# The Princes Of Hatien Etudes Orientales

**Huangqi Zhang**

## **The Princes Of Hatien Etudes Orientales:**

*Medicine and Morality in Haiti* Paul Brodwin, 1996-09-13 Morality and medicine are inextricably intertwined in rural Haiti and both are shaped by the different local religious traditions Christian and Vodoun as well as by biomedical and folk medical practices When people fall ill they seek treatment not only from Western doctors but also from herbalists religious healers and midwives Dr Brodwin examines the situational logic the pragmatic decisions that guide people in making choices when they are faced with illness He also explains the moral issues that arise in a society where suffering is associated with guilt but where different sometimes conflicting ethical systems coexist Moreover he shows how in the crisis of illness people rework religious identities and are forced to address fundamental social and political problems *Guide to Microforms in Print* ,2009 *Haitian Revolution: Oxford Bibliographies Online Research Guide* Oxford University Press,2010-06-01 This ebook is a selective guide designed to help scholars and students of the ancient world find reliable sources of information by directing them to the best available scholarly materials in whatever form or format they appear from books chapters and journal articles to online archives electronic data sets and blogs Written by a leading international authority on the subject the ebook provides bibliographic information supported by direct recommendations about which sources to consult and editorial commentary to make it clear how the cited sources are interrelated This ebook is just one of many articles from Oxford Bibliographies Online Atlantic History a continuously updated and growing online resource designed to provide authoritative guidance through the scholarship and other materials relevant to the study of Atlantic History the study of the transnational interconnections between Europe North America South America and Africa particularly in the early modern and colonial period Oxford Bibliographies Online covers most subject disciplines within the social science and humanities for more information visit [www.oxfordbibliographies.com](http://www.oxfordbibliographies.com) **Guide to Microforms in Print** K G Saur Books,K. G. Saur Verlag GmbH & Company,2006 [The World of Learning](#) ,1970 Includes deans and selected faculty at professor level by department or discipline *The National Union Catalog, Pre-1956 Imprints* ,1968 **Population Dynamics of Latin America** Robert N. Thomas,1973 **Before Haiti: Race and Citizenship in French Saint-Domingue** J. Garrigus,2006-06-24 Please note this is a Palgrave to Order title PTO Stock of this book requires shipment from an overseas supplier It will be delivered to you within 12 weeks This book details how France s most profitable plantation colony became Haiti Latin America s first independent nation through an uprising by slaves and the largest and wealthiest free population of people of African descent in the New World Garrigus explains the origins of this free colored class exposes the ways its members supported and challenged slavery and examines how they shaped a new American identity *Library of Congress Name Headings with References* Library of Congress,1981 *The Slaves Who Defeated Napoléon* Philippe R. Girard,2011-11-02 To a contemporary audience Haiti brings to mind Voodoo spells Tontons Macoutes and boat people nothing worth fighting over Two centuries ago however Haiti then known as Saint Domingue was the Pearl of the Antilles

France's most valuable overseas colony the largest exporter of tropical products in the world and the United States second most important trading partner after England Haiti was also the place where in 1801-1802 Napoleon Bonaparte sent the largest colonial venture of his reign the Leclerc expedition His goal was to remove the famous revolutionary Toussaint Louverture from office and possibly restore slavery But within two years the remnants of Bonaparte's once proud army were evacuated in defeated and Haiti declared its independence This forgotten yet momentous conflict in which lives were consumed by the thousands is this book's main focus In this ambitious monograph Philippe Girard employs the latest tools of the historian's craft multi archival research in particular and applies them to the climactic yet poorly understood last years of the Haitian Revolution Haiti lost most of its archives to neglect and theft but a substantial number of documents survive in French U S British and Spanish collections both public and private In all *The Slaves Who Defeated Napoleon* relies on contemporary military commercial and administrative sources drawn from nineteen archives and research libraries on both sides of the Atlantic Due to its extensive archival basis the book corrects the many factual inaccuracies that have plagued previous accounts It also offers a more rounded view of the Haitian Revolution going beyond mere military minutia to include the activities of U S merchants the in fighting within the French government the diplomacy between both the French and revolutionaries with the United States England and Spain and the lives of the maroons women and children caught up in the revolutionary struggle This multidimensional work tells not only of barefoot black soldiers ambushing Bonaparte's columns but also of Rochambeau's mixed race mistresses French child drummers Jewish bankers in Kingston weapon smugglers from Quaker Philadelphia Polish artillerists and African born maroons struggling to preserve their freedom against both white and black opponents Equally groundbreaking is the book's willingness to move beyond tidy ideological and racial categories to depict an Atlantic society at the crossroads of African and European influences where Haitian rebels fought France while embracing its ideals In the process the reader is introduced to the extraordinary lives of multifaceted characters such as Wladyslaw Jablonowski the son of a Polish woman and a black father who died fighting for France and white supremacy
