The Power Of Knowledge In Real Estate:

The Power of Knowledge in Real Estate Francesco M. Di Meglio, 2002-04-26 In *The Power of Knowledge in Real Estate Investments* Francesco Di Meglio has written a down to earth easy to understand practical guide for anyone buying or selling a property Francesco has seen it all in his more than 25 years in the real estate business and he distills his knowledge and experience to demystify the field with clear examples of strategies he has used to make money and build up a list of satisfied clients He believes that real estate is an excellent investment with its own ground rules that must be understood and followed The book excels in the examples of investing in income properties He lays out the numbers for various transactions purchase of duplexes apartments commercial and industrial properties leasing property development and tells the reader about the pitfalls to consider Francesco believes firmly that a good investment is good for both buyer and seller By following the simple rules that he describes he hopes to give others a chance to enjoy the success he has had in this challenging field
