Angle, 2014-10-15 This is a horror story of native American violence It carries a grim lesson for the whole country Political doctrines have played no part in the violence and murder that have brought much ill fame to one corner of Illinois On the map Williamson is just another county But in history it is a place in which a strange disease has raged for more than eighty years a disease marked by a pathological tendency to settle differences by force Fascinated by this Paul M Angle the well known historian set out to discover what really had happened Through enormous research he has been able to reconstruct the whole story in all its horrible scarifying detail Using the best techniques of reportage without editorializing without subjective coloration he has produced a narrative beyond imagination It begins with the Bloody Vendetta a feud that rampaged in the 1870s It deals with labor s success in organizing coal mines in southern Illinois an affair that twice blew up in violence It covers the Herrin Massacre of 1922 perhaps the most shocking episode in the history of organized labor in this country and the subsequent trials The Ku Klux Klan provides material for four chapters that come to a climax in a fatal duel between the Klan and its opponents And it ends with the story of the gang war between Charlie Birger and the Shelton brothers It is a tale to shake the most phlegmatic reader A Knight of Another Sort Gary DeNeal, 1998-12-10 In 1913 Charlie Birger began his career as a bootlegger supplying southern Illinois with whiskey and beer He was charismatic with an easygoing manner and a cavalier generosity that made him popular The stuff of legend he was part monster part Robin Hood In the early days he would emerge from his restaurant saloon in tiny Ledford in Saline County with a cigar box full of coins and throw handfuls in the air for the children Echoing the consensus on Birger an anonymous gang member called him enigmatic noting that he had a wonderful quality a heart of gold There in Harrisburg sometimes he d support twelve or fifteen families buy coal groceries But he had cold eyes a killer s eyes He would kill you for something somebody else would punch you in the nose for Drawing from the colorful cast of the living the dead and the soon to be dead a state shared by many associated with Birger and his enemies the Shelton gang DeNeal re creates Prohibition era southern Illinois He depicts the fatal shootout between S Glenn Young and Ora Thomas the battle on the Herrin Masonic Temple lawn in which six were slain and the Ku Klux Klan crushed and the wounding of Williamson County state s attorney Arlie O Boswell As the gang wars escalated and the roster of corpses lengthened the gangsters embraced technology The Sheltons bombed Birger s roadhouse Shady Rest from a single engine airplane Both Birger and the Sheltons used armored vehicles to intimidate their enemies and the chatter of machine gun fire grew common The gang wars ended with massive arrests trials and convictions of gangsters who once had seemed invincible Charlie Birger was convicted of the murder of West City mayor Joe Adams and sentenced to death On April 19 1928 he stood on the gallows looking down on the large crowd that had come to see him die It s a beautiful world Birger said softly as he prepared to leave it *Fear of Fear* John B.
