On the Power of God Saint Thomas Aquinas,Aeterna Press,1992 Now just as nothing suffers save by reason of a passive power so nothing acts except by reason of the first act namely the form For it has been stated that this first act is so called from action Now God is act both pure and primary wherefore it is most befitting to him to act and communicate his likeness to other things and consequently active power is most becoming to him since power is called active forasmuch as it is a principle of action We must also observe that our mind strives to describe God as a most perfect being And seeing that it is unable to get at him save by likening him to his effects while it fails to find any creature so supremely perfect as to be wholly devoid of imperfection consequently it endeavours to describe him as possessing the various perfections it discovers in creatures although each of those perfections is in some way at fault yet so as to remove from God whatever imperfection is connected with them Aeterna Press

**The Power of the Resurrection** Francis Innocent Ootobo, 2012-09-29

The Resurrection of Jesus is one of the central beliefs of the Christian faith. This belief and teaching cut across all the Christian denominations. Hence Paul teaches that if Christ had not risen from the dead, then we would have been the most foolish of all religious groups. But the fact that He Christ died and came back to life gives us the opportunity to glory in the resurrected Christ. The book *The Power of the Resurrection* is centered on the resurrection of Jesus and the meaning that this resurrection has for us as individual Christians who believe in the risen Lord. It is not a theological work aimed at defining the resurrection, nor is it a historical work aimed at tracing or verifying the veracity of the resurrection. No, it is rather a faith-lifting book on the basis of the resurrection story as we have it in the Christian Bible. Just as Jesus rose from the dead in the midst of all the opposing tides, so shall those who trust in him rise above all opposing tides in their life. Jesus could not be stopped, so also by the grace of Him who rose from the dead, nothing is going to stop your upliftment and manifestation also. The resurrection shall be your experience in your daily life, and at the end of time, he who raised Jesus from the dead shall give life to your own mortal body too. This is the argument of the book. Jesus, the son of God, came into the world for the love of humanity. His teachings were misunderstood, and so through the journey to Calvary, he was crucified and died on the cross on Calvary. Yes, he died. The chief priests and the scribes and the Pharisees, in conjunction with Pilate, conspired against him. He was sentenced to death. He accepted the death willingly and lovingly. He died that we might be saved. Hence his death brought salvation to the world. However, before he died, he promised the resurrection. He did not hide the fact of the resurrection. Openly, he said the son of man shall be delivered into the hand of sinners; he shall be put to death, but on the third day, he will rise again. In another place, he said, "Destroy this temple, and in three days I shall raise it up," and there was misunderstanding again. The people thought he was referring to the physical temple, but from Scripture, we know he was referring to his body rising from the dead. Thus, he did speak about the resurrection quite clearly. This is where this book hinges its weight. Because he promised the resurrection after the execution, the chief priests and the soldiers, knowing what he was capable of doing, asked the permission of Pilate for the grave to be guarded till the third day. This is because he said on the third day, "I will rise again." They knew that it could happen. They said, "This man who gave sight to the blind, who raised the dead, Lazarus, and also Jairus' daughter, who cleansed lepers, who casts out devils, this same man said on the third day, 'I will rise again.' And they concluded if he should rise again from the dead, then it will be worse for us. Hence they received the permission to guard the grave to prevent any rising from the dead. Humanly speaking, therefore, the resurrection would not have been possible. This is because they did everything to prevent it. They put a very big stone to wedge the entrance, hence no coming out and no going in. More so, they stayed on guard with weapons to prevent any fraudulent act. They were prepared to kill again even if he should try to come out of the grave, that is, if he was able to overcome the wedging stone. Therefore, from the human point of view, it was

impossible By their calculation they have overcome they have conquered and they have become victorious The Power of Soul Zhi Gang Sha,2012-12-11 For the first time Dr Sha teaches readers how to increase their longevity attain wealth and prevent illness through a fusion of Eastern and Western medicine and philosophy that will revolutionize their understanding of healing Through his internationally acclaimed principles and techniques Dr Sha provides a simple answer to the age old question what is the real secret to healing Heal the soul first and the mind and body will follow This third book in his bestselling Soul Power series dives deep into spiritual mysteries and reveals ancient secrets and lessons that readers can apply to every area of the daily routine clearing up negative energy blockages and discovering their capacity for unconditional love and forgiveness The Power of a Praying Teen Stormie Omartian,2015-08-01 Bestselling author Stormie Omartian raised teenagers to adulthood and her mother s heart for this age group 14 to 18 year olds gives her the perfect foundation for a book on prayer specifically targeting this exciting and challenging time of life Along with Scripture verses and true stories of teens in action The Power of a Praying Teen addresses key issues young people face including purity peer pressure insecurity body self image friendships Each segment of the book concludes with a prayer that teens can follow or use as a model for their own prayers Easy to access chapters focus on what it means to be maturing in all areas of life including talking to God in prayer Young men and women just on the cusp of growing up will find the compassion help direction strength and stability that comes with knowing and hearing from God in The Power of a Praying Teen
