a study of religious fanaticism through its deeply critical portrait of the Calvinist concept of predestination It is written in Scottish English with some sections of Scots that appear in dialogue The Private Memoirs and Confessions of a Justified Sinner James Hogg,2017-10-11 Excerpt from The Private Memoirs and Confessions of a Justified Sinner Written by Himself The good parson again blessed her and went away She took leave of him with tears in her eyes entreating him Often to visit her in that heathen land of the Amorite the Hittite and the Gergashite to which he assented on many solemn and qualifying conditions and the comely bride retired to her chamber to pray About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books Find more at www.forgottenbooks.com This book is a reproduction of an important historical work Forgotten Books uses state of the art technology to digitally reconstruct the work preserving the original format whilst repairing imperfections present in the aged copy In rare cases an imperfection in the original such as a blemish or missing page may be replicated in our edition We do however repair the vast majority of imperfections successfully any imperfections that remain are intentionally left to preserve the state of such historical works The Private Memoirs and Confessions of a Justified Sinner (1824) James Hogg,2015-12-16 James Hogg 1770 21 November 1835 was a Scottish poet novelist and essayist who wrote in both Scots and English As a young man he worked as a shepherd and farmhand and was largely self educated through reading He was a friend of many of the great writers of his day including Sir Walter Scott of whom he later wrote an unauthorized biography He became widely known as the Ettrick Shepherd a nickname under which some of his works were published and the character name he was given in the widely read series Noctes Ambrosianae published in Blackwood s Magazine He is best known today for his novel The Private Memoirs and Confessions of a Justified Sinner His other works include the long poem The Private Memoirs and Confessions of a Justified Sinner Written by Himself James Hogg,2016-08-10 Set in early eighteenth century Scotland the novel recounts the corruption of a boy of strict Calvinist parentage by a mysterious stranger under whose influence he commits a series of murders The stranger assures the boy that no sin can affect the salvation of an elect person The reader while recognizing the stranger as Satan is prevented by the subtlety of the novel s structure from finally deciding whether for all his vividness and wit he is more than a figment of the boy s imagination **The Private Memoirs and Confessions of a Justified Sinner** James Hogg,1952 **The Private Memoirs and Confessions of a Justified Sinner** James Hogg,2019-11-18 The Private Memoirs and Confessions of a Justified Sinner It being a story replete with horrors after I had written it says Hogg I durst not venture to put my name to it and it has often been asserted that part of the writing was Lockhart s It is very nearly a masterpiece of its kind a kind somewhere between Bunyan and a spiritual Defoe It might have suggested Poe s William Wilson and it has a horror which even Poe has hardly exceeded But it is as a piece of psychology that it is most remarkable the lean dry record of a wrinkled soul which projects its own devil upon the outer air and dies the suicide of its enemy itself Here for once was this really some helping influence of Lockhart Hogg is grimly self possessed master of his material He tells us proudly that he never re wrote

Not to revise means to him to hold fast my integrity he will try to write better next time but what he has written he has written The consequence of this proud incapacity is that all but his very best work is both spun out to weakness and marred by abundant absurdities of language The Scotch dialect was at once a help and a disguise to him Sometimes the difference is only apparent but for the most part he is better able to mould words to his thought out of the homely dialect whose shades of meaning were so much clearer to him than those of English The Lamp A Review and Record of Current Literature Volume 29 1904
