The Prison Of Womanhood Four Provincial Heroines In Nineteenth Century Fiction:

Prison of Womanhood Elizabeth Jean Sabiston, 1987

Prison Of Womanhood Elizabeth J Sabiston, 1987-09-09

Jane Austen Laurence W. Mazzeno, 2011 A comprehensive look at the academic criticism of Jane Austen from her time down to the present Among the most important English novelists Jane Austen is unusual because she is esteemed not only by academics but by the reading public Her novels continue to sell well and films adapted from her works enjoy strong box office success The trajectory of Austen criticism is intriguing especially when one compares it to that of other nineteenth century English writers At least partly because she was a woman in the early nineteenth century she was long neglected by critics hardly considered a major figure in English literature until well into the twentieth century a hundred years after her death Yet consequently she did not suffer from the reaction against Victorianism that did so much to hurt the reputation of Dickens Tennyson Arnold and others How she rose to prominence among academic critics and has retained her position through the constant shifting of academic and critical trends is a story worth telling as it suggests not only something about Austen's artistry but also about how changes in critical perspective can radically alter a writer's reputation Laurence W Mazzeno is President Emeritus of Alvernia University Reading Pennsylvania

The Discourse of Slavery Carla Plasa, Betty J. Ring, 2013-12-19 First published in 1994 The Discourse of Slavery is an innovative collection of fascinating essays addressing the problematic of slavery within literary cultural and political writings For the first time slavery is examined critically within both the British and the American context and related to contemporary concerns around race and gender Writers discussed include Aphra Behn William Blake Mary Wollstonecraft Charlotte Bronte Elizabeth Gaskell Toni Morrison William Faulkner Harriet Jacobs Harriet Beecher Stowe Frederick Douglass The Discourse of Slavery will be an invaluable and intriguing volume for students of literature gender race and ethnicity

Private Sphere to World Stage from Austen to Eliot Elizabeth Sabiston, 2017-11-30 Emily Dickinson's poem This is my letter to the World That never wrote to Me opens the Introduction which focuses on the near anonymity of nineteenth century women novelists Close readings of works by five British novelists Jane Austen Charlotte and Emily Bront Elizabeth Gaskell and George Eliot offer persuasive accounts of the ways in which women used stealth tactics to outmaneuver their detractors Chapters examine the hidden manifesto in Austen's works whose imaginative heroines defend women's writing the lasting impact of Jane Eyre with its modest heroine who takes up the pen to tell her own story even on male writers outside the English tradition Cathy's testament as the ghost text of Wuthering Heights and the shifting gender roles in Daniel Deronda with its silenced heroine and androgynous hero Though the focus is on British novelists the author's discussion of the Anglo American connections in the factory novels of Elizabeth Gaskell and the slavery writings of Harriet Beecher Stowe has particular relevance for its demonstration of how the move from the private to the public sphere enables and even compels the blurring of national and ethnic boundaries What emerges is a compelling argument for the relevance of these novelists to the emergence in our own time of hitherto silenced female voices

around the globe **Principle and Propensity** Kelsey L. Bennett, 2014-09-01 Reimagining the coming of age literary tradition in the U S and U K within dynamic theological contexts Scholars have traditionally relied upon the assumption that the nineteenth century bildungsroman in the Goethean tradition is an intrinsically secular genre exclusive to Europe incompatible with the literature of a democratically based culture By combining intellectual history with genre criticism Principle and Propensity provides a critical reassessment of the bildungsroman beginning with its largely overlooked theological premises bildung as formation of the self in the image of God Kelsey L Bennett examines the dynamic differences tensions and possibilities that arise as interest in spiritual growth or self formation collides with the democratic and quasi democratic culture in the nineteenth century British and American bildungsroman Beginning with the idea that interest in an individual s moral and psychological growth or bildung originated as a religious exercise in the context of Protestant theological traditions Bennett shows how these traditions found ways into the bildungsroman the literary genre most closely concerned with the relationship between individual experience and self formation Part 1 of Principle and Propensity examines the attributes of parallel national traditions of spiritual self formation as they convened under the auspices of the international revival movements the Evangelical Revival the Great Awakening and the renewal of Pietism in Germany led respectively by John Wesley Jonathan Edwards and Count Nikolaus Ludwig Zinzendorf Further it reveals the ways in which spiritual self formation and the international revival movements coalesce in the bildungsroman prototype Johann Wolfgang von Goethe s Wilhelm Meisters Lehrjahre Wilhelm Meister s Apprenticeship Part 2 in turn explores the ways these traditions manifest themselves in the nineteenth century bildungsroman in England and the United States through Jane Eyre David Copperfield Pierre and Portrait of a Lady Though Wilhelm Meisters Lehrjahre was a library staple for most serious writers in nineteenth century England and in the United States Bennett shows how writers such as Charlotte Bront Charles Dickens Herman Melville and Henry James also drew on their own religious traditions of self formation adding richness and distinction to the received genre **Portable Modernisms** Emily Ridge, 2017-06-23 Luggage is an overlooked detail in the stock sketch of the expatriated modernist writer from the valise fashioned desks of both James Joyce and Vladimir Nabokov to the lost manuscript laden cases of Ernest Hemingway and Walter Benjamin While the trope of modernist exile has long been spotlighted little attention has been given to the material meaning of this condition What things and objects do modernism s exiles and emigres carry with them and how does the act of carriage enter into the modernist picture more broadly What are the implications and historical resonances of a portable outlook particularly from the angles of gender wartime conflict and character conception Above all how far does such an outlook impact upon artistic vision Portability represents the simultaneous transportation and repudiation of domesticity and the home those key frames of reference in the nineteenth century novel This book examines the multifarious ways in which the emergence of a modern culture of portability prompts a radical if often problematic departure from Victorian architectural conceptions of fiction towards more movable

understandings of form and character **The Palgrave Encyclopedia of Victorian Women's Writing** Lesa Scholl, Emily Morris, 2022-12-15 Since the late twentieth century there has been a strategic campaign to recover the impact of Victorian women writers in the field of English literature However with the increased understanding of the importance of interdisciplinarity in the twenty first century there is a need to extend this campaign beyond literary studies in order to recognise the role of women writers across the nineteenth century a time that was intrinsically interdisciplinary in approach to scholarly writing and public intellectual engagement **Icons - Texts - Iconotexts** Peter Wagner, 2012-10-25 No detailed description available for Icons Texts Iconotexts The Perverse Gaze of Sympathy Laura Hinton, 1999-09-30 Suggesting that sentimental novels films and TV melodramas are guided by an ambivalent and sadoerotic sympathy this book shows sympathetic sentiments to be cultural formulations of male desire and sympathy itself to be the embodiment of a controlling gaze In a playful but historically persuasive linkage of diverse texts Laura Hinton shows how sympathetic spectators love their victims and in the process maintain authoritarian codes of sexual and racial difference *The Art of Being* Yi-Ping Ong, 2018-12-10 In this account of how the novel reorients philosophy toward the meaning of existence Yi Ping Ong shows that the existentialists discovered a radical way of thinking about the relation between the form of the novel and the nature of self knowledge freedom and the world At stake are the conditions under which knowledge of existence is possible **New Zealand Journal of French Studies** , 1989 **British Women Writers, 1700-1850** Barbara Joan Horwitz, 1997 A guide to British women authors their works and the writing about them **Nineteenth-century Literature** , 1988 Contains articles which focus on a broad spectrum of significant figures in fiction philosophy and criticism such as Austen Carlyle Dickens Thackeray the Brontes Tennyson Browning Arnold Emerson Hawthorne Thoreau Whitman Twain and Henry James *University of Toronto Quarterly* University of Toronto, 1989 Cited Theatre as Commentary in the Nineteenth-century French Novel Jodi Samuels, 2001 **An Annotated Bibliography of Jane Austen Studies, 1984-94** Barry Roth, 1996 This Professor Roth s third annotated bibliography of studies on Jane Austen covers the years 1984 1994 Like the critically acclaimed earlier volumes it charts the steady growth and enrichment of literary criticism of Austen in the second half of the twentieth century The first bibliography which covered the period 1952 1972 contained 794 items the second which treated 1973 1983 included over 1 060 pieces this third work has 1 327 entries Such concentrated attention paid to this major English novelist shows signs only of intensifying for fresh illuminating interpretations continue to appear at a rapid pace This bibliography serves as a scholarly tool locating and summarizing research so as to establish the present state of our knowledge of Austen studies and to assist others in proceeding as fully informed as possible of past efforts This third bibliography includes all Austen studies first published in the period 1984 1994 more particularly every book essay article and doctoral dissertation on her as well as the critical matter appended to every edition of her works in English and to translations and significant mentions For clarity and ease of reference the bibliography is divided into three main sections

The first covers books essays and articles devoted entirely or in good part to Austen including reviews of all the book length studies The second section focuses on doctoral dissertations wholly or in part about her The third gathers together significant mentions included regardless of length when they entail an unusual perceptive or otherwise striking idea Austen followers everywhere will welcome Roth s thorough research and systematic presentation

New Books on Women and Feminism ,1988 **Documentation Sur la Recherche Féministe** ,1989 **Woman as a Novelist** Atma Ram,1989

The book delves into The Prison Of Womanhood Four Provincial Heroines In Nineteenth Century Fiction. The Prison Of Womanhood Four Provincial Heroines In Nineteenth Century Fiction is a vital topic that needs to be grasped by everyone, from students and scholars to the general public.
