The Problem Clergymen Dont Talk About:

The Problem Clergymen Don't Talk about Charles L. Rassieur, 1976 *Sex in the Parish* Karen Lebacqz, Ronald G. Barton, 1991-01-01 Karen Lebacqz and Ronald Barton examine the gift of sexuality in relation to the parish and the dynamics of sexual desire and temptation Included in this book are the experiences of a pastor who did not set appropriate limits explanations of how the pastoral role affects sexual contact between pastor and parishioner suggestions for a framework of ethical analysis an examination of questions for women in ministry single pastors and pastors who are gay lesbian or bisexual and a review of ethical issues related to persons who carry responsibilities for the structures of ministerial practice **The Cry of Tamar** Pamela Cooper-White, 2013-06-24 In this comprehensive practical and gripping assessment of various forms of violence against women Pamela Cooper White challenges the Christian churches to examine their own responses to the cry of Tamar in our time She describes specific forms of such violence and outlines appropriate pastoral responses The second edition of this groundbreaking work is thoroughly updated and examines not only where the church has made progress since 1995 but also where women remain at unchanged or even greater risk of violence What We Don't Talk About When We Talk About #MeToo Joann Wypijewski, 2020-06-02 An exquisite examination of a sexual culture in crisis What if we took sex out of the box marked special either the worst or best thing that a human person can experience and considered it within the complexity of reality In this extraordinary book despite longstanding tabloid style sexual preoccupations with monsters and victims shame and virtue JoAnn Wypijewski does exactly that From the HIV crisis to the paedophile priest panic Woody Allen to Brett Kavanaugh child pornography to Abu Ghraib Wypijewski takes the most famous sex panics of the last decades and turns them inside out weaving what together becomes a searing indictment of modern sexual politics exposing the myriad ways sex panics and the expansion of the punitive state are intertwined What emerges is an examination of the multiple ways in which the ever expanding default language of monsters and victims has contributed to the repressive power of the state Politics exists in the mess of life Sex does too Wypijewski insists and so must sexual politics to make any sense at all

Religious Book Review, 1976 The Living Church, 1943 Biblical Counsel, 1993 **The Truth about Clergy Sexual Abuse** Bill Donohue, 2021-10-05 This work unpacks the history and root causes of the clergy sex abuse scandals in the United States Building on decades of data and research author Bill Donohue who holds a doctorate in sociology tells the story from a fresh angle and calls us to rethink our assumptions about the Church's handling of these horrific abuses The Truth about Clergy Sexual Abuse challenges many myths about the scandals demonstrating that the abuse of minors is a problem that haunts virtually every institution religious and secular where adults interact with young people The work also provides compelling evidence of the great progress that the Church has made in preventing abuse contrary to public perceptions Indeed the media Hollywood and activist lawyers have poisoned the public mind with tales of old cases giving the impression that nothing has changed Donohue investigates at length the central role that homosexuality played in the

scandal While homosexuality does not cause sexual abuse the prevalence of emotional and sexual immaturity among homosexual clergy explains why they committed most of the molestation Indeed all of the educational institutions of the Catholic Church including the seminaries have been affected by the sexual revolution that began in the 1960s and this book explores the pernicious effects of dissent from Catholic sexual morality *The Crack Cocaine Crisis* United States.
