The Preventive Obstacle Or Conjugal Onanism Sex Marriage And Society:

Foucault Versus Freud Jerome C. Wakefield, 2024-07-05 In *Foucault Versus Freud* Jerome C Wakefield offers a novel analysis of one of the great intellectual clashes of our times the attack on Sigmund Freud's influential sexual theories by the eminent French philosopher and historian of ideas Michel Foucault Starting from Foucault's question What makes the psychoanalytic theory of incest acceptable to the bourgeois family and drawing on Foucault's relatively unexplored published lectures as well as his celebrated *History of Sexuality Vol 1* Wakefield evaluates Foucault's argument that there is a continuity between the two century medical anti masturbation crusade and Freud's theory providing the reader with an accessible introduction to Foucault's conceptual innovations including power knowledge the deployment of sexuality and the use of surveillance and confession as tactics in medicalizing sexuality and reshaping family life Rather than allowing the argument to stay at the evidentially uncertain level one often finds in Foucault's writings Wakefield undertakes close readings of both Freud's seduction theory texts and later Oedipal period texts to test whether Foucault's provocative arguments find support or disconfirmation Despite identifying weaknesses in Foucault's position Wakefield argues that a careful look at Freud's sexual theories through Foucault's theoretical lens changes forever the way one sees Freud's theory and has the potential to help psychoanalysis move forward in a constructive way This book is written to be understandable for those who are not steeped in philosophy or familiar with Foucault's philosophy offering a lucid introduction to Foucault's ideas and his clash with Freud that will be of interest to clinicians students and scholars alike

Knowles, 2019-03-31 The ghosts that haunt our sexual pleasure were born in the Stone Age Sex and gender taboos were used by tribes to differentiate themselves from one another These taboos filtered into the lives of Bronze and Iron Age men and women who lived in city states and empires For the early Christians all sex play was turned into sin instilled with guilt and

punished severely With the invention of sin came the construction of women as subordinate beings to men Despite the birth of romance in the late middle ages Renaissance churches held inquisitions to seek out and destroy sex sinners all of whom it saw as heretics The Age of Reason saw the demise of these inquisitions But it was doctors who would take over the roles of priests and ministers as sex became defined by discourses of crime degeneracy and sickness The middle of the 20th century saw these medical and religious teachings challenged for the first time as activists such as Alfred Kinsey and Margaret Sanger sought to carve out a place for sexual freedom in society However strong opposition to their beliefs and the growing exploitation of sex by the media at the close of the century would ultimately shape 21st century sexual ambivalence Book Two of this two part publication traces the history of sex from the Victorian Era to present day Interspersed with personal hauntings from his own life and the lives of friends and relatives Knowles reveals how historical discourses of sex continue to haunt us today This book is a page turner in simple and plain language about how sex got screwed up for millennia For Knowles if we know the history of sex we can get over it **From Fair Sex to Feminism** J A Mangan, Roberta J Park, 2013-11-05 First published in 1987 with the aim of deepening understanding of the place of women in the cultural heritage of modern society this collection of essays brings together the previously discrete perspectives of women s studies and the social history of sport Using feminist ideas to explore the role of sport in women s lives From Fair Sex to Feminism is a central text in the study of sport gender and the body *Sex for the Common Man: Nineteenth Century Marriage Manuals* Eugène Becklard, Jean Dubois, 1974 *A Proper Bostonian on Sex and Birth Control* Horatio Robinson Storer, 1974 *Sexual Indulgence and Denial: Variations on Continence* , 1974 *Sex and Science: Phrenological Reflections on Sex and Marriage in Nineteenth Century America* L.
