Mangan, Dong Jinxia, 2013-09-13 Beijing 2008 Preparing for Glory Chinese Challenge in the Chinese Century brings together international scholars with an interest in sport and politics and sinologists with an interest in China past present and future to explore global reaction to the Beijing Olympics China s anticipated moment of glory on the world stage The Beijing Olympics was first and foremost a political act of assertion It was also a statement of national intent the culmination of ideological effort going back to 1949 and the outcome of political social cultural and economic change From the moment of the birth of the New China sport has been viewed as a means of internal and external projection illustrating the capacity of the system and people to more than hold their own with those of other nations In short sport has been the chosen stage on which the Chinese perform in pursuit of world recognition respect and esteem This assertion is not hard to understand China s century of humiliation at the hands of first the West and then Japan remains a traumatic experience Beijing 2008 was to assist the restoration of China s national self esteem He Zhenliang Chairman of the IOC Commission for the Culture of Olympic Education has remarked pointedly that the most significant outcome of the Beijing Games will be the elevation of the self

confidence and sense of pride of the Chinese people Beijing 2008 was an act of political self renewal on the world stage This Collection demonstrates that sport is inseparable from politics This book was previously published as a special issue of the International Journal of the History of Sport An Anthology of French and Francophone Singers from A to Z Michaël Abecassis, Marcelline Block, 2018-06-11 Every musical form has had an impact on the linguistic practices of our society French song is a vector of cultural social and stylistic values Throughout the world songs in the French language are used in the teaching of French professors incorporate songs into the curriculum in order to illustrate differences of register and linguistic variation as well as to raise lexical or grammatical questions As a form of popular expression song is a genre that has in recent years become the focus of serious academic scholarship and criticism However few linguists have paid attention to French song and its linguistic uses This richly illustrated mini dictionary about French singers fills this gap by offering a collection of portraits of the greatest singers of the French language and how they have constructed the musical landscape in both France and the larger francophone community and the world as a whole Through re discovering these classic and contemporary artists who contribute to the creation of the sonorous universe of the 20th and 21st centuries the volume determines how these musical genres influence the French language and nourish our collective imagination By plunging into francophone song one can achieve a better understanding of the culture and the language of its speakers

Women and the Olympic Dream Maria Kaj, 2022-07-28 On an April morning in 1896 unemployed single mother Stamata Revithi ran the 40 kilometers from Marathon to Athens finishing in 5 hours 30 minutes Barred from the first Olympic marathon she was determined to prove herself Through more than a century of Olympic Games history women athletes who were held back from swimming because long skirts were required limited to running single lap races because of fallacies about fragility or forced to endure invasive gender exams competed in spite of endless challenges From Athens 1896 to Tokyo 2020 this history of women s participation in the Olympic Games centers on athletes who overcame entrenched inequity to gain inclusion
