The Presidency Of Harry S Truman

Margaret Truman

The Presidency Of Harry S Truman:

The Presidency of Harry S. Truman Donald R. McCoy, 1984 In this volume in the American Presidency Series McCoy recounts and evaluates the record of the Truman Administration and identifies its distinctiveness and relations to the past its own time and the future Focusing on the problems that faced the United States between 1945 1953 he explains how Truman's vigor in championing civil rights health labor education and natural resource policies brought him immense unpopularity and how despite this Truman triumphed in 1948 winning bipartisan support for his foreign and military policies The author depicts Truman as an honest hard working capable and complex man and describes his relationships with his staff Congress foreign representatives the judiciary political parties the press the public and influential private citizens ISBN 0 7006 0252 6 25 00

Harry S. Truman Robert H. Ferrell, 2003-11-21 Each volume in the new American Presidents Reference Series is organized around an individual presidency and gathers a host of biographical analytical and primary source historical material that will analyze the presidency and bring the president his administration and his times to life The series focuses on key moments in U S political history as seen through the eyes of the most influential presidents to take the oath of office Unique headnotes provide the context to data tables and excerpted primary source documents Harry Truman was born on May 8 1884 He served with distinction during World War I as a commander of an artillery battery and he ultimately attained the rank of major In 1922 with the support of political boss Tom Pendergast Truman was elected as a county judge He lost reelection but then won again as presiding judge in 1926 and 1930 In 1934 Truman was elected to the U S Senate where he supported President Franklin Roosevelt's New Deal policies and entry into World War II When Vice President Henry Wallace alienated Democratic Party leaders Truman was nominated for vice president On April 12 1945 eighty two days into Truman's vice presidency Roosevelt died in Warm Springs Georgia At the age of sixty one Truman was sworn in as the thirty third president of the United States Key events during the Truman presidency include victory in World War II and Truman's decision to drop atomic bombs on Japan the start of the cold war with the Soviet Union and its eastern European satellites the Marshall Plan the Berlin airlift the Fair Deal price control legislation and the McCarthy hearings In March 1952 Truman announced that he would not seek reelection Harry S Truman died on December 26 1972 This new volume on the presidency of Harry S Truman will cover campaigns elections and the Pendergast connection Senator Truman particularly his chairmanship of the Special Committee to Investigate the National Defense Program FDR World War II and the atomic bomb decision Joseph McCarthy the cold war and the police action in Korea civil rights

Harry S. Truman Robert H. Ferrell, 2013-07-22 Few U S presidents have captured the imagination of the American people as has Harry S Truman the man from Missouri In this major new biography Robert H Ferrell widely regarded as an authority on the thirty third president challenges the popular characterization of Truman as a man who rarely sought the offices he received revealing instead a man who with modesty commitment to service and basic honesty moved with method and system toward the

presidency Truman was ambitious in the best sense of the word His powerful commitment to service was accompanied by a remarkable shrewdness and an exceptional ability to judge people He regarded himself as a consummate politician a designation of which he was proud While in Washington he never succumbed to the Potomac fever that swelled the heads of so many officials in that city A scrupulously honest man Truman exhibited only one lapse when at the beginning of 1941 he padded his Senate payroll by adding his wife and later his sister From his early years on the family farm through his pivotal decision to use the atomic bomb in World War II Truman s life was filled with fascinating events Ferrell s exhaustive research offers new perspectives on many key episodes in Truman s career including his first Senate term and the circumstances surrounding the Truman Doctrine and the Marshall Plan In addition Ferrell taps many little known sources to relate the intriguing story of the machinations by which Truman gained the vice presidential nomination in 1944 a position which put him a heartbeat away from the presidency No other historian has ever demonstrated such command over the vast amounts of material that Robert Ferrell brings to bear on the unforgettable story of Truman s life Based upon years of research in the Truman Library and the study of many never before used primary sources Harry S Truman is destined to become the authoritative account of the nation s favorite president

Tumultuous Years Robert J. Donovan,1982 The Autobiography of Harry S. Truman Harry S. Truman,1980 The Autobiography of Harry S Truman is a compilation of autobiographical writings composed by Truman between 1934 and 1972 Taken directly from his own manuscript material the volume presents the thoughts and feelings of the man himself The book touches on details in Truman s life from his days as a boy until graduation from Independence High School in 1901 to the vice presidency of the United States and beyond There is also a memorandum written by Truman about the Pendergast machine in Kansas City telling how it was possible to work with the machine and not be soiled by it The Autobiography concludes with some of the retired president s thoughts about politics and the purposes of public life Copyright Libri GmbH All rights reserved Talking with Harry Harry S. Truman,2001 In his eight years as president from 1945 1953 Harry S Truman made some of the most important decisions in U S history particularly in foreign policy matters This book contains transcripts of conversations with Truman from taped interviews in 1959 The probing questions and straightforward answers cover a wide variety of domestic and foreign policy issues ranging from civil rights in the South to using the atomic bomb on Japan This book provides a vivid portrait of Trumanwarts and all Through his answers to questions the threads of his political loyalty bluntness frustration decency thrift humanity and humor become a tapestry of his presidential character His intense pride and manner surface especially as he explains bitter political and domestic controversies as well as foreign policy decisions These interviews reveal Truman s bedrock foundation of deeply held political beliefs as he gives thoughtful answers to queries about major political issues In addition he discusses American presidential history Congressmen such as Sam Rayburn and Lyndon Johnson Supreme Court Justices and dozens of other well known political leaders including Dwight D Eisenhower Adlai Stevenson and John F Kennedy In similar fashion he

describes numerous foreign leaders including Joseph Stalin Adolf Hitler Benito Mussolini Winston Churchill and Chiang Kai Shek Evident as well is his firm loyalty to the United States his family his friends and the Democratic Party Truman also divulges some of his personal dislikes particularly of political opponents such as Richard M Nixon and for over a decade after 1952 Dwight D Eisenhower However his personal resentments are more than matched by his fair minded judgments of former President Herbert Hoover American farmers laborers and racial groups Discovered by Ralph Weber at the Harry S Truman Presidential Library the interviews were originally to be used as background for Truman s book Mr Citizen 1960 but most of Truman s obs

Harry S. Truman Robert Dallek,2008-09-02 The plainspoken man from Missouri who never expected to be president yet rose to become one of the greatest leaders of the twentieth century In April 1945 after the death of Franklin Delano Roosevelt the presidency fell to a former haberdasher and clubhouse politician from Independence Missouri Many believed he would be overmatched by the job but Harry S Truman would surprise them all Few chief executives have had so lasting an impact Truman ushered America into the nuclear age established the alliances and principles that would define the cold war and the national security state started the nation on the road to civil rights and won the most dramatic election of the twentieth century his 1948 whistlestop campaign against Thomas E Dewey Robert Dallek the bestselling biographer of John F Kennedy and Lyndon B Johnson shows how this unassuming yet supremely confident man rose to the occasion Truman clashed with Southerners over civil rights with organized labor over the right to strike and with General Douglas MacArthur over the conduct of the Korean War He personified Thomas Jefferson s observation that the presidency is a splendid misery but it was during his tenure that the United States truly came of age The Trials of Harry S. Truman Jeffrey Frank,2022-03-08 The nearly eight years of Harry Truman s presidency among the most turbulent in American history were marked by victory in the wars against Germany and Japan the first use of an atomic bomb and the development of far deadlier weapons the start of the Cold War and the creation of the NATO alliance the Marshall Plan to rebuild the wreckage of postwar Europe the Red Scare and the fateful decision to commit troops to fight a costly limited war in Korea Historians have tended to portray Truman as stolid and decisive with a homespun manner but the man who emerges in The Trials of Harry S Truman is complex and surprising He believed that the point of public service was to improve the lives of one s fellow citizens and fought for a national health insurance plan While he was disturbed by the brutal treatment of African Americans and came to support stronger civil rights laws he never relinquished the deep rooted outlook of someone with Confederate ancestry reared in rural Missouri He was often carried along by the rush of events and guided by men who succeeded in refining his fixed and facile view of the postwar world And while he prided himself on his Midwestern rationality he could act out of instinct and combativeness as when he asserted a president s untested power to seize the nation s steel mills The Truman who emerges in these pages is a man with generous impulses loyal to friends and family and blessed with keen political instincts but insecure quick to anger and prone to hasty decisions Archival discoveries and

research that led from Missouri to Washington Berlin and Korea have contributed to an indelible and intimate The Washington Post portrait of a man born in the 19th century who set the nation on a course that reverberates in the 21st century a leader who never lost a schoolboy's love for his country and its Constitution **Conflict and Crisis** Robert J. Donovan,1977 This biography of Harry S Truman takes us from his taking over from F D R to the postwar upheaval from the Cold War to 1948 Harry S. Truman Ann Gaines,2001-08 Traces the childhood education employment and political career of this president *Harry S. Truman* United States. President (1945-1953 : Truman),1964 **Mr. President** Harry S. Truman,1952 *Truman Speaks* Harry S. Truman,2011-10-01 **Harry S. Truman** Jeffery Blane Cook,2011 Truman the thirty third president of the United States was thrust into office on April 12th 1945 His path to the presidency did not follow a straight trajectory Truman had been an ordinary American growing up in the Midwest where he was raised by parents who were unable to provide the benefits associated with rank or status Truman made up for his lack of pedigree through dedication and hard work However hard work did not always mean immediate reward as was the case with life on the family farm or Truman's numerous business failures In fact failure was one of the guiding constants in his life but the man always managed to overcome obstacles and personal setbacks This book examines Harry S Truman focusing on his long road from ordinary American to president of the United States *Harry S Truman: The Economics Of A Populist President* E Ray Canterbury,2014-03-19 Harry S Truman is best remembered as the President who witnessed the swift arrival of the Cold War in the tumultuous years after World War Two Little however has been written to show that he was also the populist President who set the political economic course for the United States to win it merely 40 years later In this timely biography E Ray Canterbury captures the spirit of the man who first and foremost was a politician who crafted political programs such as the Fair Deal program full employment program New Deal program reconversion stabilization and agriculture programs through the lens of progressiveness He focuses on Truman's populist economics by charting Truman's early years the makings of his populist character his beginnings in Washington Communism and the Truman Doctrine the campaign of 1948 the Marshall Plan the firing of General MacArthur and the Korean War While the economic aspects of his term were fundamentally that of war and peace Canterbury analyses in great depth Truman's economic policies and instruments such as the Employment Act of 1946 and the President's Council of Economic Advisers CEA results of Truman's presidency that other authors of books on Truman have largely ignored Harry S Truman The Economics of a Populist President shows how Truman should be remembered As a progressive politician whose populist policies rank him among the near great Presidents in the tradition of William Jennings Bryan Theodore Roosevelt and Woodrow Wilson **Harry S. Truman** Jim Hargrove,1987 Traces the life and political career of the statesman from Missouri who became president of the United States following the death of Franklin D Roosevelt in 1945 Truman Speaks Harry S. Truman,1960 Lectures and discussions held at Columbia University on April 27 28 and 29 1959 Harry S. Truman and the News Media Franklin D. Mitchell,1998 Based upon

extensive research in the papers of President Harry S Truman and in several journalistic collections Harry S Truman and the News Media recounts the story of a once unpopular chief executive who overcame the censure of the news media to ultimately win both the public's and the press's affirmation of his personal and presidential greatness Franklin D Mitchell traces the major contours of journalism during the lifetime and presidency of Truman Although newspapers and newsmagazines are given the most emphasis reporters and columnists of the Washington news corps also figure prominently for their role in the president's news conferences and their continuing coverage of Truman and his family Broadcast journalism's expanding coverage of the president is also explored through chapters dealing with radio and television President Truman's advocacy of a liberal Fair Deal for all Americans and a prudent and visible role for the nation in world affairs drew fire from the anti administration news media particularly the publishing empire of William Randolph Hearst the McCormick Patterson newspapers the Scripps Howard chain and the Time Life newsmagazines of Henry R Luce Despite press opposition and the almost universal prediction of defeat in the 1948 election Truman was victorious in the greatest miscalculated presidential election in journalistic history During his full term Truman's relations with the news media became contentious over such matters as national security in the Cold War the conduct of the Korean War and the continuing charges of communism and corruption in the administration Although Truman's career in politics was based on honesty and the welfare of the people his early political alliance with Thomas Pendergast Kansas City's notorious political boss provided the opportunity for a portion of the press to charge Truman with subservience to Pendergast's own agenda of corrupt government The history and the dynamics of the Truman presidency and the American news media combined with biographical and institutional sketches of key individuals and news organizations make Harry S Truman and the News Media a captivating and original investigation of an American president Well written and researched this book will be of great value to Truman scholars journalists and anyone interested in American history or presidential studies **Harry S. Truman** Margaret Truman, 1972 Portrait of a President By His Daughter The Accidental President Albert J. Baime, 2017 During the atomic earthshaking first 120 days of Harry Truman's unlikely presidency an unprepared small town man had to take on Germany Japan Stalin and a secret weapon of unimaginable power marking the most dramatic rise to greatness in American history

Yeah, reviewing a ebook **The Presidency Of Harry S Truman** could amass your near associates listings. This is just one of the solutions for you to be successful. As understood, realization does not suggest that you have fantastic points.
