*The Presidency of James Earl Carter, Jr* Burton Ira Kaufman, Scott Kaufman, 2006 A thoroughly revised updated and newly illustrated version of the Gaddis Smith called the best book on the totality of the Carter presidency The new edition includes more on the former president's foreign and environmental policies and expands coverage of the personal Carter as well as his wife Rosalyn's activist role during his administration

*The Presidency of James Earl Carter, Jr* Burton Ira Kaufman, 1993 Examination of the Carter Presidency concentrating on major issues including arms control and the energy crisis

**State of the Union Addresses** Jimmy Carter, 2021-05-19 In State of the Union Addresses former President Jimmy Carter presents a compelling selection of his annual addresses delivered to Congress offering a profound glimpse into the political climate and domestic policies of the late 1970s The speeches reflect Carter's earnest commitment to ethical governance and social justice articulated through a conversational yet poignant literary style His addresses navigate crucial themes such as human rights energy crises and economic challenges set against the backdrop of a transformative era in American history showcasing not only the dilemmas faced by his administration but also the broader societal aspirations of the time Jimmy Carter's journey to the presidency was marked by his deep roots in Georgia and a background as a peanut farmer and community leader These experiences cultivated his sense of humility resilience and moral conviction which prominently influenced his vision for America His emphasis on empathy and human dignity permeates these addresses illustrating a leader who sought to guide a nation through turbulent times while fostering hope and restorative change This collection is essential for readers interested in American political history and the complexities of presidential rhetoric Carter's insights remain relevant resonating with contemporary audiences who seek to understand the intersections of leadership public policy and ethical governance A must read for anyone passionate about democracy and social responsibility

Keeping Faith Jimmy Carter, 1982-10 An important book for our times this is the story of a President who cared Here is Jimmy Carter talking openly about his anguish over the hostage crisis in Iran his triumph against all odds at Camp David his secret communications with China's Deng Xiaoping and his dramatic and revealing encounters with Soviet President Leonid Brezhnev West German Chancellor Helmut Schmidt and other world leaders But this book is also the story of the private man Now Jimmy Carter is able to share for the first time his feelings about being an outsider in Washington about his relationship with Rosalynn and about the attacks on his friends and on his brother Billy

*The Outlier* Kai Bird, 2021-06-15 Important a landmark presidential biography Bird is able to build a persuasive case that the Carter presidency deserves this new look The New York Times Book Review An essential re-evaluation of the complex triumphs and tragedies of Jimmy Carter's presidential legacy from the expert biographer and Pulitzer Prize winning co-author of *American Prometheus* Four decades after Ronald Reagan's landslide win in 1980 Jimmy Carter's one-term presidency is often labeled a failure indeed many Americans view Carter as the only ex-president to have used the White House as a stepping stone to greater achievements

But in retrospect the Carter political odyssey is a rich and human story marked by both formidable accomplishments and painful political adversity In this deeply researched brilliantly written account Pulitzer Prize winning biographer Kai Bird deftly unfolds the Carter saga as a tragic tipping point in American history As president Carter was not merely an outsider he was an outlier He was the only president in a century to grow up in the heart of the Deep South and his born again Christianity made him the most openly religious president in memory This outlier brought to the White House a rare mix of humility candor and unnerving self confidence that neither Washington nor America was ready to embrace Decades before today s public reckoning with the vast gulf between America s ethos and its actions Carter looked out on a nation torn by race and demoralized by Watergate and Vietnam and prescribed a radical self examination from which voters recoiled The cost of his unshakable belief in doing the right thing would be losing his re election bid and witnessing the ascendance of Reagan In these remarkable pages Bird traces the arc of Carter s administration from his aggressive domestic agenda to his controversial foreign policy record taking readers inside the Oval Office and through Carter s battles with both a political establishment and a Washington press corps that proved as adversarial as any foreign power Bird shows how issues still hotly debated today from national health care to growing inequality and racism to the Israeli Palestinian conflict burned at the heart of Carter s America and consumed a president who found a moral duty in solving them Drawing on interviews with Carter and members of his administration and recently declassified documents Bird delivers a profound clear eyed evaluation of a leader whose legacy has been deeply misunderstood The Outlier is the definitive account of an enigmatic presidency both as it really happened and as it is remembered in the American consciousness     *Turning Point* Jimmy Carter,1992 The former president s account of his first political battle reveals how his entrance into politics was riddled by a volatile political scene in the South that was spurred by the Supreme Court s One man one vote decision     **The Presidency of James Earl Carter Junior** Silvio Berardi,2016-12-30 This volume contains the proceedings of the International Conference The Presidency of James Earl Carter Junior Between Reformism Pacifism and Human Rights held in Rome on April 28 2016 at the Institute Santa Maria in Aquiro with the Senate of the Italian Republic patronage Forty years after his election to the White House it was deemed necessary to reflect on the political activity of a President little considered until now by the Italian historiography The Carter Presidency inspired since its inception by a predominant religious sentiment was marked by a clear break with the past Themes such as the respect for human rights dialogue with the historic Soviet enemy pacifism as a weapon of the Middle East problem resolution industrial development through a sustainable approach were introduced right from the thirty ninth occupant of the White House At the presidential elections of 1980 which saw him clash with the Republican Ronald Reagan Carter paid especially the failures of his reform and economic policy the US economic difficulties and the significant increase in the unemployment rate were the main reasons that cost him his reelection Reformism pacifism respect for human rights concepts that would continue to inspire Carter s policy despite the defeat against Reagan     James

Earl Carter Lori Hobkirk,2001-08 Traces the childhood education employment and political career of this president

**Through the Year with Jimmy Carter** Jimmy Carter,Steve Halliday,2011 In this unique devotional former President Jimmy Carter dips into the life lessons God has taught him over three remarkable decades of practical Bible teaching delivered to his Sunday school classes in Plains Georgia and Washington D C These one of a kind devotions include personal stories from Carter and prayers for each day of the year **The Spiritual Journey of Jimmy Carter, in His Own Words** Jimmy Carter,1978 Presents a look at President Carter s views on life religion and politics through quotes from his prayers Bible school lessons interviews off the cuff comments etc *A Government as Good as Its People* Jimmy Carter,1996-05-01 Brings together campaign speeches interviews and news conference quotations that reveal the thirty ninth president s views on such issues as equal justice education foreign policy and consumerism *Beyond the White House* Jimmy Carter,2007 rtf1 ansi ansicpg1252 deff0 fonttbl f0 fnil fcharset0 Arial viewkind4 uc1 pard lang2057 fs20 A fascinating fs18 fs20 and revealing account of the former president s career since leaving the White House arguably the most successful and fulfilled post presidential career of them all fs18 par President Carter Stuart E. Eizenstat,2018-04-24 The definitive history of the Carter Administration from a top White House advisor drawing from his extensive and exclusive notes Stuart Eizenstat was at Jimmy Carter s side from his political rise in Georgia through four years in the White House where he served as Chief Domestic Policy Adviser Famous for the legal pads he took to every meeting he draws on more than 5 000 pages of notes and hundreds of interviews with top officials to write the comprehensive history of this underappreciated president Eizenstat reveals how Carter brokered peace between Israel and Egypt what led to the return of the Panama Canal and how Carter made human rights a presidential imperative He follows Carter s passing of America s first comprehensive energy policy and his deregulation of the oil gas transportation and communications industries And he details the creation of the modern vice presidency Eizenstat also details Carter s many missteps including the Iranian Hostage Crisis Though Carter idealism sometimes hurt him his willingness to tackle intractable problems led to major long lasting accomplishments Keeping Faith Jimmy Carter,1982-10 **Sharing Good Times** Jimmy Carter,2005 Former President Jimmy Carter reflects upon his life political career and the things that are important to him including his family friends and his life with his wife Rosalynn *James E. Carter, 39th President of the United States* Daniel A. Richman,1989 Follows the life of Jimmy Carter including his childhood education employment political career and term of presidency White House Diary Jimmy Carter,2010-09-20 The edited annotated New York Times bestselling diary of President Jimmy Carter filled with insights into his presidency his relationships with friends and foes and his lasting impact on issues that still preoccupy America and the world Each day during his presidency Jimmy Carter made several entries in a private diary recording his thoughts impressions delights and frustrations He offered unvarnished assessments of cabinet members congressmen and foreign leaders he narrated the progress of secret negotiations such as those that led to the Camp David Accords When his four year term came to an end in

early 1981 the diary amounted to more than five thousand pages But this extraordinary document has never been made public until now By carefully selecting the most illuminating and relevant entries Carter has provided us with an astonishingly intimate view of his presidency Day by day we see his forceful advocacy for nuclear containment sustainable energy human rights and peace in the Middle East We witness his interactions with such complex personalities as Ted Kennedy Henry Kissinger Joe Biden Anwar Sadat and Menachem Begin We get the inside story of his so called malaise speech his bruising battle for the 1980 Democratic nomination and the Iranian hostage crisis Remarkably we also get Carter s retrospective comments on these topics and more thirty years after the fact he has annotated the diary with his candid reflections on the people and events that shaped his presidency and on the many lessons learned Carter is now widely seen as one of the truly wise men of our time Offering an unprecedented look at both the man and his tenure White House Diary is a fascinating book that stands as a unique contribution to the history of the American presidency *James Earl Carter* Peter Meyer,1978 A journalist exposes the thirty ninth president s lies distortions and transparent political persona discussing the Lance and Marston affairs the treatment of Richard Helms and Frank Snepp and instances of wiretapping and the suppression of information **Jimmy Carter** Mellonee Carrigan,1995 A short biography of Jimmy Carter before during and after the presidency How to Draw the Life and Times of James Earl Carter, Jr Natashya Wilson,2005-12-15 Provides an informative introduction to the life times and key achievements of James Earl Carter while including step by step directions that allow readers to draw what they are learning
