magazines of the time the object of a magazine is to interest its readers and the unfamiliar may be more compelling reading than the commonplace To illustrate the social history of the Jews in Victorian Britain the authors therefore combed the Illustrated London News Punch and The Graphic and selected nearly 150 illustrations with commentary to show how the British image of the Jew developed in this period The topics considered include early Victorian attitudes to Jews the leading Jewish families and other prominent Jews the Jewish way of life immigrant Jews Jewish life abroad and the Jew in art
