The Power Behind Your Dreams:

The Power Behind Your Eyes Robert-Michael Kaplan,1995-10-01 Good vision is more than the ability to see 20/20 on an eye chart. Any vision problem is a message alerting us to an unbalanced inner state. Eyeglasses, medications, and surgery may correct poor vision, but they cannot correct this inner imbalance. In *The Power Behind Your Eyes*, Robert Michael Kaplan presents Integrated Vision Therapy, a comprehensive daily program that can actually improve as well as treat the inner causes of poor vision. More comprehensive than other vision care techniques, Integrated Vision Therapy takes a holistic approach to identifying the causes of vision problems and developing noninvasive, natural strategies for treatment, including clear, easy-to-follow exercises, diets, and changes in daily habits.

The Power of Your Dreams

Stephanie Ike Okafor,2024-08-20 NATIONAL BESTSELLER How would your life look if you gained years of wisdom, guidance, and strategy while you were asleep? That's exactly what you receive when you tap into the power of God's voice in your dreams. *The Power of Your Dreams* isn't just words on a page; it's a tool every believer needs to receive personal instruction for their destiny. Travis Greene, pastor, recording artist, and author, says the average person spends twenty-six years of life sleeping. That time was created not only to enjoy the physical benefits of rest but to engage in the presence of God and access His guidance for our days. Through fascinating real-life stories, Pastor Stephanie Ike Okafor reveals how dreams have equipped her and many others throughout history, and she shows how you too can receive revelation from God through your dreams. Anchored in biblical truth, *The Power of Your Dreams* answers your most perplexing questions about dreams: Are all dreams from God? How do I know if my dream contained a message from God? How do I interpret my dreams? Do nightmares have any meaning? God spoke to His people through dreams in biblical times. Today, He speaks to you in the same way, inviting you to unlock hidden treasures of wisdom. Discover richer clarity and confidence in your purpose, as well as enjoy a strengthened relationship with God, as you learn how to recognize and respond to His voice in your dreams.

that almost completely levels the world's life during the war as everyone was busy fighting each other. However, the true enemy that dreadful day was Malavis, who was hiding in the shadows till the war was over. It was all his intention to become the only remaining ruler of the world. There was the only one left standing in his way. In the end, Gellik would get the last laugh by saving Elden with his keen research and ability to store information that would otherwise be lost forever. After the war, a new Divinity would rise. Though he wouldn't be like anything before, The Miraculous Stone, Gentle and unsure, he would use his new found powers to recreate life in the world. This would be the beginning of Elden's bright future. First it was the Order. They would become the first of intelligent life charged with creating ideas that could better the world as a whole. Then the newest to join the order thinks of an idea that is beyond anything they've seen before, which causes another order member, Anteevon, to become jealous. The order grants him permission to bring his dream to life, giving him the greater wand that is used to forge the masterful ideas they come up with. He would embark on a journey that would take him across the world. The first to use the Gateway would also be the last. Dreoravers sought out the means to gain the power to get revenge. Orthboneus wanted his idea to better their world, instead it became a nightmare. With the first users becoming a threat, he used his magical powers to lock them away inside. During which, the Miraculous Stone created more life. Years of kingdoms rising, names and titles earned. Once Orthboneus Liro was drained completely, he could no longer hold the Ravers in place. Fleeing before they woke, Feeling betrayed, their rage grew even more, unleashing a wrath that would cause Elden to respond quickly. Ojintez, King of the Klays, would take this time of desperation to unite. In turn, after a swift war, achieves victory. But the Ravers would retreat back to the now corrupted Gateway. The Stone, alongside the Order, would commend him of this incredible feat, naming him hero of Elden and head of the new protectors of the world. The Council
