Only George has a chance to reach him in time to prevent the loss of thousands of lives even if it costs him everything. Welcome to the portrait of a paladin in the making. He has a family to protect and a world to save and little time to do it in. *The Chained Adept (1-4)* Karen Myers, 2018-01-08 Books 1-4 of The Chained Adept 1 The Chained Adept MEET A POWERFUL WIZARD WITH UNANSWERED QUESTION AND AN UNBREAKABLE CHAIN AROUND HER NECK Have you ever wondered how you might rise to a dangerous situation and become the hero that was needed? The wizard Penrys has barely gained her footing in the country where she was found three years ago, chained around the neck and wiped of all knowledge. And now an ill planned experiment has sent her a quarter of the way around her world. One magic working has called to another and landed Penrys in the middle of an ugly war between neighboring countries half a world away. No one has any reason to trust her amid rumors of wizards where they don't belong. And she fears to let them know just what she can do, especially since she can't explain herself to them and she doesn't know everything about herself either. Penrys has her own problems and she doesn't have any place in this conflict. But they need her whether they realize it or not. And so she's determined to try and lend a hand if she can. Whatever it takes. And once she discovers there's another chained adept even stronger than she is, she's hooked. Friend or foe she has questions for him, oh yes she does. All she wants is a firm foundation for the rest of her life with a side helping of retribution and if she has to fix things along the way, well so be it. 2 Mistress of Animals AN ERRANT CHILD WITH

DISASTROUS POWERS AND NO ONE TO STAND IN HER WAY Penrys the wizard with a chain and an unknown past is drafted to find out what has happened to an entire clan of the nomadic Zannib Nothing but their empty tents remain abandoned on the autumn steppe with their herds This wasn't a detour she'd planned on making but there's little choice Winter is coming and hundreds are missing The locals don't trust her but that's nothing new The question is can she trust herself when she discovers what her life might have been Assuming of course that the price of so many dead was worth paying for it 3 Broken Devices CHAINS WITHOUT WIZARDS AND A RISING COUNT OF THE DEAD The largest city in the world has just discovered its missing wizards It seems the Kigali empire has ignited a panic that threatens internal ruin and the only chained wizard it knows that's still alive is Penrys The living wizards and the dead are not her people not unless she makes them so All they have in common is a heavy chain and a dead past the lives that were stolen from them are beyond recall What remains are unanswered questions about who made them this way And why And what Penrys plans to do to find out 4 On a Crooked Track SETTING A TRAP TO CATCH THE MAKERS OF CHAINED WIZARDS A clue has sent Penrys back to Ellech the country where she first appeared four short years ago with her mind wiped her body stripped and her neck chained It's time to enlist the help of the Collegium of Wizards which sheltered her then Things don't work out that way and she finds herself retracing a dead scholar's crooked track and setting herself up as a target to confirm her growing suspicions But what happens to bait when the prey shows its teeth In this conclusion to the series tracking old crimes brings new dangers and a chance for redemption

Deep Splendor Robert P. Vande Kappelle,2021-12-02 People concerned with spirituality are seekers instead of possessing

truth they seek to be possessed by it Thus a fully spiritual person is forever learning and growing William Blake the seminal mystic poet who worked to bring about change both in the social order and in common ways of thinking taught that all we need to do is cleanse the doors of perception and we shall see things as they are infinite And nothing cleanses and enlarges the doors of perception like great literature Whether it be poetry a short story a novel historical fiction fantasy literature or biographical writing the literary experience is slightly beyond a reader's horizon of understanding When literature enhances spirituality as is true of the dozen or more selections examined in Deep Splendor each literary moment confounds in order to keep us forever enthralled forever longing The authors and works examined in this study explore timeless spiritual themes such as coming of age relationships self integration the struggle of good versus evil the nature of change and the corruptive aspects of power When we think about great literature it is easy to focus objectively on the literature itself on what makes literature bad or good However another essential distinction involves the reader replacing the category good book with that of good reader As master teacher C S Lewis wrote a quality of good readers is that they seek an enlargement of their being Deep Splendor will teach you how to read great literature and how to be a good reader
