## **The Politics Of Miltons Prose Style Studies In English No 185:**

**Typology and Iconography in Donne, Herbert, and Milton** Reuben Sánchez, 2014-05-14 This book analyzes the iconographic traditions of Jeremiah and of melancholy to show how Donne Herbert and Milton each fashions himself after the icons presented in Rembrandt's Jeremiah Lamenting the Destruction of Jerusalem Sluter's sculpture of Jeremiah in the Well of Moses and Michelangelo's fresco of Jeremiah in the Sistine Chapel *The Rhetoric of Politics in the English Revolution, 1642-1660* Elizabeth Skerpan-Wheeler, 1992 What happens to the discourse of a political community when the ideological assumptions that underlie that discourse are challenged This book looks at the interdependency between discourse and ideology by examining the petitions published speeches and pamphlets of the English Revolution **Library of Congress Catalogs** Library of Congress, 1976 Books in Print Supplement, 1994 Subject Catalog, 1975 Library of Congress, 1975

**The Politics of Milton's Prose Style** K. W. Y. Stavely, 1975 *John Milton* Calvin Huckabay, P. J. Klemp, 1996 This comprehensive bibliography covers a 20 year period 1968-1988 in Milton studies and criticism perhaps one of the most productive eras in the history of Milton criticism in terms of the quantity of material written and published The book describes the modern state of Milton criticism **Subject Guide to Books in Print**, 1996 Monographic Series Library of Congress, 1979 **Catalog of Printed Books of the Folger Shakespeare Library, Washington, D.C.** Folger Shakespeare Library, 1970 Books for College Libraries: Language and literature, 1988 **Bookseller and the Stationery Trades' Journal**, 1975 Milton and the Victorians Erik Gray, 2011-03-15 The Victorian period was a golden age for the study of Milton Yet the influence of Milton on poetry and on literature more generally during the period is often obscure Victorian writers rarely display the overt self-conscious engagement with Milton that typified so much Romantic writing earlier in the nineteenth century In *Milton and the Victorians* Erik Gray argues that this shift represents not a breach but an expansion if Milton's influence seems less remarkable than before it is due not to his absence but to his pervasiveness Through detailed consideration of works by Elizabeth Barrett Browning Christina Rossetti Matthew Arnold Alfred Tennyson and George Eliot Gray shows how Victorian writers tended to draw upon the less sublime more understated elements of Milton's writings In tracing the characteristically oblique influence of Milton on Victorian authors Gray also draws attention to important aspects of Milton's own work notably the way it often depicts power being exerted indirectly Gray thus proposes new and nuanced models of literary relations while offering original and elegant readings both of Milton's poetry and of major works of Victorian literature **The Publishers' Trade List Annual**, 1981 **Iconoclasm As Child's Play** Joe Moshenska, 2019-04-16 When sacred objects were rejected during the Reformation they were not always burned and broken but were sometimes given to children as toys Play is typically seen as free and open while iconoclasm even to those who deem it necessary is violent and disenchanting What does it say about wider attitudes toward religious violence and children at play that these two seemingly different activities were sometimes one and the same Drawing on a range of sixteenth

century artifacts artworks and texts as well as on ancient and modern theories of iconoclasm and of play Iconoclasm As Child  
s Play argues that the desire to shape and interpret the playing of children is an important cultural force Formerly holy  
objects may have been handed over with an intent to debase them but play has a tendency to create new meanings and  
stories that take on a life of their own Joe Moshenska shows that this form of iconoclasm is not only a fascinating  
phenomenon in its own right it has the potential to alter our understandings of the threshold between the religious and the  
secular the forms and functions of play and the nature of historical transformation and continuity **Books in Series** ,1980
