In a big oven, a mother gnome bakes tube cakes, which look like doughnuts!

A father gnome teaches his son about the kinds of work he will do out in the world. Here, he explains some methods for carving wood.

Normal Family Chrysta Bilton, 2022-07-12 This riveting nuanced memoir about unforgettable individuals thrown together by chance and DNA tells a story of nature, nurture, and coming to terms with one's true inheritance. What is a normal family and how do you go about making one? Chrysta Bilton's magnetic larger-than-life mother Debra yearned to have a child but as a single gay woman in 1980s California she had few options. Until one day while getting her hair done in a Beverly Hills salon she met a man and instantly knew he was the one she'd been looking for. Beautiful, athletic, artistic, and from a well-to-do family, Jeffrey Harrison appeared to be Debra's ideal sperm donor. A verbal agreement: a couple of thousand in cash and a few squirts of a turkey baster later, and Chrysta was conceived. Over the years Jeffrey would make regular appearances at the family home, which grew to include Chrysta's baby sister. But how much did Debra really know about the man she'd chosen to father her daughters? And as a single mother torn between ferocious independence and abject dependence on other women, alcohol, drugs, and the adrenaline of get-rich-quick schemes, what secrets of her own was she keeping? It wasn't until Chrysta was a young adult that she discovered just how much her parents had hidden from their daughters and each other, including a shocking revelation with far-reaching consequences not only for Debra, Chrysta, and her sister but for dozens and possibly hundreds of unsuspecting families across the country. After a lifetime of longing for a normal family, can Chrysta face the reality of her own in all its complexity? Bringing us into the fold of a deeply dysfunctional yet fiercely loving clan that is anything but normal, this emotional roller coaster of a memoir will make you cry, laugh, and rethink the meaning of family.
