2005 The Privacy Law Sourcebook is the leading resource for students attorneys researchers and journalists interested in privacy law in the United States and around the world It includes the full texts of major privacy laws and directives such as the Fair Credit Reporting Act the Privacy Act the Family Educational Rights and Privacy Act the Right to Financial Privacy Act the Privacy Protection Act the Electronic Communications Privacy Act the Video Privacy Protection Act the OECD Privacy Guidelines the OECD Cryptography Guidelines and European Union Directives for both Data Protection and Privacy and Electronic Communications as well as a fully up to date section on recent developments The Privacy Law Sourcebook is updated and expanded for 2004 New materials include the APEC Privacy Framework the Video Voyeurism Prevention Act the CAN SPAM Act and reports from the Article 29 Working Group on data protection issues related to intellectual property rights radio frequency identification enforcement and spam Also included is an extensive section on privacy resources with useful web sites and contact information for privacy agencies organizations and publications Book jacket **Privacies** Beate Rössler, 2004 This ambitious interdisciplinary collection responds to present intellectual debates concerning the value and limits of privacy Ever since the beginning of modernity the line of demarcation between private and public spaces and the distinction between them have continually been challenged and redrawn Such developments as new technologies that introduce previously unforeseen possibilities for infringement upon privacy and the modern spectacles of television talk shows and reality TV give added urgency to the discussion on privacy This collection examines the fundamental issues structuring that debate Bringing together for the first time leading contributors to the recent debates on privacy from both Europe and the United States this collection affirms that privacy in all its dimensions remains a central value of liberal democracies Its essays expose the complex ways in which privacy is essentially and intimately intertwined with our ideas of freedom identity and the good life Naked in Cyberspace Carole A. Lane, 2002 Reveals the personal records available on the Internet examines Internet privacy and explores such sources of information as mailing lists telephone directories news databases bank records and consumer credit records Financial Privacy United States. Congress. House. Committee on Banking and Financial Services. Subcommittee on Financial Institutions and Consumer Credit, 2000 *Security and Privacy* Joseph Savirimuthu, 2016-12-05 During the last decade in particular the levels of critical engagement with the challenges posed for privacy by the new technologies have been on the rise Many scholars have continued to explore the big themes in a manner which typifies the complex interplay between privacy identity security and surveillance This level of engagement is both welcome and timely particularly in a climate of growing public mistrust of State surveillance activities and business predisposition to monetize information relating to the online activities of users This volume is informed by the range of discussions currently conducted at scholarly and policy levels The essays illustrate the value of viewing privacy concerns not

only in terms of the means by which information is communicated but also in terms of the political processes that are inevitably engaged and the institutional regulatory and cultural contexts within which meanings regarding identity and security are constituted Law and Society Approaches to Cyberspace Paul Schiff Berman, 2017-11-28 During the past decade the rise of online communication has proven to be particularly fertile ground for academic exploration at the intersection of law and society Scholars have considered how best to apply existing law to new technological problems but they also have returned to first principles considering fundamental questions about what law is how it is formed and its relation to cultural and technological change This collection brings together many of these seminal works which variously seek to interrogate assumptions about the nature of communication knowledge invention information sovereignty identity and community From the use of metaphor in legal opinions about the internet to the challenges posed by globalization and deterritorialization to the potential utility of online governance models to debates about copyright free expression and privacy this collection offers an invaluable introduction to cutting edge ideas about law and society in an online era In addition the introductory essay both situates this work within the trajectory of law and society scholarship and summarizes the major fault lines in ongoing policy debates about the regulation of online activity *Asian America.Net* Rachel C. Lee, Sau-ling Cynthia Wong, 2013-08-21 Asian America Net demonstrates how Asian Americans have both defined and been defined by electronic technology illuminating the complex networks of identity community and history in the digital age
