Artists observe the memory and the unresolved suffering that inscribed itself both upon Lumumba's body and within the history of Congo. If Lumumba as an icon lives on today it is because the need for decolonisation does as well. Rather than seeking to unravel the truth of actual events surrounding the historical Lumumba, this book engages with his representations. What is more, it considers every historiography as inherently embedded in iconography. Film scholars, art critics, historians, philosophers and anthropologists discuss the rich iconographic heritage inspired by Lumumba. Furthermore, Lumumba in the Arts offers unique testimonies by a number of artists who have contributed to Lumumba's polymorphic iconography, such as Marlene Dumas, Luc Tuymans, Raoul Peck and Tshibumba Kanda Matulu, and includes contributions by such highly acclaimed scholars as Johannes Fabian, Bogumil Jewsiewicki and Elikia M. Bokolo. Bachata and Dominican Identity / La bachata y la identidad dominicana Julie A. Sellers, 2014-09-24

Bachata, a guitar-based romantic music that debuted in Santo Domingo's urban shantytowns in the 1960s, is today one of the hottest Latin genres. Still, fans and musicians have not forgotten the social stigma the genre carried for decades. This book interweaves bachata's history and development with the socio-political context of Dominican identity. The author argues that its early disfavor resulted from the political climate of its origins and ties between class and race and proposes that its ultimate acceptance as a symbol of Dominican identity arose from its innovations: the growth of the lower class and a devoted following among Dominican migrants. *La bachata, una música de guitarra que se estrenó en los barrios populares de Santo Domingo en los años 60, hoy es uno de los géneros latinos más populares. No obstante, sus aficionados y sus exponentes recuerdan el estigma social asociado que conllevó por décadas. Este libro entrelaza la historia y el desarrollo de la bachata con el contexto socio-político de la identidad dominicana. La autora plantea que su desaprobación temprana resultó del clima político en que nació y los vínculos entre raza y clase social. Propone que su aceptación final como símbolo de identidad dominicana surge de sus innovaciones: el crecimiento de la clase baja y sus seguidores leales entre los migrantes dominicanos.*

of different people's histories and cultures. This type of scholarship tends to ignore the contributions and historical realities of other people. This case is especially true of the scholars who have interpreted the historiography around the Afrikan revolution in Ayiti otherwise known as The Haitian Revolution. Kimoni Yaw Ajani's *The Afrikan Revolution in Ayiti: Liberty or Lanm Freedom or Death* is an Afrocentric re-examination and interpretation around the historiography of the Revolution in Ayiti and provides an in-depth study that highlights several significant Afrikan epistemological and cosmological aspects that led to freedom. These aspects include but are not limited to the persistence of Afrikan complementary forces in Ayiti: Vodou, Vodun, and Afrikan cosmology; Afrikan combat traditions such as Tire Machet and the numerous Afrikan languages, personalities, and roles that emerged from the growing numbers of Afrikans brought to Ayiti as a result of the European slave trade. Ajani calls for building communities on the best of Afrikan epistemological foundations and reclaiming Afrikan history.

The Grail Rider is a spiritual memoir born from a life-altering Shamanic Journey inspired by the overlighting wisdom of the Christos Sophia. Throughout the ceremony, the blue fire of Divinity consumed all falsities of Self, infusing Inaiya with an all-embracing love that suspended her in Grace. While she lay motionless on the forest floor, Inaiya communes with her Family of Light and is downloaded with a vivid multi-dimensional transmission that illuminates the seeding of Universal Christ Consciousness encoded to blossom within her and the hearts of all beings at this unprecedented epoch in time. Inaiya is shown how life on Earth would be brought back into balance through each being undergoing the inner alchemy of the Divine Marriage. Inaiya, along with humanity, was at a vital crossroads where her destiny called her irresistibly forth to embark upon an initiatory journey and follow a chain of synchronicities that would unveil the true nature of the Beloved. You are invited to venture along with Inaiya through the mythic Grail lines of Glastonbury, the French Pyrenees, Mediterranean Coast, Italy, and Greece as she traces and re-discovers the richly encoded wisdom and timeless transmissions of the Divine Masculine and Divine Feminine as they rise newly empowered to usher in an awakened New Earth unified in Oneness, sovereignty, and resounding beauty. The Grail Rider is not only a holographic travel adventure woven with cosmic codes of light; it is an eternal love story and quest of the Soul that magically unveils an alchemical treasure map that is altogether paradigm-shifting. Steeped in humility, humour, and the transparent quandaries of a modern-day Priestess, The Grail Rider is an offering of love here to awaken and inspire all those who are called to return to the heart of the wild Divine.
