Wilson, Lorane Wilson, 2018-05-01 What would it look like if your church really took the last words of Jesus seriously The Great Commission was not just a suggestion by our Lord but an imperative mandate given to his followers Missionary sending agencies are deploying workers to the field but many of them come from disengaged churches that are not producing well equipped disciples We need a fully integrated global supply chain a pipeline that has disciples as the precious commodity as well as an effective infrastructure to distribute and replicate them around the globe Pipeline seeks to re engage the church in mobilizing the next generation of workers for the harvest This is a collaboration of forty different authors from churches agencies and cross cultural servants As people in distant places wait for a messenger of hope and salvation will your church venture into the pipeline      **Living the Great Commission in Madagascar** Carl E.

Braaten, 2023-03-12 Clara Agnes Braaten kept a diary from the year she married the author s father Torstein Folkvard Braaten in 1922 until she was ninety four years old Three weeks after they were married they departed Minneapolis by train for New York City to board the Stavangerfjord a fine Norwegian ocean liner to cross the Atlantic Ocean on their way to Bergen Norway The author s father had accepted a call from the Foreign Mission Board of the Norwegian Lutheran Church in America to become a missionary to Madagascar The couple decided to visit Norway on their way to Paris France where they were to spend one year learning the French language In this book the author draws on his mother s diaries to highlight why his parents obeyed the Great Commission and how they lived it every day in Madagascar The book includes excerpts selected from his mother s diary as well as a brief narrative of what the author remembers about growing up in Madagascar Whether you re interested in missionary life the Lutheran Church the history of Madagascar or genealogy you ll enjoy Living the Great Commission in Madagascar      Subject Guide to Books in Print , 1996      **The Great Commission Connection**

Raymond F. Culpepper, Editor, 2011      **Report of the University Commission** South Africa. University

Commission, University of South Africa, 1914      **The Pulse of a Nation** Jerry L. Williamson, 2015-03-12 The Pulse of a Nation Is the American Church in trouble Many Christian leaders in other countries are deeply concerned for the American Church They cannot understand why we do not see what is happening in our church culture more clearly and do something about it Has the American Church abandoned many of the fundamental principles that were imparted to them This growing global concern for the American Church did not start recently Over three decades ago the late David Watson a Christian leader from Great Britain predicted that by the close of the twentieth century Christianity in the West would probably be too self indulgent to be a global factor Sound the Alarm Is cultural relativity really our problem It is time for the true body of Christ to rise up and no longer give in to being a product or participant of our current moral declining society It is time for a CULTURAL WAR It is time for the Church to be unwavering in its commitment to the true faith Anything less will leave the

American Church in a state of dying a slow costly death Confronting a Post Christian Culture What will it take Dr Jerry Williamson has put his finger on the pulse of the Western Church His diagnosis is accurate well articulated and documented The cure is equally clear and achievable if the Church has the discipline and will to apply his prescription DON T READ THIS BOOK unless you want to be convicted challenged and changed Dr Williamson is a modern day prophet crying in a secular and religious wilderness Our response to his message will determine the future of our nation Dr Charles Travis general secretary Communion of Evangelical Episcopal Churches and president Aidan University DR JERRY WILLIAMSON is president of GO TO NATIONS a worldwide missions sending agency and is well known for his passionate love for God s Church and for the global harvest He ministers to pastors and church leaders around the world adding value and effectiveness to their ministries DR WILLIAMSON is greatly appreciated for his down to earth teaching style and his ability to articulate truth in a clear and concise way

Federal Trade Commission, 1939 **Paperbound Books in Print 1995** Reed Reference Publishing, R5ference Reed, 1995-12 The Silent Church Robert William Brock, Jr., 2009-09 Author of God s Plan for a Joy Filled Life God s Plan for the Family God s Plan for a Father My Daily Devotional My Daily Devotional Volume II My Daily Devotional Volume III Our Kentucky Heritage In 1954 a little known law was pushed through Congress by Lyndon B Johnson who later became our President which has impacted the freedom of all Christians more than any other law in the history of our nation This law has resulted in silencing the churches their leadership and their pastors thus resulting in the moral decay of our society Since the passage of this law we have seen the sin of abortion take the life of millions of innocent unborn babies We have seen the sacred institution of marriage between one man and one woman being compromised by the gay and lesbian community We have seen the right of prayer being removed from our schools and our government This law has silenced our churches and our pastors thus resulting in the moral decay of our society This book discusses the history of how this law came to be where we are today and what the future holds for our Christian nation but most of all what we can do to reclaim our great nation for God Report of the National Commission on Restructuring the Internal Revenue Service United States. Congress. House. Committee on Ways and Means. Subcommittee on Oversight, 1998 *Financial Faithfulness* Roger Gum, 2022-02-22 One of the great challenges of life is to limit distractions in order to focus on what matters the most Regardless of how much or little we have issues of money threaten to sidetrack us If we have a lot of money we fear losing what we possess We are tempted to put our hope in our wealth instead of God If we don t have so much we stress about not having enough to provide for our families and are often consumed with the desire for more Financial Faithfulness seeks to change your view of money by showing you how to use it in God s best interest When it comes to managing money this question is crucial What is required from me to be a faithful steward As you begin to see riches from a biblical perspective you can experience the financial freedom and peace of mind that everyone desires but few find Free study guides and other resources available at [www.FinFaith.com](http://www.FinFaith.com) *Mobilizing*

Johnston, 2011-05-23 Mobilizing a Great Commission Church for Harvest addresses practical aspects of evangelism in the local church with the voices and views of nineteen current Southern Baptist professors of evangelism They address important topics to local church evangelism such as Invitations with integrity and Preparing for Spiritual Warfare Key leaders and professors write in their areas of expertise For examples Alvin Reid writes on Mobilizing Students David Wheeler on Servant Evangelism Josef Solc on Sports Evangelism and Darrell Robinson on The Evangelist In addition the book begins and ends with two different applications of Matthew's Great Commission Mobilizing a Great Commission Church for Harvest is a gold mine of information for both pastor and deacon as it is for students considering the importance of evangelism to local church ministry It is fresh new and true as all of its authors teach at SBC affiliated schools and are grounded in the Bible as the inerrant Word of God

**Healing from the Heart** Rochelle Graham, Wayne Irwin, Flora Litt, 1998 To have health is to have a balance and harmony between the physical emotional mental spiritual and relational aspects of the self In healing we endeavor to restore this balance when it has become off kilter In Christian scripture and liturgy there is a rich history of healing Healing from the Heart traces the tradition of Christian healing and explores the mystery of prayer Church groups interested in beginning a healing ministry will find this an invaluable resource offering meditation resources healing services and well tested and practical hands on healing methods

*Resuscitating Evangelism* Ernest L. Easley, Jordan Easley, 2020-03-03 When was the last time you shared your faith If we're being honest it's an awkward challenging conversation Christians know that we're supposed to be sharing the gospel with the lost Jesus gave us the Great Commission before he left telling us to go and make disciples of all nations But we still just don't do it Why Is evangelism dead Here's the good news evangelism is the means by which Jesus promised to build his church and Jesus will make good on his promises In Resuscitating Evangelism father son duo Jordan and Ernest Easley both pastors and evangelists share a biblical strategy for obeying Jesus and bringing new life to evangelism As we bring new life to evangelism we'll see God bring new life to the lost all around us
