The Polygamy Revelation And The Death Of Joseph Smith:

The Polygamy Revelation and the Death of Joseph Smith Stuart Martin, 2005-12-01 This scarce antiquarian book is a facsimile reprint of the original Due to its age it may contain imperfections such as marks notations marginalia and flawed pages Because we believe this work is culturally important we have made it available as part of our commitment for protecting preserving and promoting the world s literature in affordable high quality modern editions that are true to the original work

Joseph Smith's Polygamy, Volume 2: History Brian C. Hales, 2013-02-26 Few American religious figures have stirred more passion among adherents and antagonists than Joseph Smith Born in 1805 and silenced thirty nine years later by assassins bullets he dictated more than one hundred revelations published books of new scripture built a temple organized several new cities and became the proclaimed prophet to tens of thousands during his abbreviated life Among his many novel teachings and practices none is more controversial than plural marriage a restoration of the Old Testament practice that he accepted as part of his divinely appointed mission Joseph Smith taught his polygamy doctrines only in secret and dictated a revelation in July 1843 authorizing its practice now LDS D C 132 that was never published during his lifetime Although rumors and expos s multiplied it was not until 1852 that Mormons in Brigham Young s Utah took a public stand By then thousands of Mormons were engaged in the practice that was seen as essential to salvation Victorian America saw plural marriage as immoral and Joseph Smith as acting on libido However the private writings of Nauvoo participants and other polygamy insiders tell another more complex and nuanced story Many of these accounts have never been published Others have been printed sporadically in unrelated publications Drawing on every known historical account whether by supporters or opponents Volumes 1 and 2 take a fresh look at the chronology and development of Mormon polygamy including the difficult conundrums of the Fannie Alger relationship polyandry the angel with a sword accounts Emma Smith s poignant response and the possibility of Joseph Smith offspring by his plural wives Among the most intriguing are the newly available Andrew Jenson papers containing not only the often quoted statements by surviving plural wives but also Jenson s own private research conducted in the late nineteenth century Telling the story of Joseph Smith s polygamy from the records of those who knew him best augmented by those who observed him from a distance may have produced the most useful view of all

The Mormon Delusion. Volume 3. Discarded Doctrines and Nonsense Revelations. Jim Whitefield, 2012-10-01 This is the third in a series of books exposing the truth behind Mormonism In this volume we review doctrines that have been discarded To early Mormons Adam was God and blood atonement was a stark reality These were accepted doctrines which survived for several decades throughout the leadership of several successive prophets Today the Church denies they even existed The origin of the Mormon temple ceremony is established and explained An analysis of changes over the years shows that the rites now enacted bear no resemblance to the original ceremonies Joseph Smith lifted from late eighteenth century Masonic ritual claiming they were restored from the time of Solomon The psychology of a Mormon testimony is explored and

explained Sections of the Doctrine and Covenants are exposed as completely unfulfilled nonsense that Mormons simply cannot see through as long as blind faith precludes rational thinking Visit www.themormondelusion.com for further information on this and other volumes

Latter-day Saint Family Encyclopedia Christopher Kimball Bigelow, Jonathan Langford, 2019-08-20 A home reference guide to key terms in Mormon culture A one volume compendium of Mormon culture this handy reference book covers key doctrinal terms beliefs ordinances church history and growth and more You'll find extensive entries on the prophets and personalities from all four standard works accepted by the

church and many interesting anecdotes and facts on a wide array of topics Teens and adults will appreciate the fresh innovative approach this encyclopedia takes as it culls the vast sea of LDS information available into a manageable book suitable for the whole family

Mormonism Against Itself Raymond D. Moore,2001-08 This is fascinating is a comment often made by those reading this book a product of years of scholarly research This most valuable handbook meets a timely need giving the Christian worker or any interested person material to refute Mormon claims The reader and Mormons themselves may be amazed at the complete reversal of doctrine which the Mormon Church experienced between 1830 when Joseph Smith brought out the Book of Mormon and 1844 when Joseph Smith was shot to death Thus the Mormon leaders in many instances contradicted themselves or their doctrine I have included extensive quotations from original sources since many are rare and difficult to find Forty four subjects of interest are organized alphabetically in the heart of the book making it a quick and easy tool for exposing errors and freeing Mormons from spiritual bondage At the close of the book is a short section summarizing the basic truths of the Holy Bible showing God s love and good news for all mankind as they believe and accept it This is to help an earnest seeker to find eternal life God s grace and forgiveness through our saviour Jesus Christ

Autumn Leaves ,1908 **What Do Mormons Really Believe?** John Ankerberg,John Weldon,2002-01-01 Mormons say they are Christians but are their claims true Are the differences minimal Authors Ankerberg and Weldon go beyond the seeming similarities to look candidly at the Mormon teachings that are clearly incompatible with orthodox Christianity asking questions such as Was God ever a man Were Jesus and Lucifer brothers Is Scripture still being written Are we saved by what we do Are there levels of heavenly glory In clarifying the meanings of terms Mormons use and their views on the Bible Ankerberg and Weldon reveal the chasm between Mormonism and traditional Christianity This clear well written guide equips readers to use the truths of God s Word to defend the faith

Vision ,1908 *An Introduction to Mormonism* Douglas James Davies,2003-10-23 The Church of Jesus Christ of Latter day Saints is one of the fastest growing religious movements in the world It is highly visible with a massive missionary program yet it remains a mystery in terms of its core beliefs and theological structure This 2003 book provides an introduction to the basic history doctrines and practices of The LDS the Mormon Church Written by a non Mormon it neither seeks to prove or disprove the truthfulness of the religious claims of that faith but rather to describe them in ways that non Mormons can understand Particular emphasis is given to sacred texts and prophecies as well as to the crucial Temple rituals of endowments marriage and baptism for the dead through which human beings may achieve their divine potential This rich comparative study offers an understanding of Mormon theology and ideas of humanity

The Utah Magazine E. L. T. Harrison,W. S. Godby,1869 *Saints Herald* ,1877 **Cassell's History of the United States** Edmund Ollier,1880 *Doctrines and Dogmas of Brighamism Exposed* J. D. Stead,1911

Good News for Latter-Day Saints (Mormons) Robert James,2021-01-14 It is no exaggeration to say that the Mormons the Latter day Saints are a fascinating people Since 1830 they have been a part of the great mosaic of America

Persecuted by mobs driven from place to place their incredible courage in the face of unrelenting hostility has wielded them into a formidable presence especially in the State of Utah Founded in New York State by the charismatic Joseph Smith Jr he said he was personally commissioned by God to restore pure Christianity to the world The Book of Mormon this most perfect book was his initial written binding revelation to his church Joseph Smith was a controversial figure in his day accused of being a fraud a racist a womanizer a disrupter of good morals and a dictator One thing he did do well was to gather people into his church make them believe in themselves and strengthen them into being a formidable force for Mormonism Smith led them through armed conflict against hostile neighbors even against government militias Gun battles and extreme violence were commonplace Eventually Joseph Smith was captured and assassinated all this by age forty Nobody was convicted of his murder Smith is perhaps the most understudied under estimated and misunderstood character in American history He was no ordinary man When his successor Brigham Young led the Latter day Saints to a place of sanctuary today s Salt Lake City Utah it was one of the most epic unifying journeys in American history In the past some of their unusual practices were total obedience to the leadership blood atonement and especially polygamy Some of these were discarded 1890 so today most Mormons are good neighbors However there are Mormon outlaws who still practice such unsavory things hoping to resume them all One goal of the early saints was to conquer Missouri next the entire country then the world Today the Mormon Church is one of the wealthiest and most powerful organizations on the planet Its influence and missionary outreach is worldwide As possibly the fastest growing faith in the world maybe someday they will succeed Then what will be next
