**The Heir of Mondolfo Illustrated** Mary Shelley, 2020-11-23 The story tells us that the Prince had been married early in life to a Princess who had given birth to a son and then died Years later he remarries again this time his wife isn t from a regal family and he marries for love She also gives birth to a son Ludovico [The Heir of Mondolfo](#) Mary Shelley, 2018-08-12

The Heir of Mondolfo by Mary Shelley Mary Shelley nee Mary Wollstonecraft Godwin often known as Mary Wollstonecraft Shelley was a British novelist short story writer dramatist essayist biographer travel writer and editor of the works of her husband Romantic poet and philosopher Percy Bysshe Shelley She was the daughter of the political philosopher William Godwin and the writer philosopher and feminist Mary Wollstonecraft Mary Shelley was taken seriously as a writer in her own lifetime though reviewers often missed the political edge to her novels After her death however she was chiefly remembered only as the wife of Percy Bysshe Shelley and as the author of *Frankenstein* It was not until 1989 when Emily Sunstein published her prizewinning biography *Mary Shelley Romance and Reality* that a full length scholarly biography analyzing all of Shelley s letters journals and works within their historical context was published The well meaning attempts of Mary Shelley s son and daughter in law to Victorianise her memory through the censoring of letters and biographical material contributed to a perception of Mary Shelley as a more conventional less reformist figure than her works suggest Her own timid omissions from Percy Shelley s works and her quiet avoidance of public controversy in the later years of her life added to this impression The eclipse of Mary Shelley s reputation as a novelist and biographer meant that until the last thirty years most of her works remained out of print obstructing a larger view of her achievement She was seen as a one novel author if that In recent decades however the republication of almost all her writings has stimulated a new

recognition of its value Her voracious reading habits and intensive study revealed in her journals and letters and reflected in her works is now better appreciated Shelley s recognition of herself as an author has also been recognized after Percy s death she wrote about her authorial ambitions I think that I can maintain myself and there is something inspiring in the idea Scholars now consider Mary Shelley to be a major Romantic figure significant for her literary achievement and her political voice as a woman and a liberal We are delighted to publish this classic book as part of our extensive Classic Library collection Many of the books in our collection have been out of print for decades and therefore have not been accessible to the general public The aim of our publishing program is to facilitate rapid access to this vast reservoir of literature and our view is that this is a significant literary work which deserves to be brought back into print after many decades The contents of the vast majority of titles in the Classic Library have been scanned from the original works To ensure a high quality product each title has been meticulously hand curated by our staff Our philosophy has been guided by a desire to provide the reader with a book that is as close as possible to ownership of the original work We hope that you will enjoy this wonderful classic work and that for you it becomes an enriching experience

**The Heir of Mondolfo:an Annotated Edition** Mary Shelley,2021-08-22 The well meaning attempts of Mary Shelley s son and daughter in law to Victorianise her memory through the censoring of letters and biographical material contributed to a perception of Mary Shelley as a more conventional less reformist figure than her works suggest Her own timid omissions from Percy Shelley s works and her quiet avoidance of public controversy in the later years of her life added to this impression The eclipse of Mary Shelley s reputation as a novelist and biographer meant that until the last thirty years most of her works remained out of print obstructing a larger view of her achievement She was seen as a one novel author if that In recent decades however the republication of almost all her writings has stimulated a new recognition of its value Her voracious reading habits and intensive study revealed in her journals and letters and reflected in her works is now better appreciated Shelley s recognition of herself as an author has also been recognized after Percy s death she wrote about her authorial ambitions I think that I can maintain myself and there is something inspiring in the idea Scholars now consider Mary Shelley to be a major Romantic figure significant for her literary achievement and her political
