Ahmad,2009-03-02 This book offers a better insight into the comparison of Western and Islamic cultures with studies that address the issues of Islam and modernity violence in Islamic law and history and respect for individuals privacy in Islamic cultures **The Private Life Of Islam** Ian Young,2011-04-30 Ian Young spent a summer as a medical student in a provincial maternity unit in Algeria This book is taken from the diary he began on arrival when he found himself the privileged witness of the insides not just of Kabyl women but also some much trumpeted ideology The immediate villains are a couple of expatriate Bulgarian gynaecologists Dr Vasilev at the closing stages of a career of fathomless incompetence forms a bond of affection with the author and they spend many hours in the office over an old route map of Bulgaria discussing mileages and motorcycles as Maternity drifts beneath them like an abandoned ship Dr Kostov packs a powerful bedside punch and saves his humanitarian feelings for the health of the Deutschmark The two form a macabre comic team as they take the reader through a series of medical nightmares But their lot is scarcely more enviable than that of their female victims the foreign doctors are the unhappy executors working in blood excrement and death of the most respected attitudes in Algeria The Private Life of Islam is a ruthlessly clear sighted view of a particular place at a particular time It is also a classic in the art of story telling A real achievement personal as well as literary David Pryce Jones The Times A parable of the reality behind a vast amount of modern social and political fantasy even in the most developed of countries David Holden Sunday Times **The New Cultural Atlas of the Islamic World**

Marshall Cavendish Corporation,2010 Examine the ancient Islamic world through expertly designed maps and site drawings bringing history to life Gender and Human Rights in Islam and International Law Shaheen S. Ali,2021-11-08 This important study offers a conceptual analysis of gender and human rights under Islamic law state law and international law and extends this analysis to a specific examination of the nature of women s rights in the Islamic tradition It explores the disparity between the theoretical perspective on women s rights and its applications to Muslim jurisdictions determined by elements of cultural practices socio economic realities and political expediences and uses the example of Pakistan to demonstrate the divergence between the theory and practice of Islamic law in these jurisdictions It discusses the concept of an emerging operative Islamic law which includes principles of Islamic law secular codes and popular custom and usage

**Prophet Muhammad (S) and His Family** Shamim Aleem,2011-10-27 Though over the past 1400 years thousand of books have been written on the different aspects of the life of the Prophet Muhammad S Even then it cannot claim to be true and exhaustive picture of his multidimensional life as has been successfully projected in this book The author has tried to look at his family life from a sociological perspective an approach different from that of other writers Her attempt is to place at the disposal of young English speaking people a wider view of the family life of the Prophet so that they may learn something from it to make their own lives more fruitful and happy In the last few years and especially after 9 11 interest in Islam and Islamic literature has increased tremendously Non believers are in a dilemma On one hand Islam is suppose to be a religion of peace while on the other terrorism association with Muslims is on the rise By making an attempt to depict an objective picture of the life of Prophet Muhammad S the author has tried to underline the fact that Islam is not a religion of violence but of peace and the life of the Prophet provides convincing evidence of the same and whatever is being done under the name of Muslim by a handful people has hardly any relation with Islam The book may be a source of interest to those non Muslims who are keen to know more about Islam *How Islam Rules in Iran* Mehran Kamrava,2024-05-09 Examines the jurisprudential justifications that underlie the continuous and ever changing relationship between state and religion in Iran

to understand contemporary Pakistan      Self and Secrecy in Early Islam Ruqayya Yasmine Khan,2008 An original inquiry into the meanings of concealment and revelation in early Arabo Islamic texts In this comparative analysis of the significance of keeping and revealing secrets in early Islamic culture Ruqayya Yasmine Khan draws from a broad range of Arabo Islamic texts to map interconnections between concepts of secrecy and identity In early Islamic discourse Khan maintains individual identity is integrally linked to a psychology of secrecy and revelation a connection of even greater importance than what is being concealed or displayed Khan further maintains that secrecy and identity demarcate boundaries for interpersonal relations when governed by the cultural norms of discretion espoused in these texts As evidence for her study Khan explores religious and literary representations of secrecy in classical texts as diverse as the Qur an the Book of Concealing the Secret and Holding the Tongue by al Jahiz and courtly love poems including the story of Majnun and Layla These works represent divergent approaches to spiritual ethical and romantic life in early Islam yet Khan extrapolates from each a shared construction of secrecy and revelation In advancing our understanding of the dynamic tensions between secrecy and revelation as depicted in these early Arabo Islamic discourses Khan illustrates that the creation of individual identity and subjectivity was inherently tied to these same tensions The resulting analysis opens new vistas for understanding the meanings of secrecy in Islamic studies Qur anic studies Islamic philosophy and mysticism Arabic literary studies as well as European intellectual history      **Islamic Banking in Pakistan** Feisal Khan,2015-12-22 This book analyses the push to Islamize Pakistan and its financial system by Islamic revivalists It offers extensive interviews with Pakistani Islamic bankers on the state of their industry and how they see it developing and provides analysis on how the Islamic banks customers differ from those of conventional ones This book will be of interest to specialists on Islam South Asia and International Economics

Timeless Teachers and Ethical Visions K. K. Kuriakose,2013-04-01 The industrial monoculture spreading across the globe is highly competitive greedy and egotistical in the shaping of educational policy global communities have accepted a model based on science and technology which lacks aspects that should be addressed in the goal of education The book Timeless Teachers and Ethical Visions is a historical inquiry of educational concerns that have developed through the centuries It is a systematic discussion of prominent educators including their theories and experiments St Thomas Aquinas Al Ghazali Ibn Khaldun Leo Tolstoy Mahatma Gandhi John Dewey and Paulo Freire In addition the inquiry investigates the strengths and weaknesses of the neoliberal educational policy the suggestions to construct an educational policy considering the common good criticize uncontrolled individualism while emphasizing the goal of education that enhances community consciousness to the learner Finally the aim of this book is to propose an alternative educational policy that is beneficial to the global community      **Nationalism and Imperialism in the Hither East** Hans Kohn,2022-11-30 First published in 1932 Nationalism and Imperialism in the Hither East seeks to present the history of Turkey Egypt and Arabia in the decade where the political structures created by World War I and the Peace Conferences sought consolidation and the evolution of their

own life The story begins where after the immediate consequences of the War had been liquidated the civil and political administration of the several countries was established This book is intended as contribution to the endeavour to understand the historical and sociological character of nationalism and of the forces which are determining the history of our own day The social political and cultural movements in these countries the struggle between imperialism and nationalism throw light upon the processes which extend far beyond the region under consideration The language used is a reflection of its era and no offence is meant by the Publishers to any reader by this republication This book will be of interest to students of history political science international relations and geography

Islamic Liberalism Halil Ibrahim Canbegi, 2025-07-10 In *Islamic Liberalism A Theory of Impossibility* based on the Lockean Tradition Halil Ibrahim Canbegi investigates the inherent inconsistencies of Islamic liberalism by examining the philosophical and theological foundations of both liberalism and Islam Canbegi draws on Lockean liberalism asserting that John Locke's emerging liberalism is deeply rooted in theological concepts such as covenant theology natural law and the distinctive nature of Christianity itself In contrast the author argues that Islam lacks the necessary theological and intellectual framework to develop a coherent version of liberalism often termed Islamic liberalism Canbegi maintains that this concept merely represents a superficial juxtaposition of Islam and liberalism rather than a genuine synthesis Ultimately the author concludes that Islamic liberalism is merely a heterogeneous amalgamation of Islamic and liberal ideas which do not combine into a unified whole This critical analysis challenges prevailing notions and invites readers to reconsider the complex relationship between these two influential systems of thought

**Soft Force** Ellen Anne McLarney, 2015-05-26 The unheralded contribution of women to Egypt s Islamist movement and how they talk about women s rights in Islamic terms In the decades leading up to the Arab Spring in 2011 when Hosni Mubarak s authoritarian regime was swept from power in Egypt Muslim women took a leading role in developing a robust Islamist presence in the country s public sphere Soft Force examines the writings and activism of these women including scholars preachers journalists critics actors and public intellectuals who envisioned an Islamic awakening in which women s rights and the family equality and emancipation were at the center Challenging Western conceptions of Muslim women as being oppressed by Islam Ellen McLarney shows how women used soft force a women s jihad characterized by nonviolent protest to oppose secular dictatorship and articulate a public sphere that was both Islamic and democratic McLarney draws on memoirs political essays sermons newspaper articles and other writings to explore how these women imagined the home and the family as sites of the free practice of religion in a climate where Islamists were under siege by the secular state While they seem to reinforce women s traditional roles in a male dominated society these Islamist writers also reoriented Islamist politics in domains coded as feminine putting women at the very forefront in imagining an Islamic polity Bold and insightful Soft Force transforms our understanding of women s rights women s liberation and women s equality in Egypt s Islamic revival

**Europe and the Islamic World** John Tolan, Gilles Veinstein, Henry Laurens, 2015-11-17 A sweeping history of Islam and the West from the seventh century to today Europe and the Islamic World sheds much needed light on the shared roots of Islamic and Western cultures and on the richness of their inextricably intertwined histories refuting once and for all the misguided notion of a clash of civilizations between the Muslim world and Europe In this landmark book three eminent historians bring to life the complex and tumultuous relations between Genoans and Tunisians Alexandrians and the people of Constantinople Catalans and Maghrebis the myriad groups and individuals whose stories reflect the common cultural intellectual and religious heritage of Europe and Islam Since the seventh century when the armies of Constantinople and Medina fought for control of Syria and Palestine there has been ongoing contact between the Muslim world and the West This sweeping history vividly recounts the wars and the crusades

the alliances and diplomacy commerce and the slave trade technology transfers and the intellectual and artistic exchanges Here readers are given an unparalleled introduction to key periods and events including the Muslim conquests the collapse of the Byzantine Empire the commercial revolution of the medieval Mediterranean the intellectual and cultural achievements of Muslim Spain the crusades and Spanish reconquest the rise of the Ottomans and their conquest of a third of Europe European colonization and decolonization and the challenges and promise of this entwined legacy today As provocative as it is groundbreaking this book describes this shared history in all its richness and diversity revealing how ongoing encounters between Europe and Islam have profoundly shaped both

### **Islam and Public Controversy in Europe** Nilüfer

Göle, 2016-05-06 The public visibility of Islam is becoming increasingly controversial throughout European countries With case studies drawn from France Germany Italy Spain and the UK this book examines a range of public issues including mosque construction ritual slaughter Sharia councils and burqa bans addressing the question of Islamic difference in public life outside the confines of established normative discourses that privilege freedom of religion minority rights or multiculturalism Acknowledging the creative role of dissent it explores the manner in which public controversies unsettle the religious secular divide and reshape European norms in the domains of aesthetics individual freedom animal rights and law Developing an innovative conceptual framework and elaborating the notion of controversy as a methodological tool *Islam and Public Controversy in Europe* draws our attention to the processes of interaction confrontation and mutual transformation thereby opening up a new horizon for rethinking difference and pluralism in Europe As such it will appeal to scholars across the social sciences with interests in religion integration cultural difference and the public sphere
